Denise recalled the last message and sent this one. I don't know the difference.

Importance: High

Eliminate the increase in the tipping fee. Entirely.

Compensate for the revenue loss by cutting Chapter 220 INTRAdistrict aids to the degree necessary to fund this change, and using that GPR where the garbage tax monies went.

Please. Thanks.

Becky, if you look at the second table on Page 647 of our Gov/Jt Finance summary document you should have the numbers by fund & by year (\$69.8 million for the biennium). Daryl

I tried to forward this to you from home, but I can't tell whether it worked.

I think the way to do this is to transfer GPR to the SEG funds in the amounts needed to make up for the loss of tipping fee increases. Can you let me know how much would have to be transferred to the recycling fund and how much to the environmental fund? Also, do you think I am missing anything?

Thanks,
Becky
