Mark, actually, on number 2 for police and fire protection, can you remove the sunset all together and just do the truth-in-billing stuff. Just got out of a meeting. Thanks!

I drafted the amendment based on the assumption that you do not want to sunset local govt. MOE. If I got it wrong, I will do a quick redraft. You should receive the amendment fairly soon.

One more question. Regarding item 2 under police and fire protection fee, do you also want me to sunset the local government MOE?

Kristen,

I'm sorry but, given that I have to work a bit this weekend, I left early on Friday, so I wasn't around to discuss the amendment per your voicemail. I'll give you a call Monday am.
