Provisions*

Page 842 LFB Comparative Summary

12. TRANSPORTATION ENHANCEMENTS GRANTS FOR THE CITY OF RACINE

Joint Finance: Require DOT to award the following grants to the City of Racine under the transportation enhancements grant program during the 2009-11 biennium if it is determined that the projects are eligible for assistance under federal guidelines for the program: (a) a grant of \$400,000 or 80% of the project cost, whichever is less, for streetscaping on State Street from Memorial Drive to La Salle Street; and (b) a grant for \$500,000 or 80% of project costs, whichever is less, for streetscaping on Washington Avenue/7th Street from 9th Street to Main Street.

\$900,000

13. LOCAL BICYCLE FACILITIES GRANT PROGRAM

Joint Finance: Provide \$2,500,000 annually in a new, continuing appropriation for making grants under the bicycle and pedestrian facilities program and for grants involving bicycle and pedestrian facilities under the transportation enhancements program. Specify that amounts from this appropriation may be used to supplement amounts provided in the FED appropriations for bicycle and pedestrian facilities and transportation enhancements.

\$5,000,000

15. GRANT FOR MANITOWOC ROAD IN THE VILLAGE OF BELLEVUE

Joint Finance: Require DOT to award a grant during the 2009-11 biennium to the Village of Bellevue in Brown County for the reconstruction of Manitowoc Road from Eaton Road to Allouez Avenue. Specify that the amount of the grant shall be \$1,250,000 or 80% of the project cost, whichever is less.

\$1,250,000

16. GRANT FOR CTH X IN CHIPPEWA COUNTY HIGHWAY

Joint Finance: Require DOT to award a grant during the 2009-11 biennium for the rehabilitation of CTH X in Chippewa County between 57th Avenue and 184th Street, from the local transportation facility improvement assistance program, if this project does not receive federal economic stimulus funding. Specify that the amount of the grant shall be \$430,000 or 80% of the project cost, whichever is less.

\$430,000

Page 843

17. GRANT FOR TOWN OF LA PRAIRIE BRIDGE IN ROCK COUNTY

Joint Finance: Require DOT to award a grant of \$250,000 during the 2009-11 biennium to the Town of La Prairie in Rock County from the local bridge improvement assistance program for the replacement and expansion of a bridge on South Reid Road.

\$250,000

18. GRANT FOR HURON ROAD IN THE VILLAGE OF BELLEVUE

Joint Finance: Require DOT to make a grant of \$100,000 in 2009-10 to the Village of Bellevue in Brown County for a street beautification project on Huron Road. Provide \$100,000

in 2009-10 in a new, annual appropriation for that purpose and delete the appropriation on July 1, 2011.

\$100,000

19. GRANT FOR THE VILLAGE OF FOOTVILLE IN ROCK COUNTY

Joint Finance: Require DOT to make a grant of \$20,000 in 2009-10 to the Village of Footville in Rock County for the construction of a pedestrian path. Provide \$20,000 in 2009-10 in a new, annual appropriation for that purpose and delete the appropriation on July 1, 2011

19. ROAD REPAIR AND MAINTENANCE [LFB Paper 753]

Governor Jt. Finance

(Chg. to Base) (Chg. to Gov) Net Change

GPR - \$642,800 \$5,940,000 \$5,297,200

SEG 5,940,000 - 5,940,000 0

Total \$5,297,200 \$0 \$5,297,200

Governor: Provide \$2,970,000 transportation fund SEG annually for state forest, park, and riverway road maintenance and delete base level funding of \$321,400 GPR annually.

The state forest, park, and riverway road maintenance appropriation has been funded by GPR since 1997. However, prior to 1996 Act 27, the expenditure had been supported by the transportation fund. This item is part of an initiative to convert several appropriations from the general fund to the transportation fund. A summary listing of these appropriations is shown in an item titled "Use of Transportation Fund Revenues for General Fund Purposes," which can be found under the "Transportation Finance" section of the "Department of Transportation."

Joint Finance: Delete \$2,970,000 transportation fund SEG annually and provide the same amount of GPR annually for state forest, park, and riverway road maintenance.

\$5,297,200

18. DRIVER CARD FOR APPLICANTS WITHOUT PROOF OF LEGAL PRESENCE

Joint Finance: Require DOT to issue a limited purpose driver's license ("driver card") that provides the holder full authority to operate a "Class D" vehicle (automobile or light truck) to an applicant who is unable to meet current law requirements with respect to proving legal presence in the United States, provided that all of the following apply: (a) the applicant's driving privilege is not suspended or revoked in Wisconsin or in any other jurisdiction; (b) the applicant successfully passes driving skills, knowledge, and eyesight examinations, and meets current minimum age qualifications for obtaining a driver's license; (c) the applicant provides proof that he or she has been a resident of Wisconsin for at least six months; (d) the applicant provides proof of identity; (e) the applicant is not eligible to receive a Social Security Number; (f) the applicant provides a valid Individual Taxpayer Identification Number issued by the federal Internal Revenue Service; and (g) the applicant pays the required license fees, which would be the same as for a probationary or regular "Class D" license, as applicable. Specify that prerequisites for the issuance of a "Class D" license apply to the issuance of a driver card, except for provisions related to providing a social security number, providing documentary proof that the applicant is a citizen or is legally present in the United States, and, for male applicants who are at least 18

5. LIFT BRIDGE AIDS [LFB Paper 763]

Joint Finance: Provide \$505,500 in 2010-11 for lift bridge aids to reimburse communities for the estimated costs associated with the operation and maintenance of lift bridges on connecting highways. As part of the additional 5.135% across-the-board reductions, funding would be reduced by \$117,800 annually (see "Transportation -- Departmentwide" for the fiscal effect of this reduction) in addition to the Governor's recommended 1% across-the-board annual reduction. As a result, total funding for the program would be \$2,153,700 in 2009-10 and \$2,659,200 in 2010-11. Based on actual costs for calendar year 2008 and estimated costs for calendar year 2009, these appropriations would fund 95.3% of estimated biennial costs.

2. MASS TRANSIT OPERATING ASSISTANCE [LFB Paper 761]

Governor Jt. Finance

(Chg. to Base) (Chg. to Gov) Net Change

SEG \$7,097,200 \$483,900 \$7,581,100

Governor: Provide \$2,285,700 in 2010-11 and \$4,811,500 in 2010-11, distributed as follows:

(a) \$1,315,600 in 2009-10 and \$2,782,100 in 2010-11 for Tier A-1 (Milwaukee); (b) \$351,600 in 2009-10 and \$735,400 in 2010-11 for Tier A-2 (Madison); (c) \$504,300 in 2009-10 and \$1,055,000 in 2010-11 for Tier B transit systems; and (d) \$114,200 in 2009-10 and \$239,000 in 2010-11 for Tier C transit systems. Set the calendar year distribution amounts at \$66,585,600 for 2010 and \$68,583,200 for 2011 and thereafter for Tier A-1, \$17,496,400 for 2010 and \$18,021,300 for 2011 and thereafter for Tier A-2, \$25,099,500 for 2010 and \$25,852,500 for 2011 and thereafter for Tier B, and \$5,681,600 for 2010 and \$5,852,200 for 2011 and thereafter for Tier C. These represent a 1.97% increase in mass transit assistance to each tier of mass transit systems in calendar year 2010 and a 3% increase in calendar year 2011. An additional \$241,900 in 2009-10 and \$242,000 in 2010-11 in total would be needed to fully fund the proposed calendar year increases under the bill. Repeal statutory references relating to aid payments for each tier of systems for calendar years 2006 and 2007.

Joint Finance: Provide an additional \$241,900 in 2009-10 and \$242,000 in 2010-11 to fully fund the calendar year distribution amounts under the Governor's recommendation. Specify that the additional funding would be provided as follows: \$141,800 in 2009-10 and \$139,500 in 2010-11 for Tier A-1; \$36,200 in 2009-10 and \$37,100 in 2010-11 for Tier A-2; \$52,100 in 2009-10 and \$53,400 in 2010-11 for Tier B; and \$11,800 in 2009-10 and \$12,000 in 2010-11 for Tier C. Establish a Tier A-3 under the state's mass transit operating assistance program, which would include any commuter or light rail mass transit project that has been enumerated as a major transit capital improvement in the statutes, and specify that the existing tiers cannot be used to provide aid for a commuter rail or light rail transit system. Specify that DOT would calculate aid for such systems so that they receive combined state and federal operating assistance equal to a uniform percentage of their operating costs. Specify that existing program requirements would apply to a Tier A-3 system, including the requirement that the system must provide local, nonfarebox revenue equal to 20% of the amount of state aid. Create a sum certain, SEG appropriation for the purposes of making payments to the sponsors of such systems, but provide no funding at this time.

Take the balance from this provision.

\$7,438,100

The provisions listed above should total \$27,600,000, the cost of deleting the \$10 surcharge for the biennium. According to LFB the \$10 surcharge brings in \$13,800,000 annually.

This draft does not decrease each of the appropriations you identified in your request. Where appropriate, however, I have eliminated dedicated appropriations for programs that have been completely eliminated. To treat each of the other appropriations you identified, we would need more specific numbers. The programs you identified for elimination have been removed in this draft. The money appropriated to these programs may, therefore, be unexpended and lapse into their parent fund.

A few issues arose with this draft:

1. Several of the appropriations that you wanted to decrease are estimates of federal funding. Because these are only estimates, they cannot be reduced to fund alternative items. (Items 12, 15, and 16)
2. I reduced the funding for lift bridge aids by \$505,500, ^{which} the amount of the joint finance increase. Your memo indicated a decrease of \$505,000, I took ~~this~~ to be a typo. Please let me know if my change was incorrect. (Item 5)
3. I was not able to reduce funding for the driver card program by as much as you indicated. Only \$2,656,100 of the appropriation is available for reduction, as the rest is revenue generated by the program that would not be generated if the program were eliminated. (Item 18)
4. This draft does not make an appropriation change to the road repair and maintenance account. Under SA1, this appropriation is not coming from the transportation fund and, therefore, elimination of the program would not free up transportation money for alternative funding. (Item 19)

Subject: FW: Funding source for Rep. Ballweg amendment on Real ID surcharge

This is on the Ballweg amendment to eliminate the issuance fee. I told them that they needed more cuts, which they're working on, but he told me to go ahead and give some instructions on the things that work.

In addition to eliminating the issuance fee, do the following:

Eliminate the SEG bike program appropriation and associated language (2)(oq)

Eliminate (2) (jq) and (2) (jr) and 9151(5bb) and (4c)

Reduce 1(ft) by \$505,000 in 2010-11 (page 143, line 21)

Eliminate all changes to transit statutory distribution (maintain current law distribution).

We're working on the reductions to the mass transit appropriations. I'll get them to you later.

Yes. I think you can eliminate the treatment of these from the amendment since they don't contribute to the purpose of the amendment, which is to eliminate the issuance fee, but offset that loss in revenue.

10 **SECTION 2964t.** 344.19 (3) of the statutes is amended to read:

11 344.19 (3) Upon receipt of such certification from another state to the effect
12 that the operating privilege or registration of a resident of this state has been
13 suspended or revoked in such other state under a law providing for its suspension
14 or revocation for failure to deposit security for payment of judgments arising out of
15 a motor vehicle accident, under circumstances which would require the secretary to
16 suspend a nonresident's operating privilege or registration had the accident occurred
17 in this state, the secretary shall suspend the operating privilege of such resident if
18 he or she was the operator and all of his or her registrations if he or she was the owner
19 of a motor vehicle involved in such accident. The department may accept a
20 certification which is in the form of a combined notice of required security and
21 suspension order, but shall not suspend a resident's operating privilege or
22 registration on the basis of such order until at least 30 days have elapsed since the
23 time for depositing security in the other state expired. A suspension or revocation
24 of operating privilege under this section shall continue until such resident furnishes
25 evidence of his or her compliance with the law of the other state relating to the

1 deposit of security, pays the fees fee required under s. 343.21 (1) (j) ~~and (n)~~ and
2 complies with the applicable provisions of s. 343.38. A suspension or revocation of
3 registration under this section shall continue until such resident furnishes evidence
4 of his or her compliance with the law of the other state relating to the deposit of
5 security, pays the fee required under s. 341.36 (1m) and satisfies the requirements
6 of sub. (3m).”.
