20.865(4)(a)

Rep. Vos would like to draft an amendment to address some of the suggestions made in the Wisconsin Shares audit released today. Please put these suggestions into one amendment:

✓ Place \$1 million from the JFC appropriation to create a competitive grant program to be awarded to a county for implementation of better program integrity of the Wisconsin Shares program. Direct DCF to promulgate rules relating to specifications of how grant will be awarded.

Mandate that counties provide at least 20 hours of training to employees administering the shares program on employment verification information and on the importance of consistently recording eligibility-related information in participants' electronic case files.

✓ mandate electronic verification for wages for every participant of the shares program once every quarter, using the available DWD databases

✓ Require front end verification for all applicatns to the Wisconsin shares program.

Some of the terminology in the above descriptionis taken right from the audit released today.

Please call if you have questions.
