Subject: Amendments for AB 278

Rep. Huebsch would like to amend AB 278 with 3 changes. If it's easier for you, roll the changes into one amendment? I'm guessing that we'll introduce the amendment in committee, but there's a chance it will be introduced on the floor with a different author.

Recommended amendments for AB 278:

ADD

1) Appeal process:

Not later than sixty (60) days after the date a manufacturer receives notice that a shortfall fee will be imposed, the manufacturer may petition the Wisconsin Department of Natural Resources for relief from the annual shortfall fee imposed under section 6(4) upon showing of good cause. In determining whether to grant a petition for relief under this section, the Wisconsin Department of Natural Resources shall determine whether the manufacturer has made good faith progress to achieve substantial compliance within this article. A determination by the Wisconsin Department of Natural Resources is not subject to appeal by the manufacturer.

AMEND

2) Review of the formula:

Page 25, Amend § 6 (10)(c): line 25, insert
...or if a substantial number of manufacturers cannot meet their obligations in a given year,

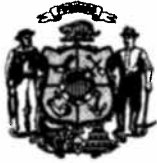

AMEND

3) 1 year penalty delay:

(Pp 13, lines 9-10) Amend § 6 (4)(c): (c) Annual shortfall fee in ~~2010~~-2011. The annual shortfall fee to be paid in ~~2010~~-2011 by a manufacturer is calculated as follows.

I apologize for the short notice. Please let me know if you have any questions.

Thanks,
Elise
