That's fine. I'll send a new draft out to you right away (with the word "annual").

Aaron,

If we adopt this amendment, it would take out the language that the other amendment we have (AA1 To ASA 1) is amending. Can we get a new version of this amendment that includes the word "annual" in the language about generating more than 50 percent of total sales revenue from food sales? That way my boss can ask that AA1 to ASA 1 be returned to the author.

Let me know if this is a problem or you need additional language from me.

Thanks,

Joe
