

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0215/1dn
PG:bjk:rs

December 10, 2008

While writing the bill analysis, it occurred to me that a private school may not begin to participate in the Milwaukee Parental Choice Program (MPCP) until after the deadline for implementing a plan for maintaining indoor environmental quality in the private school has passed. I decided to move the requirement for the choice schools to the statutory section that relates to the MPCP (s. 119.23) and to establish a slightly different timeline for the choice schools. Let me know if you need any changes.

In addition, let me know if you would like to amend s. 119.23 (10), authorizing DPI to bar a private school from participating in the MPCP for failure to implement a plan for maintaining indoor environmental quality in the private school.
