20 **SECTION 1e.** 66.1103 (1) (a) of the statutes is amended to read:

SENATE BILL 440

1 66.1103 (1) (a) It is found and declared that industries located in this state have
2 been induced to move their operations in whole or in part to, or to expand their
3 operations in, other states to the detriment of state, county and municipal revenue
4 raising through the loss or reduction of income and franchise taxes, real estate and
5 other local taxes causing an increase in unemployment; that such conditions now
6 exist in certain areas of the state and may well arise in other areas; that economic
7 insecurity due to unemployment is a serious menace to the general welfare of not
8 only the people of the affected areas but of the people of the entire state; that
9 unemployment results in obligations to grant public assistance and in the payment
10 of unemployment insurance; that the absence of new economic opportunities has
11 caused workers and their families to migrate elsewhere to find work and establish
12 homes, which has resulted in a reduction of the tax base of counties, cities and other
13 local governmental jurisdictions impairing their financial ability to support
14 education and other local governmental services; that security against
15 unemployment and the preservation and enhancement of the tax base can best be
16 provided by the promotion, attraction, stimulation, rehabilitation and revitalization
17 of commerce, industry and manufacturing; and that there is a need to stimulate a
18 larger flow of private investment funds from banks, investment houses, insurance
19 companies and other financial institutions. It is therefore the policy of this state to
20 promote the right to gainful employment, business opportunities and general
21 welfare of its inhabitants and to preserve and enhance the tax base by authorizing
22 municipalities and counties to acquire industrial buildings and to finance the
23 acquisition through the issuance of revenue bonds for the purpose of fulfilling the
24 aims of this section. These purposes are declared to be public purposes for which

SENATE BILL 440**SECTION 1e**

1 public money may be spent and the necessity in the public interest for the provisions
2 of this section is declared a matter of legislative determination.

3 **SECTION 1f.** 66.1103 (1) (c) of the statutes is amended to read:

4 66.1103 (1) (c) It is found and declared that the revitalization of counties and
5 of the central business districts of the municipalities of this state is necessary to
6 retain existing industry in, and attract new industry to, this state and to protect the
7 health, welfare and safety of residents of this state.

8 **SECTION 1g.** 66.1103 (2) (a) of the statutes is amended to read:

9 66.1103 (2) (a) “Authorized developer” means a corporation organized under
10 ch. 180 or 181 which the governing body designates as an authorized developer after
11 making a finding that the principal purpose of the corporation is the general
12 promotion of business development in the municipality or county or in the local area
13 containing the municipality or county.

18 or any other governmental unit, who enters into a revenue agreement with a
19 municipality or county with respect to an industrial project. If more than one eligible
20 participant is a party to a revenue agreement, the undertaking of each shall be either
21 several or joint and several as the revenue agreement provides. An eligible
22 participant need not be directly or indirectly a user of the project.

23 **SECTION 1j.** 66.1103 (2) (e) of the statutes is amended to read:

24 66.1103 (2) (e) “Governing body” means the board, council or other body in
25 which the legislative powers of the municipality or county are vested.

21 for business or recreation. The statement shall be included in the public notice
22 required under sub. (10) (b).

6 **REALLOCATION.** The department, by rule, shall establish under 26 USC 1400U-1 (a)
7 (3) (A) and administer a system for the reallocation of the waived allocation, waived

16 recovery zone facility bond, as defined in 26 USC 1400U-3 (b) (1).

17 **(3) CONDITIONS.** Subject to sub. (5), the department may, by rule, establish any
18 procedure for, and place any condition upon, the granting of a reallocation under this
19 section which the department deems to be in the best interest of the state, including,
