

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2183/P1dn  
PJK:jld:rs

March 4, 2009

Do you want to change the amount of time that the landlord has to change the locks?

I have required that the tenant provide the landlord with a certified copy of a document under s. 704.16 (1) (b). You could require something different, such as that the tenant merely believes that he or she faces an imminent threat of serious physical harm from another person if the locks are not changed, or nothing more than a request.

A copy of this draft has gone to Anne Sappenfield.
