Subject: Drafting request-WHS Exemption

Hi Cathlene,

I am not sure if you are the appropriate drafter, but I would like to request a draft that would remove "hard bound" from the Wisconsin Historical Society's exemption from using the state printing contract. Senator Lassa had this drafted as a motion during the budget deliberations, so I have attached that language in case it may be helpful. If you have any questions, feel free to contact me.

Thank you for your assistance,

Subject: Motion

HISTORICAL SOCIETY

Statutory Printing Exemption

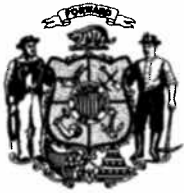

Motion:

Move to modify current law to exempt the Historical Society from using the state printing contract for all books published by the Society.

Note:

Under current law, the Historical Society is exempted from using the state printing contract for its publications intended for resale, specifically, hard cover books and for the *Wisconsin Magazine of History*. However, paperback books are not provided with this exemption, because the words "hard bound" are included in the statute. The Society indicates that the quality of its paperback publications has suffered as a result. The motion would delete the words "hard bound" from the governing statute.

3 s. 01 (3)

State of Wisconsin
2009 - 2010 LEGISLATURE

LRB-3161

GMM...

[Handwritten initials]

Gen

1 / AN ACT ...; relating to: the exemption of State Historical Society books from state
2 printing requirements.

Analysis by the Legislative Reference Bureau

X Under current law, subject to certain exceptions, all book printing required for
state agencies is subject to certain requirements relating to the publication of public
documents, including certain specification, bidding, and contracting requirements
(public printing requirements). Hard-bound books of the State Historical Society
(SHS), however, are exempt from the public printing requirements. Instead, the
printing of hard-bound books of the SHS must be procured on individual competitive
bids and by an official state printing order according to specifications determined by
the Department of Administration. This bill exempts all books of the SHS, whether
X hard bound or paperback, from the public printing requirements.

For further information see the *state* fiscal estimate, which will be printed as
an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do
enact as follows:*

3 SECTION 1. 35.01 (3) of the statutes is amended to read:

4 35.01 (3) Class 3—All book printing required for state agencies, not otherwise
5 classified, except university press publications and technical or semitechnical

1 journals of the University of Wisconsin System, the Wisconsin ~~magazine of history~~
2 Magazine of History, and hard-bound books of the historical society.

History: 1975 c. 39, 198: 1979 c. 34, 175; 1983 a. 192; 1991 a. 39; 2005 a. 25.
