Subject: chiro concern--and amendment

Hi Chris.

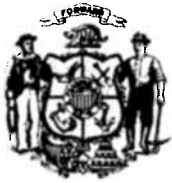

We need an amendment to the Athletic Trainer bill drafted. In order to clarify that the Athletic Trainers will still be practicing under protocol in every setting, the chiropractors have asked us to add the following line in our bill:

ADD *Subject to*
"Notwithstanding 448.956 (1) (a)" to the beginning of 448.956 (1m).

The chiropractors had concerns that it was not clear that LATs would need to practice under protocol in a setting not requiring referral. This was not our intent and if this removes their concern, we are happy to add it.

Please let me know if you have any questions. Of course, I know you are busy but if we could get this drafted today, that would be great since possible hearings may be coming up this week. Thanks, Mindy
