

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1477/2dn  
ARG:cjs:jf

February 17, 2009

ATTN: Kevin Moore

I have made the requested changes. Regarding the change at p. 3, line 13, of the /1 version, in the third sentence of par. (a), it seems to me that the change makes this part of the sentence largely redundant of the immediately preceding sentence. While there is a slight difference between the two sentences on the issue of certification, I believe that as a practical matter the sentences, with this change, essentially say the same thing. In addition, the first sentence of par. (a) requires that access to the photographs be "for the administration of criminal justice and for traffic enforcement." Accordingly, one could argue that the entire third sentence of par. (a) is now unnecessary and could be removed.
