Analysis

(4) Under current law, a public library established in a (1st) class city is administered by a 12-member library board. One member must be a member of the county board of supervisors who resides in the county but outside the city. This bill eliminates the requirement that the member reside outside the city.

(5) Currently, for the library board of a public library established in a (1st) class city, 7 members constitute a quorum. This bill provides that a majority of the seats on the board that are currently filled constitutes a quorum.
