

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-3882/1dn  
PJK:wlj:ph

January 15, 2010

Under the draft, if an individual's coverage under the Basic Plan terminates, the individual is ineligible for coverage under the Basic Plan for 12 months. I assume that, if the individual still satisfies the eligibility criteria, he or she may be placed back on the Core Plan waiting list during those 12 months, and that his or her coverage under the Core Plan could commence during that time. Is that correct? If, on the other hand, the individual is also ineligible for coverage under the Core Plan during those 12 months, this should be explicitly stated in the draft.
