

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3882/2dn
PJK:wlj:rs

January 21, 2010

The only change I made to the proposed language was changing “or” to “and” because I assumed the intention was to use both appropriations, but with the stated limit on the use of par. (ma). Let me know if that assumption was not correct and “and” should be changed to “or.”
