

2009 SENATE BILL 484

January 25, 2010 – Introduced by Senator ERPENBACH, cosponsored by Representative RICHARDS. Referred to Committee on Health, Health Insurance, Privacy, Property Tax Relief, and Revenue.

1 **AN ACT** *to amend* 49.471 (11) (m); and *to create* 20.435 (4) (hm), 49.471 (11) (s),
2 49.67, 227.01 (13) (ur) and 227.42 (7) of the statutes; **relating to:** the
3 BadgerCare Plus Basic Plan, Benchmark Plan benefits, and making an
4 appropriation.

Analysis by the Legislative Reference Bureau

Current law authorizes the Department of Health Services (DHS) to establish a Medical Assistance (MA) health care benefit plan providing basic primary and preventive care for adults under age 65 who have family incomes not exceeding 200 percent of the poverty line and who are not otherwise eligible for MA or Medicare. This plan for childless adults is commonly known as the BadgerCare Plus Core Plan (Core Plan). Due to the volume of applications for the plan, which exceeded the plan's ability to provide benefits for all who applied, DHS suspended enrollment on October 9, 2009, and established a waiting list.

This bill authorizes DHS to establish and operate, no sooner than March 1, 2010, another health care benefit plan for individuals who are on the waiting list for the Core Plan. The health care benefit plan, which is not MA and which will be known as the BadgerCare Plus Basic Plan (Basic Plan), will provide primary and preventive care, and the benefits may not exceed those provided under the Core Plan. The Basic Plan, including both benefits and administration, will be funded entirely from premiums set by DHS and paid by individuals with coverage under the Basic Plan. To enroll, an individual must submit the first month's premium along with his or her application. Thereafter the individual must pay the premium for a month's

SENATE BILL 484

coverage in the preceding month. If an individual with coverage under the Basic Plan is removed from the Core Plan waiting list and begins receiving coverage under the Core Plan, DHS will not refund any portion of a premium that the individual paid for coverage under the Basic Plan for the month in which his or her coverage under the Core Plan commences, but DHS will waive any enrollment fee that the individual would have had to pay for enrolling in the Core Plan. An individual whose coverage under the Basic Plan terminates for any reason, including for failure to pay a premium when due, is not again eligible for coverage under the Basic Plan for 12 months, unless the individual's coverage terminated for a good cause reason. DHS may set a deductible not exceeding \$7,500 per enrollment year for inpatient and nonemergency outpatient hospital services, as well as other cost-sharing requirements.

DHS will pay a provider that provides services to individuals with coverage under the Basic Plan if the provider is certified by DHS to provide services under MA. For those services, DHS will pay a certified provider an amount that is no higher than the amount that is payable for the service under MA. A certified provider may not bill the individual who received the service for any additional amount, other than cost sharing established by DHS, and a certified provider may not charge a covered individual an amount that is higher than the amount that DHS would pay the provider for inpatient or nonemergency outpatient hospital services to which a deductible applies.

Any individual who is denied coverage under the Basic Plan or whose coverage is discontinued may file a written request for review by DHS and must exhaust that process before commencing any action in court. DHS may recover amounts incorrectly paid on behalf of an individual if the individual, when first enrolled, was on the Core Plan waiting list due to a misstatement or omission of fact made by the individual, or if the individual's coverage under the Basic Plan was continued due to a misstatement or omission of fact made by the individual.

Also under current law, DHS administers BadgerCare Plus, which is an MA program that provides health care benefits under two different plans, depending on the basis for a recipient's eligibility, to recipients who satisfy financial and nonfinancial eligibility criteria. One of the plans, known as the Benchmark Plan, provides specified benefits, including transportation to obtain emergency medical care. The bill expands the transportation benefit under the Benchmark Plan so that transportation to obtain medical care, rather than just emergency medical care, is covered. The bill also specifically adds as a benefit for recipients under the age of 21 early and periodic screening and diagnosis, and all services included under the federal definition of "medical assistance" that are found necessary as a result of the screening and diagnosis. Currently under the Benchmark Plan recipients under the age of 19 receive early and periodic screening and diagnosis and services found necessary as a result of the screening and diagnosis.

1 **(2) ESTABLISHMENT AND OPERATION.** The department may establish and, no
2 sooner than March 1, 2010, begin operating a plan providing coverage of limited
3 primary and preventive health care benefits to individuals who satisfy the eligibility
4 criteria under sub. (3). The department shall pay for its administrative costs and for
5 the cost of benefits provided under the plan under this section from the appropriation
6 under s. 20.435 (4) (hm) and, if needed, may pay the costs of incurred program
7 benefits from the appropriation under s. 20.435 (4) (ma).

8 **(3) ELIGIBILITY.** (a) *Criteria.* Subject to pars. (b) and (c) and sub. (4) (a) 2., an
9 individual may receive coverage for benefits under the plan under this section if the
10 individual satisfies all of the following criteria:

11 1. The individual is on the waiting list established for the health care benefit
12 plan under s. 49.45 (23).

13 2. The individual applies for coverage for benefits under the plan under this
14 section in the manner prescribed by the department.

15 (b) *No entitlement.* Notwithstanding satisfaction of the criteria under par. (a),
16 no individual is entitled to benefits under the plan under this section.

17 (c) *After termination of coverage.* An individual whose coverage under the plan
18 under this section ends for any reason, including for failure to pay a premium when
19 due, is ineligible for coverage under the plan for 12 calendar months, beginning with
20 the first calendar month after the last calendar month, which need not be a full
21 month, in which he or she had coverage. This paragraph does not apply if the
22 department determines that the individual's coverage ended for a good cause reason.

23 **(4) COST SHARING.** (a) *Premiums.* 1. The plan under this section shall be funded

2 credit premiums received from individuals to the appropriation account under s.
3 20.435 (4) (hm).

4 2. Premiums shall be due in the calendar month before the calendar month of
5 coverage. An individual may not enroll in the plan if he or she does not submit the
6 first month's premium with the application and may not continue coverage under the
7 plan if he or she does not pay a premium when due.

8 3. If an individual with coverage under the plan under this section is removed
9 from the waiting list for the health care benefit plan under s. 49.45 (23) and begins
10 receiving coverage under that health care benefit plan, the department shall not
11 refund any portion of a premium paid by the individual for coverage under the plan
12 under this section for the calendar month in which the individual's coverage under
13 the health care benefit plan under s. 49.45 (23) commences. The department shall,
14 however, waive any enrollment fee that would be payable by the individual for
15 enrolling in the health care benefit plan under s. 49.45 (23).

16 (b) *Deductible*. The department may set a deductible that applies to inpatient
17 and nonemergency outpatient hospital services and that does not exceed \$7,500 in

20 department determines are necessary to keep the plan actuarially sound.

21 **(5) PROVIDER REQUIREMENTS.** (a) *Certification*. Only a certified provider may
22 receive payment from the department for services provided to individuals under the
23 plan under this section.

24 (b) *Payments and charges*. 1. The department shall pay a certified provider
25 for a service that is covered under the plan under this section an amount that is no

1 higher than the amount that is payable for the same service under the Medical
2 Assistance program under subch. IV. A certified provider that provides a covered
3 service to an individual with coverage under the plan under this section shall accept
4 the department's payment as payment in full and, subject to subd. 2., may not bill
5 the individual to whom the service was provided for any amount other than any cost
6 sharing required under sub. (4).

7 2. A certified provider that provides to an individual with coverage under the
8 plan under this section inpatient or nonemergency outpatient hospital services to
9 which a deductible under sub. (4) (b) applies may not charge for those services an
10 amount that is higher than the amount that would be payable to the provider under
11 subd. 1. for those services.

12 **(6) BENEFITS.** (a) *May not exceed benefits under other plan.* The benefits
13 covered under the plan under this section may not exceed the benefits covered under
14 the health care benefit plan under s. 49.45 (23).

15 (b) *Coordination of benefits.* 1. Benefits under the plan under this section shall
16 not include any charge for care for injury or disease for which benefits are payable
17 without regard to fault under coverage statutorily required to be contained in any
18 motor vehicle or other liability insurance policy or equivalent self-insurance, for
19 which benefits are payable under a worker's compensation or similar law, or for
20 which benefits are payable under another policy of health care coverage, Medicare,
21 or any other governmental program, except as otherwise provided by law. If an
22 individual who has coverage under the plan under this section also has coverage
23 under the plan under subch. II of ch. 149, benefits under the plan under this section
24 are secondary to the benefits provided under the plan under subch. II of ch. 149.

SENATE BILL 484

1 2. The department is subrogated to the rights of an individual with coverage
2 under the plan under this section to recover special damages for illness or injury to
3 the individual caused by the act of a 3rd person to the extent that benefits are
4 provided under the plan.

5 (c) *Recovery of incorrectly paid benefits.* 1. The department may recover a
6 payment made incorrectly for benefits provided under this section on behalf of an
7 individual if the incorrect payment was made as a result of any of the following:

8 a. At the time the individual obtained coverage under the plan under this
9 section, the individual was on the waiting list established for the health care benefit
10 plan under s. 49.45 (23) because of a misstatement or omission of fact by the
11 individual.

12 b. The individual's coverage under the plan under this section was continued
13 because of a misstatement or omission of fact by the individual.

14 2. The department's right of recovery is against the individual with coverage
15 under the plan under this section on whose behalf the incorrect payment was made.
16 The extent of the recovery is limited to the amount of the benefits actually paid.

17 **(7) REVIEW OF COVERAGE DENIAL OR DISCONTINUATION.** Any individual who is
18 denied enrollment in the plan under this section or whose coverage is discontinued
19 may request that the department review the action by filing with the department a
20 written request that includes the reasons why the individual disagrees with the
21 denial or discontinuation of coverage. The written request must be filed within 60
22 days after the coverage denial or discontinuation. An individual must exhaust the
23 process under this subsection before commencing any action in court relating to the
24 coverage denial or discontinuation.
