Subject: Fitzgerald Amendment Request

Pamela,

On December 2nd you provided with me a preliminary draft of legislation, LRB-3901/P1, dealing with the BadgerCare Core Plus Basic Plan.

We would like you to draft this LRB as an Assembly Substitute Amendment to Senate Bill 484. In your drafter's note, you mentioned that the LRB requires a mechanism for bringing insurers and applicants together.

Please include additional language requiring DHS to facilitate enrollment of individuals on the BadgerCare waiting list in plans offered by insurers, similar to what ETF does for state employees.

Please feel free to call me with any questions or concerns. Senate Bill 484 is currently scheduled as a Special Order of Business for tomorrow at 11:49 AM.

Thank you,

Eric Bott

SECTION #.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

SA ✓

1 **AN ACT to create** 632.893 of the statutes; **relating to** health insurance without
2 all mandated benefits for persons on the BadgerCare Plus Core Plan waiting
3 list, providing an exemption from emergency rule procedures, and granting
4 rule-making authority.

Analysis by the Legislative Reference Bureau

Current law contains a number of health insurance coverage requirements that are known as health insurance mandates. A health insurance mandate is defined in current law as a statute that requires an insurance policy to do any of four things: 1) permit a person to obtain treatment or services from a particular type of health care provider; 2) provide coverage for the treatment of a particular disease or condition; 3) provide coverage of a particular type of health care treatment or service, including particular drugs, supplies, or equipment; and 4) provide coverage for a particular type of person based on the person's relationship to the insured.

Current law also authorizes the Department of Health Services (DHS) to establish a Medical Assistance health care benefit plan providing basic primary and preventive care for adults under age 65 who have no dependent children and family incomes not exceeding 200 percent of the poverty line and who are not otherwise eligible for Medical Assistance or Medicare. This plan for childless adults is commonly known as the BadgerCare Plus Core Plan. Due to the volume of applications for the plan, which exceeded the plan's ability to provide benefits for all who applied, DHS suspended enrollment on October 9, 2009, and established a waiting list.

substitute amendment

This bill authorizes an insurer to offer health insurance coverage in individual policies to individuals who are on the waiting list for the BadgerCare Plus Core Plan. The policies are not required to include all of the health insurance mandates (mandates). The only mandate that is required is that the policy is prohibited from refusing to pay for the services of a particular type of health care provider on the ground that the provider is not a physician unless the policy specifically excludes coverage of the services of those providers, but the policy is also prohibited from excluding the services of chiropractors, whose services may not be excluded under current law.

Under the bill, an insurer offering the coverage must include with each application a separate form that explains each mandate, the premium cost to include the mandate, and the potential risk of not choosing to include the mandate in the coverage. An applicant must indicate by each mandate's description whether he or she wants to have the mandate included in the coverage. If any new mandates are enacted into law after a policy goes into effect, the insurer must include a separate form with the next renewal notice that provides the same information about the mandate that was provided about each mandate on the separate form included with the application. If the insured does not return the separate form by the later of the time the renewal premium is due or 30 days after the insurer sent the renewal notice, or if the insured fails to indicate whether he or she wants to include the new mandate in the coverage, the insurer must renew the coverage without the new mandate. The commissioner of insurance must promulgate rules with guidelines for the descriptions of the mandates that insurers must include on the separate forms with applications and renewal notices. Insert A

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Insert 1-1

- 1 SECTION 1. 632.893 of the statutes is created to read:
- 2 **632.893 Health care coverage without all mandates. (1) DEFINITIONS.** In
- 3 this section:
- 4 (a) "Disability insurance policy" has the meaning given in s. 632.895 (1) (a).
- 5 (b) "Health care provider" has the meaning given in s. 146.81 (1).
- 6 (c) "Insurer" means an insurer that is authorized to do business in this state
- 7 in one or more lines of insurance that includes health insurance.
- 8 (d) "Mandate" means a health insurance mandate, as defined in s. 601.423 (1).

1 **(2) AUTHORITY TO OFFER; ELIGIBILITY; COVERAGE.** (a) Except as provided in par.
2 (c) and notwithstanding any other provisions of chs. 600 to 646 to the contrary, an
3 insurer may offer and provide, in accordance with this section, to eligible individuals
4 specified in par. (b), coverage under individual disability insurance policies that do
5 not include any or all mandates.

6 (b) An individual is eligible for coverage under a disability insurance policy
7 described in par. (a) if the individual is on the waiting list established for the health
8 care benefit plan under s. 49.45 (23).

9 (c) An insurer may not refuse to provide or pay for benefits under a disability
10 insurance policy under this section for health care services provided by a health care
11 provider on the ground that the services were not rendered by a physician, as defined
12 in s. 990.01 (28), unless the policy clearly excludes services by such health care
13 providers, but no policy under this section may exclude services in violation of s.
14 632.87 (3).

15 **(3) FORM, INFORMATION, AND CHOICE REQUIREMENTS.** (a) An insurer that offers
16 coverage described in sub. (2) (a) shall allow an individual applying for coverage to
17 choose to have the coverage include none, one or more, or all mandates. The
18 application shall include a separate form that provides a plain-language
19 explanation of the differences between the coverage being offered and health care
20 coverage that is subject to all mandates. The separate form also shall provide, in list
21 form, a plain-language description of each mandate and all of the following
22 information about each mandate:

- 23 1. The premium cost to the applicant to include the mandate in the coverage.
- 24 2. Why it might be desirable to include the mandate in the coverage.

1 3. The potential consequences or risk of choosing not to include the mandate
2 in the coverage.

3 (b) 1. If a mandate is enacted after an individual completes an application, the
4 insurer shall provide at the first renewal of the policy occurring after the mandate
5 is enacted a renewal notice that includes a separate form, to be returned to the
6 insurer, that describes each mandate enacted since the application was completed
7 or the last renewal of the policy, whichever is later, and that includes the information
8 under par. (a) 1. to 3. with respect to the mandate.

9 2. The separate form provided with a renewal notice shall be returned to the
10 insurer by the time the premium for renewal is due, or within 30 days after the
11 renewal notice and separate form are sent by the insurer, whichever is later.

12 (c) 1. Each description of a mandate on the separate form under par. (a) or (b)
13 listing the mandates shall be followed by a line on which the individual must indicate
14 "yes" or "no" as to whether the mandate should be included in the coverage. The form
15 shall include a line for the signature of the applicant or insured and shall be a part
16 of the signed application or renewal form.

17 2. If an individual fails to timely return a form that was sent with a renewal
18 notice, or timely returns the form but fails to indicate on the form a "yes" or "no" as
19 to whether a mandate should be included in the coverage, the failure constitutes an
20 agreement to continue the coverage on its existing terms without the mandate.

21 3. The plain-language explanation on a form under par. (a) of coverage
22 differences and the plain-language description on a form under par. (a) or (b) of a
23 mandate and the information under par. (a) 1. to 3. shall comply with guidelines
24 established by the commissioner by rule under sub. (4).

1 (4) RULES. The commissioner shall, by rule, promulgate guidelines for the
2 plain-language explanation required under sub. (3) (a) of coverage differences and
3 for the plain-language descriptions and other information required under sub. (3)
4 (a) and (b) relating to the mandates.

5 **SECTION 2. Nonstatutory provisions.**

6 (1) EMERGENCY RULES. Using the procedure under section 227.24 of the statutes,
7 the commissioner of insurance may promulgate rules required under section 632.893
8 (4) of the statutes, as created by this act, for the period before the effective date of the
9 permanent rules promulgated under section 632.893 (4) of the statutes, as created
10 by this act, but not to exceed the period authorized under section 227.24 (1) (c) and
11 (2) of the statutes. Notwithstanding section 227.24 (1) (a), (2) (b), and (3) of the
12 statutes, the commissioner is not required to provide evidence that promulgating a
13 rule under this subsection as an emergency rule is necessary for the preservation of
14 the public peace, health, safety, or welfare and is not required to provide a finding
15 of emergency for a rule promulgated under this subsection.

16 **SECTION 3. Initial applicability.**

17 (1) This act first applies to policies offered on the effective date of this
18 subsection.
