**SENATE SUBSTITUTE AMENDMENT 1,
TO 2009 SENATE BILL 287**

February 22, 2010 - Offered by Senator VINEHOUT.

1 **AN ACT to create** 86.257 of the statutes; **relating to:** transferring ownership and
2 jurisdiction of a highway to an American Indian tribe or agency of the United
3 States government that is acting on behalf of an American Indian tribe.

Analysis by the Legislative Reference Bureau

Under this substitute amendment, a city, village, town, or county (political subdivision) or the Department of Transportation (DOT) may transfer jurisdiction and ownership of, or other property interest in, a highway that is under the jurisdiction of the political subdivision or DOT to a federally recognized American Indian tribe or band in this state (tribe or band) or an agency of the United States government acting on behalf of a tribe or band (agency) by entering into a jurisdictional transfer agreement with the tribe or band or agency. The jurisdictional transfer agreement must contain a dispute resolution provision and a provision requiring that the highway remain open to vehicular traffic unless the tribe or band or agency conducts a highway discontinuation proceeding similar to the proceeding that would occur if the city, village, or town in which the highway is located were discontinuing the highway.
