Hello-

I really think that this is it. I'm sending the stripes for LRBs0248/1 back to you for the change below:

Pg2 In 22-24

Remove

In 23 "necessary services for confirmation of the presence of hearing loss and"

change to

(5)REFERAL TO FOLLOW-UP SERVICES. The department shall provide referral to intervention programs.

Because Senator Lassa has introduced the sub they are going to need an amendment that follows the same language. The assembly EXEC is still Tuesday so if we could get this amendment by tomorrow that would be great. If that's not possible please let me know.

Thank you for your time and patients!
