Subject: Amendment to Ab 746

Becky,

Per our conversation here is the language we need for an amendment:

I'd like to talk to you about an amendment to AB 746 that would require DATCP to coordinate with DPI in providing grants to school districts. DPI already does much of this work and we feel this language would allow us to better coordinate our services with any grants awarded. If that amendment is included we will testify in support.

Specifically, if page 4, line 10 could be amended to read something to the effect of, "...department [i.e. DATCP] shall provide grants to school districts in coordination with the Department of Public Instruction, and shall provide grants to"
