Hi Joe,

I left you a message earlier requesting amendment language based on LRBA2242/1 a Senate Amendment to AB757. This e-mail is to say that Senator Lassa's office has access to that request as they will actually need the language for their public hearing and exec on Monday.

Thank you and let me know if you have any questions.

Hi Joe,

The aggregated amount of credits will remain at \$200,000.

The maximum amount of the credits for fiscal year 2009-2010 is \$1,000,000.
The maximum amount of the credits for fiscal year 2010-2011 is \$1,200,000.
The maximum amount of the credits for fiscal years 2011-2017 (when I believe the bill ends) is \$700,000.

Thanks for your help!

To clarify, the bill passed in the assembly and is now in the senate. I assume, therefore, that you want a new senate amendment consistent with the instructions you left on the phone. That new

amendment would obviously be different than the one I have already given Sen. Lassa. I also assume that I need to prepare the new amendment for Sen. Lassa.

Please confirm.
