

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2917/P2dn  
EVM:jld:ph

December 3, 2009

ATTN: Sen. Jon Erpenbach

Please review the attached draft carefully to ensure that it is consistent with your intent. Some of the instructions were a little vague. You may, therefore, wish to review my treatments to ensure that your intent is effectuated. In several instances where I believe more clarification may be necessary, I have included notes within the text of the draft. Also, because it appears that this draft will work a significant alteration of the land information program, I have removed the analysis from the draft pending finalization of the draft language.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
