

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-0172/P5dn  
PJK:nwn:ph

January 13, 2010

I included the change in the definition of “motor vehicle” with respect to trailers and semitrailers in the initial applicability provision. Let me know if you think it should not be included because there is no possible contract impairment.
