

## 2009 ASSEMBLY BILL 842

1     **AN ACT** *to create* 100.383 of the statutes; **relating to:** requiring bittering agents  
2             in certain engine coolants and antifreeze and providing a penalty.

---

*Analysis by the Legislative Reference Bureau*

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

3             **SECTION 1.** 100.383 of the statutes is created to read:

4             **100.383 Antifreeze; bittering required.** (1) Any engine coolant or  
5             antifreeze that is sold within this state and that contains more than 10 percent  
6             ethylene glycol, shall contain, as a bittering agent, denatonium benzoate in a  
7             concentration of not less than 30 parts per million nor more than 50 parts per million.

8             (2) A manufacturer of an engine coolant or antifreeze described in sub. (1) shall  
9             maintain a record of the trade name, scientific name, and active ingredients of any  
10            bittering agent used in the engine coolant or antifreeze, and shall make the record  
11            available to the public upon request.
