

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1445/P1dn
ARG:jld:md

February 1, 2010

ATTN: Lori Youngman

Please review the attached draft carefully to ensure that it is consistent with your intent.

Because there is a grammatical problem with the language proposed by DFI, I could not incorporate it verbatim. In addition, under the current language of s. 224.725 (3) (intro.) and (c), DFI must “find” that the applicant has demonstrated “financial responsibility,” although certain qualities must “warrant a determination” that the applicant will operate honestly. In preparing this amendment, I have tried to parallel the language of the existing statute while incorporating what I perceive to be the intent of DFI’s proposed language. Please advise if you need further changes to this amendment. If not, let me know and I will convert it to an introducible “/1” amendment.
