Fiscal Estimate Narratives

DOC 4/21/2009

Description Operating a motor vehicle without a valid driver's license or after suspension or revocation of an operating privilege and providing penalties					

Assumptions Used in Arriving at Fiscal Estimate

This bill revises the penalties and language for a person convicted of operating a motor vehicle after an OWS (operating while suspended), OWL (operating without license) or OAR (operating after revocation) and causing great bodily harm or death.

Although the Department cannot predict the number of offenders who may be subject to the changes in the revised penalties or what the sentencing practices of the court will be, enactment of this legislation could result in increased costs to the Department.

In FY08 the annual cost of an inmate in a DOC institution was approximately \$30,300. However, when there is excess capacity in DOC facilities, the incremental costs (i.e. food, health care and clothing) of housing a small number of inmates was approximately \$4,600, in FY08. When there is no excess capacity in DOC facilities, as is currently the case, the Department uses contract beds at a rate of \$18,800 annually per person. The annual cost for community supervision was \$2,400 in FY08.
