### Assumptions Used in Arriving at Fiscal Estimate

Prosecutors find it difficult to estimate a fiscal effect because they don't know if this is a prevalent problem and how many criminal prosecutions might result. In addition, the time required to prosecute such cases would hinge on what false information is provided by defendants and whether or not it is easily proven as false.

### Long-Range Fiscal Implications

It is difficult to estimate the fiscal effect should this bill be enacted. Please see the discussion above.
