**Assumptions Used in Arriving at Fiscal Estimate**

AB 441 will have no fiscal impact on the Wisconsin Employment Relations Commission.

As to the impact of AB 441 on school districts, restoring applicability of the greatest and greater weight factors to interest arbitration proceedings involving school district employees will slightly increase the likelihood of a school district's offer being selected by an interest arbitrator and in those limited circumstances decrease district costs over what they would have been if the union's offer was selected.

**Long-Range Fiscal Implications**
