

Fiscal Estimate Narratives

DA 1/29/2010

LRB Number 09-3904/2	Introduction Number AB-0677	Estimate Type Original
Description Sentencing for crimes on school premises and providing a penalty		

Assumptions Used in Arriving at Fiscal Estimate

Should this bill be enacted, prosecutors anticipate increased costs due to the likelihood that defendants will fight such charges due to increased penalties. Due to a lack of data, it is difficult to estimate the increased costs that DA offices will incur.

Long-Range Fiscal Implications

Due to the likelihood that defendants will fight such charges because of increased penalties, prosecutors expect increased long term costs for their offices. Due to a lack of data, it is difficult to estimate the increased costs to be incurred by DA offices.
