Fiscal Estimate Narratives

DATCP 4/12/2010

LRB Number	09-4655/1	Introduction Number	SB-679	Estimate Type	Original
Description Dispensing motor vehicle fuel for persons with disabilities, granting rule-making authority, and providing a penalty					

Assumptions Used in Arriving at Fiscal Estimate

The net fiscal effect of this bill on DATCP is zero.

This bill would replace existing requirements that, under certain conditions, motor vehicle fuel retailers must have employees dispense fuel for a vehicle that displays disability registration plates or an identification card. Under current law, this requirement applies only to motor vehicle fuel retailers that offer full-service pumps. Under this bill, the requirement applies to all motor vehicle fuel retailers.

In addition to modifying the basic requirement, this bill also moves the requirement from Chapter 100 to Chapter 134 of the statutes. Chapter 100 is a collection of Trade and Consumer Protection laws that DATCP is primarily responsible for enforcing. DATCP's enforcement authority and responsibility do not extend to Chapter 134. Therefore, we do not anticipate this bill will represent any additional costs to DATCP. DATCP has had practically no enforcement activity under the existing statute in recent years. Therefore, we do not expect this bill to result in any cost saving.
