**State of Wisconsin
Legislative Audit Bureau**

February 11, 2010

The Honorable, The Legislature:

We have completed our financial audit of the State of Wisconsin as of and for the fiscal year ended June 30, 2009. The State's financial statements, and our unqualified audit opinion on them dated December 11, 2009, were included in the State's Comprehensive Annual Financial Report, which was issued by the Department of Administration in December 2009.

During the course of our audit, we identified internal control concerns that are required to be reported under *Government Auditing Standards*. The enclosed management letter includes our report on internal control over financial reporting and on compliance. In that report, we make recommendations for various state agencies to improve their financial reporting and the strengthen internal controls, including those over security of computer programs and electronic data. The management letter was provided to the Department of Administration and to other agencies to which we made recommendations for improvement. We will follow up during next year's audit to determine the extent to which state agencies have addressed these concerns.

We appreciate the courtesy and cooperation extended to us by the Department of Administration and other state agencies during the audit.

Sincerely,
JANICE MUELLER
State Auditor
