

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2009 Wisconsin Act 276 [2009 Assembly Bill 720]	Correction Bill
---	------------------------

This legislation was prepared by the Legislative Reference Bureau under s. 13.92 (1) (bm) 1. and (2) (L), Stats., and introduced by the Joint Legislative Council's Law Revision Committee under s. 13.83 (1) (c) 2. and 5., Stats.

2009 Wisconsin Act 276 makes various technical corrections to the statutes, including inserting inadvertently omitted words, deleting superfluous words, correcting spelling and punctuation, making corrections to drafting style, correcting cross-references, eliminating obsolete language, correcting renumbering, and makes other technical changes.

The Act also changes the definition of "substantial wall" that was created in 2009 Wisconsin Act 12 (relating to prohibiting indoor smoking) to mean "a wall with no opening or with an opening that either does not allow air in from the outside or that is less than 25% of the wall's surface area."

For additional information, see the analysis and the notes by the Legislative Reference Bureau included in the original bill.

Effective date: The Act takes effect May 26, 2010; except the change in the definition of "substantial wall" takes effect on July 5, 2010.
