2009 Wisconsin Act 315
[2009 Senate Bill 618]

Raffles

2009 Wisconsin Act 315 amends the law regarding the provision of a raffle ticket or calendar to a purchaser.

Prior to Act 315, an administrative code provision required that the seller of a raffle ticket or calendar provide the item to the purchaser at the time of purchase.

Act 315 provides that an organization conducting a raffle under a Class A license must provide the purchaser of a raffle ticket or calendar the purchaser's portion of the item before the raffle drawing, but need not provide it to the purchaser at the time of purchase.

Effective date: The Act takes effect on May 27, 2010.
