

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2009 Senate Bill 536

Senate Amendments 1 and 2

Memo published: April 12, 2010

Contact: David L. Lovell, Senior Analyst (266-1537)

2009 Senate Bill 536 relates to programs to promote the use of fresh, locally produced foods in schools.

The *bill* applies to locally produced fresh fruits and vegetables and other nutritious, locally produced foods. *Senate Amendment 1* expands the bill to apply also to locally produced dairy products.

Under the *bill*, the Department of Agriculture, Trade, and Consumer Protection (DATCP) makes grants to school districts, among other entities. *Senate Amendment 2* specifies that the DATCP must coordinate with the Department of Public Instruction in making grants to school districts.
