

2009 ASSEMBLY BILL 75

February 17, 2009 – Introduced by JOINT COMMITTEE ON FINANCE, by request of Governor James E. Doyle. Referred to Joint Committee on Finance.

1 **AN ACT relating to:** state finances and appropriations, constituting the
2 executive budget act of the 2009 legislature.

Analysis by the Legislative Reference Bureau

INTRODUCTION

This bill is the executive budget bill under section 16.47 (1) of the statutes. It contains the governor's recommendations for appropriations for the 2009–2011 fiscal biennium.

The bill repeals and recreates the appropriation schedule in chapter 20 of the statutes, thereby setting the appropriation levels for the 2009–2011 fiscal biennium. The descriptions that follow relate to the most significant changes in the law that are proposed in the bill. In most cases, changes in the amounts of existing spending authority and changes in the amounts of bonding authority under existing bonding programs are not discussed.

For additional information concerning this bill, see the Department of Administration's publication *Budget in Brief* and the executive budget books, the Legislative Fiscal Bureau's summary document, and the Legislative Reference Bureau's drafting files, which contain separate drafts on each policy item. In most cases, the policy item drafts contain a more detailed analysis than is printed with this bill.

GUIDE TO THE BILL

As is the case for all other bills, the sections of the budget bill that affect statutes are organized in ascending numerical order of the statutes affected.

AGRICULTURE
FARMLAND PRESERVATION PROGRAM***General***

This bill makes numerous changes in the Farmland Preservation Program, which includes farmland preservation planning, zoning, and agreements, and soil and water conservation requirements.

Under current law, for a farmer to qualify for the farmland preservation tax credit, the farm must be in a district zoned exclusively for agriculture under an ordinance certified by the Land and Water Conservation Board (LWCB) or be covered by a farmland preservation agreement with DATCP, or both. For DATCP to enter into a farmland preservation agreement, the county in which the farmer lives must have a farmland preservation plan that is certified by LWCB. Under this bill, DATCP certifies farmland preservation plans and zoning ordinances.

Farmland preservation planning

Under the bill, certifications of current farmland preservation plans expire between December 31, 2011, and December 31, 2015. The higher the increase in population per square mile of a county from 2000 to 2007, the sooner the certification of its farmland preservation plan expires. A county must submit an updated farmland preservation plan that meets the requirements in the bill and have the plan certified by DATCP to enable farmers in the county to continue to claim the farmland preservation tax credit. Counties must submit their plans for recertification every ten years.

The bill requires a county to include in its farmland preservation plan a description of the county's policy and goals related to farmland preservation and

ASSEMBLY BILL 75

agricultural development and of the actions that the county will take to preserve farmland and promote agricultural development. The county must also identify farmland preservation areas, which are areas that the county plans to preserve for agricultural use and for related uses.

The bill requires a county seeking to have DATCP certify its farmland preservation plan to submit the plan and related information to DATCP and to certify that the plan complies with the requirements in the bill. DATCP may certify the plan based on the county's certification or may review the plan and determine whether to certify it based on DATCP's own determination of whether it complies with those requirements.

The bill authorizes DATCP to award a planning grant to reimburse a county for up to 50 percent of the cost of preparing an updated farmland preservation plan.

Farmland preservation zoning

Under current law, a city, village, town, or county (political subdivision) may adopt a zoning ordinance that enables farmers to be eligible for the farmland preservation tax credit.

Under this bill, certifications of current farmland preservation zoning ordinances expire between December 31, 2012, and December 31, 2016. The higher the increase in population per square mile of a political subdivision from 2000 to 2007, the sooner its certification expires. A political subdivision must submit an updated farmland preservation zoning ordinance that meets the requirements in the bill and have it certified by DATCP to enable the farmers in the political subdivision to continue to claim the farmland preservation tax credit based on the zoning ordinance. Political subdivisions must submit their zoning ordinances for recertification every ten years.

Under the bill, to be eligible for certification, a farmland preservation zoning ordinance must be substantially consistent with a certified county farmland preservation plan.

Under the bill, in addition to agricultural uses, a political subdivision may allow agriculture-related uses in a farmland preservation zoning district without requiring conditional use permits. Agriculture-related uses include businesses that sell farm equipment or supplies and businesses that store or process agricultural products or that process agricultural wastes and other uses specified by DATCP.

The bill also authorizes political subdivisions to approve certain uses other than agricultural and agriculture-related uses in a farmland preservation zoning district with conditional use permits. Generally, these include a transportation, communications, utility, governmental, institutional, religious, or nonprofit community use if the political subdivision makes certain determinations, including that the proposed use and its location in the zoning district are reasonable and appropriate, considering alternative locations; that the use is reasonably designed to minimize the conversion of land from agricultural use; and that the use does not substantially impair the agricultural use of surrounding parcels.

Current law requires a political subdivision to specify a minimum lot size for farmland preservation zoning districts. This bill eliminates that requirement.

ASSEMBLY BILL 75

The bill provides two methods for political subdivisions to allow the construction of nonfarm residences in farmland preservation zoning districts. A political subdivision may issue a conditional use permit for the construction of a single nonfarm residence if several requirements are satisfied. The requirements include that the ratio of nonfarm residential acreage to farm acreage on the base farm tract on which the residence will be located will not be greater than 1 to 20 after the residence is constructed and that there will not be more than four nonfarm dwelling units, nor five dwelling units of any kind, on the base farm tract after the nonfarm residence is constructed. A base farm tract is all of the land that is part of a single farm when DATCP first certifies the updated farmland preservation zoning ordinance.

The bill also authorizes a political subdivision to issue a conditional use permit that covers more than one nonfarm residence. The parcels on which the nonfarm residences are constructed must be contiguous and the political subdivision must ensure that if all of the nonfarm residences were constructed, each would satisfy the conditions described above for approval of a single nonfarm residence.

The bill requires a political subdivision seeking to have DATCP certify its farmland preservation zoning ordinance to submit the ordinance and related information to DATCP and to certify that the ordinance complies with the requirements in the bill. DATCP may certify the ordinance based on the political subdivision's certification or may review the ordinance and determine whether to certify it based on DATCP's own determination of whether it complies with those requirements.

Under current law, a political subdivision may rezone land out of a farmland preservation zoning district only after making findings based on consideration of matters that include whether providing public facilities to accommodate development will place an unreasonable burden on affected local governments and whether development will cause undue water or air pollution or unreasonably adverse effects on rare natural areas. The law requires political subdivisions to notify DATCP when they rezone land out of a farmland preservation district.

Under the bill, in order to rezone land out of a farmland preservation zoning district, a political subdivision must make a number of findings, including that the land is better suited for a use not allowed in a farmland preservation zoning district, that the rezoning is substantially consistent with the certified county farmland preservation plan, and that the rezoning will not substantially impair the agricultural use of surrounding parcels. The bill requires an annual report of the amount and location of land that was rezoned out of farmland preservation zoning districts.

Under current law, when property is rezoned out of a farmland preservation zoning district, DATCP must place a lien on the rezoned land in an amount equal to the farmland preservation tax credits received by the owner of the land during the preceding ten years, plus interest. The law also requires DATCP to file a lien when a conditional use permit is granted for a use that is not an agricultural use.

This bill eliminates the lien requirements. Under the bill, a political subdivision may not rezone land out of a farmland preservation zoning district until

ASSEMBLY BILL 75

the owner of the land pays the political subdivision an amount equal to the number of acres rezoned multiplied by three times the per acre value of the highest value of cropland in the city, village, or town in which the land is located, as determined by DOR for the purposes of use value assessment. The political subdivision must pay this amount to DATCP. The political subdivision may require a higher payment for rezoning and retain the additional amount.

Farmland preservation agreements

Under current law, DATCP enters into farmland preservation agreements with farmers in counties with certified farmland preservation plans. An agreement requires the landowner to maintain the land in agricultural use for the term of the agreement, except that DATCP may release land from the agreement under specified circumstances. The term of a farmland preservation agreement is from 10 to 25 years, subject to renewal for additional 10- to 25-year terms.

This bill prohibits DATCP from renewing current farmland preservation agreements. The bill authorizes DATCP to enter into a new farmland preservation agreement, with a term of at least 15 years, only for land that is in an agricultural enterprise area, as designated by DATCP.

DATCP may not designate an area as an agricultural enterprise area unless it is entirely located in a farmland preservation area identified in a certified farmland preservation plan and it is primarily in agricultural use. DATCP may designate an area as an agricultural enterprise area only if it receives a petition requesting the designation filed by each political subdivision in which any part of the area is located and by the owners of at least five farms that would be eligible for coverage by farmland preservation agreements.

Current law specifies situations in which DATCP may release land from, or terminate, a farmland preservation agreement. Generally, when land is released or an agreement is terminated, DATCP must place a lien on the land in an amount equal to the farmland preservation tax credits received by the owner during the preceding ten years, plus interest.

This bill eliminates the lien requirement. Under the bill, DATCP may release land from, or terminate, a farmland preservation agreement if it finds that the termination or release will not impair agricultural use of other farmland and if the owner of the land pays to DATCP an amount equal to the number of acres rezoned multiplied by three times the per acre value of the highest value of cropland in the city, village, or town in which the land is located, as determined by DOR for the purposes of use value assessment.

Soil and water conservation

Current law requires counties to establish soil and water conservation standards, which must be approved by LWCB in order for farmers in the county to be eligible for farmland preservation tax credits. A county must monitor compliance with its soil and water conservation standards and if it determines that a farmer violates the standards, it must issue a notice of noncompliance to the farmer. As long as a farmer is out of compliance with the county standards, the farmer is ineligible for the farmland preservation tax credit.

ASSEMBLY BILL 75

This bill eliminates the requirement that each county establish soil and water conservation standards. Under the bill, a farmer must comply with land and water conservation standards that DATCP has promulgated under other current laws. The bill continues the requirement that a county monitor compliance with the standards and specifically requires a county to inspect each farm for which the owner claims farmland preservation tax credits at least once every four years. The bill requires a county to issue a notice of noncompliance if it determines that a farmer violates the standards. The county must provide a copy of each notice to DOR. As long as a farmer is out of compliance with DATCP's standards, the farmer is ineligible for the farmland preservation tax credit.

For a description of the changes in the farmland preservation tax credit, please see "TAXATION."

PURCHASE OF AGRICULTURAL CONSERVATION EASEMENTS

An agricultural conservation easement (easement) is an interest in land that preserves the land for agricultural use. This bill creates a program for the purchase of easements, from willing landowners, by DATCP in conjunction with political subdivisions and nonprofit conservation organizations (applicants). Under the bill, DATCP may reimburse an applicant for the transaction costs (such as the costs of land surveys and appraisals) for obtaining an easement plus not more than 50 percent of the appraised fair market value of the easement.

DATCP may approve an application only if it determines that the purchase of the easement would serve a public purpose, considering such criteria as the value of the easement in preserving or enhancing agricultural production capacity and water quality, and the likelihood that the land would be converted to nonagricultural use if it is not protected by an easement.

Once DATCP approves an application, DATCP and the cooperating entity enter into an agreement specifying the terms of DATCP's participation in the purchase of the easement, including the share of the costs that DATCP will pay. After an applicant purchases an easement and records it with the register of deeds, DATCP provides the agreed-upon reimbursement. Both the cooperating entity and DATCP may enforce the restrictions in the easement. An easement purchased under the program continues indefinitely, except that a court may terminate an easement if it finds that it is no longer possible for the easement to achieve its original purpose.

The bill authorizes \$12,000,000 in general fund supported borrowing for the purchase of easements.

Current law authorizes DATCP to participate in the federal Conservation Reserve Enhancement Program (CREP) under which payments are made to landowners for measures to improve water quality, erosion control, and wildlife habitat. Current law authorizes \$40,000,000 in general fund supported borrowing for participation in CREP. This bill reduces that borrowing authority by \$12,000,000.

OTHER AGRICULTURE

Under current law, DATCP awards grants for two kinds of clean sweep programs, one in which counties collect unwanted agricultural chemicals, such as pesticides, and the other in which local governments collect and dispose of household

ASSEMBLY BILL 75

hazardous waste and unwanted prescription drugs. This bill eliminates the grants for clean sweep programs.

This bill establishes an assessment to be paid to DATCP by businesses that slaughter certain kinds of animals. The assessment per animal is one cent for poultry, ten cents for calves, and 14 cents for older cattle and for swine. The bill appropriates the revenue from the assessment for meat safety inspections and animal health programs.

This bill authorizes DATCP to charge a reinspection fee if DATCP conducts a reinspection of a fish farm, animal market, animal dealer operation, an animal trucker operation, or premises at which farm-raised deer are kept because the department has found that the premises, facility, or operation violates state law or administrative rules. The bill also eliminates the requirement that DATCP inspect each fish farm when it is first registered with DATCP.

Currently, DATCP awards grants for land and water resource management projects and for the construction of animal waste management systems. This bill increases the general obligation bonding authority for the grants by \$7,000,000.

This bill eliminates the LWCB, which has responsibilities related to farmland preservation, soil and water resource management, and the reduction of water pollution from nonpoint sources. The bill eliminates some LWCB responsibilities and transfers others to DATCP.

The bill creates the Land and Water Resource Council to advise DATCP and DNR about matters related to land and water resources.

This bill repeals current requirements concerning the labeling of agricultural and vegetable seed, prohibitions on the sale of seed containing more than specified amounts of certain noxious weed seeds, and the designation of certain weeds as noxious weeds. The bill requires DATCP to promulgate rules on the subjects of seed labeling, the amount of noxious weed seeds in agricultural and vegetable seed, and the designation of weeds as noxious weeds.

The bill lowers the fees for seed labeler's licenses for some persons with annual gross sales of less than \$100,000 and increases the fees for persons with higher annual gross sales. The bill also authorizes DATCP to change the fees by rule.

This bill transfers a total of \$1,000,000 from the agricultural chemical cleanup fund to the general fund and a total of \$1,500,000 from the agrichemical management fund to the general fund.

COMMERCE AND ECONOMIC DEVELOPMENT**ECONOMIC DEVELOPMENT**

Under current law, the Department of Commerce (Commerce) may award grants or make loans under the Community-Based Economic Development Program, the Rural Economic Development Program, and the Minority Business Grant and Loan program to eligible businesses, organizations, or individuals that agree to undertake certain eligible activities.

The Rural Economic Development Board advises Commerce on the Rural Economic Development Program, and the Minority Business Development Board advises Commerce on the Minority Business Grant and Loan Program.

ASSEMBLY BILL 75

Under current law, the Development Finance Board in Commerce awards grants under the Wisconsin Development Fund program.

This bill eliminates the Community-Based Economic Development Program, the Rural Economic Development Program and Rural Economic Development Board, the Minority Business Grant and Loan Program and Minority Business Development Board, and the Development Finance Board. The bill creates the Economic Policy Board. The responsibilities of the Development Finance Board are assumed by the Economic Policy Board.

This bill creates the forward innovation fund (FIF). Under the FIF, Commerce may, in consultation with the Economic Policy Board, award grants or make loans for the purpose of engaging in certain eligible activities to businesses, municipalities, community-based organizations, cooperative associations, local development corporations, and nonprofit organizations working on economic or community development.

Eligible activities under the FIF include:

1. The start-up, expansion, or retention of minority businesses.
2. The start-up, expansion, or retention of businesses in economically distressed areas.
3. Innovative proposals to strengthen inner cities.
4. Innovative proposals to strengthen rural communities.
5. Innovative programs to strengthen clusters.
6. Innovative proposals to strengthen entrepreneurship.

Recipients of a grant or loan from the FIF must provide a 25 percent match.

Under current law, Commerce may designate a portion of the state as a development zone, a development opportunity zone, an enterprise development zone, an agricultural development zone, an enterprise zone, an airport development zone, or a technology zone. Commerce may also certify persons who agree to undertake certain eligible activities in one of the designated zones. Eligible activities include job creation, environmental remediation, and capital investment. Persons who obtain certification are eligible for tax benefits.

This bill consolidates the development zones, enterprise development zones, agricultural development zones, technology zones, and airport development zones (five development zone programs) into a program that provides tax benefits to persons who enter into a contract with Commerce to undertake eligible activities anywhere in the state. Eligible activities under the bill include all of the following:

1. Projects that result in the creation and maintenance of jobs paying wages and providing benefits at a level approved by Commerce.
2. Projects that involve a significant investment of capital in new equipment, machinery, real property, or depreciable personal property.
3. Projects that involve significant investments in the training or reeducation of employees for the purpose of improving the productivity or competitiveness of the business of the person.
4. Projects that will result in the location or retention of a person's corporate headquarters in Wisconsin or that will result in the retention of employees if the person's corporate headquarters are located in Wisconsin.

ASSEMBLY BILL 75

Commerce may allocate tax benefits under the consolidated program up to the total amount remaining to be allocated under the five development zone programs on the effective date of this bill. Tax benefits are allocated under the bill only after the person has verified to Commerce that the person has met the performance obligations established under the contract.

The value of tax benefits for which a person is eligible under the new tax credit program depends on the number of jobs created, the amount of the capital investment made, the amount of training or reeducation provided to the employees, or the number of jobs retained by having corporate headquarters located in Wisconsin.

Under the bill, Commerce may award additional tax benefits to a person that conducts eligible activities in an economically distressed area or if the eligible activities benefit members of a targeted group. The bill requires Commerce to develop a methodology for designating an area as an "economically distressed area." Targeted groups include persons who reside in an area designated by the federal government as an economic revitalization area, persons who are eligible for child care assistance, persons who are food stamp recipients, or persons who are economically disadvantaged.

The bill requires the Legislative Audit Bureau to prepare a financial and program evaluation audit of the consolidated economic development tax benefit program created by the bill no later than July 1, 2012.

This bill creates the Jobs Tax Benefit. A person may be certified to receive tax benefits under this program if the person operates or intends to operate a business in Wisconsin and will increase its net employment of full-time employees in Wisconsin. A person certified under the program may receive per-employee tax benefits of up to 10 percent of the wages paid to a full-time employee who earns wages of at least \$20,000 but not more than \$100,000 if employed in a Tier I county or municipality and who earns wages of at least \$30,000 but not more than \$150,000 if employed in a Tier II county or municipality. A person certified under the program may also receive tax benefits for providing employee job training. The bill requires Commerce to define Tier I and Tier II counties and municipalities and establish conditions for the revocation of a certification and the repayment of tax benefits.

This bill authorizes Commerce to award a grant to a research institution or nonprofit organization involved in economic development for: 1) expanding access to capital networks; 2) creating or running a network to connect businesses and entrepreneurs with capital; or 3) creating an activity, event, or strategy to connect businesses and entrepreneurs with capital. The bill authorizes grants to provide matching funds for funding a new business or determining the feasibility of a new business idea if Commerce determines a grant will increase funding for new businesses or will leverage private investment and job creation.

Currently, Commerce may charge a recipient of a grant or loan from the Wisconsin development fund a 2 percent origination fee if the grant or loan amount equals or exceeds \$200,000. This bill lowers the threshold amount to \$100,000.

Under current law, Commerce awards grants and makes loans to qualified businesses for economic diversification and brownfield remediation, and to

ASSEMBLY BILL 75

businesses that have been negatively affected by a casino. Commerce also awards grants for specific economic development projects in specific locations in this state. This bill authorizes Commerce to collect a 2 percent origination fee on certain of these grants and loans of \$100,000 or more.

Under current law, Commerce may certify a business that is at least 51 percent owned, controlled, and actively managed by an eligible minority group member or members as a minority business. A business certified by Commerce may receive certain preferences in governmental procurement.

This bill permits Commerce to certify a business that is at least 30 percent owned by an eligible minority group member or members, provided the minority group member or members control the day-to-day operations of the business, control at least 51 percent of the voting rights of the equity shares of the business, and appoint no less than 51 percent of the members of the board of directors of the business.

Under current law, Commerce may award grants for the redevelopment of “brownfields,” which include facilities or sites that are idle or underused because of environmental contamination. Commerce may award a brownfields redevelopment grant only if certain persons responsible for the contamination of the project site are financially unable to pay the costs to remediate or redevelop the site. Commerce must consider four criteria when awarding brownfields redevelopment grants and must accord different values to the criteria.

This bill eliminates the requirement that the person who caused the environmental contamination be financially unable to pay the costs to redevelop the site. The bill also changes the criteria to be considered by Commerce when making awards and eliminates the requirement that different criteria be accorded different values.

This bill authorizes Commerce to award grants for film-related or video-related projects that create long-term jobs in this state.

This bill requires the Department of Tourism to annually make a grant of at least \$200,000 to Native American Tourism of Wisconsin.

This bill eliminates annual funding from Commerce to the Manufacturing and Advanced Technology Training Center; the Northwest Regional Planning Commission; Oneida Small Business, Inc. and Project 2000; and a nonprofit organization that provides assistance to organizations and individuals in urban areas.

Under current law, Commerce may award a grant or make a loan to a business or researcher to fund certain renewable energy projects. Currently, repayments of the loans are deposited into the general fund. This bill appropriates the repayments to Commerce to fund additional renewable energy grants and loans and certain other economic development grants and loans.

BUILDINGS AND SAFETY

Under current law, the Building Inspector Review Board is required to review complaints concerning possible incompetent, negligent, or unethical conduct by building inspectors and to revoke the certification of a building inspector who has engaged in such conduct. The review board may reverse or modify decisions made

ASSEMBLY BILL 75

by building inspectors that the review board determines are in error. This bill eliminates the review board.

Under current law, Commerce is generally required to regulate the construction of public buildings and places of employment. Current law also authorizes Commerce to issue certain credentials to persons engaged in the construction trades, such as plumbers and electricians. Current law establishes the maximum fees that Commerce may charge for certain services it provides including administering examinations and issuing licenses. This bill eliminates the mandatory caps on the amounts that Commerce may charge for these services and instead provides that the fees must as closely as possible equal the cost of providing the services.

COMMERCE***Securities***

This bill increases from \$750 to \$1,000 the securities registration and notice filing fee paid to DFI and, for investment companies such as mutual funds, increases the minimum and maximum annual sales fee from a minimum of \$150 and a maximum of \$1,500 to a minimum of \$500 and a maximum of \$10,000.

This bill increases from \$30 to \$60 the license fee paid to DFI for securities agents and investment adviser representatives. The bill also increases from \$30 to \$60 the broker-dealer and investment adviser branch office filing fee.

Under current law, Commerce awards grants to eligible applicants for the purchase of devices that provide heat, air conditioning, or electricity to a diesel truck when the main drive engine of the truck is not operating. Currently, the program sunsets at the end of fiscal year 2010-11. This bill eliminates this grant program.

Under current law, Commerce contracts with Forward Wisconsin, Inc., to establish and implement a nationwide business development promotion campaign. This bill deletes authorization and funding for Commerce's contracts with Forward Wisconsin, Inc.

CORRECTIONAL SYSTEM**ADULT CORRECTIONAL SYSTEM**

Under current law, a person who is imprisoned for a felony he or she committed prior to December 31, 1999, may petition the Parole Commission in DOC to be released to parole after the person has served 25 percent of his or her sentence. The Parole Commission determines whether, and under what conditions, the person should be released to parole. A person who committed a felony on or after December 31, 1999, is sentenced to a bifurcated sentence, with the first portion of the sentence served in confinement and the second portion served under extended supervision in the community.

A person who is serving a bifurcated sentence is not eligible for parole and, with few exceptions, must serve the entire confinement portion of his or her sentence before being released to extended supervision. A person's confinement portion may be extended if he or she violates a prison regulation. If a person's confinement portion is extended for such a violation, current law requires his or her extended

ASSEMBLY BILL 75

supervision portion to be reduced so that the total length of the person's sentence remains unchanged.

Current law allows a person who is sentenced to a bifurcated sentence for a Class C to Class I felony to petition the sentencing court to adjust his or her sentence and release the person from prison to extended supervision if he or she has served 85 percent (for Class C to Class E felonies) or 75 percent (for Class F to Class I felonies) of the confinement portion of the sentence. If a person's confinement portion is reduced by the sentencing court, current law requires his or her extended supervision portion to be extended so that the total length of the person's sentence remains unchanged.

Under current law, a person who is released to extended supervision must serve his or her entire sentence before extended supervision terminates.

Under this bill, a person who commits a misdemeanor and is sentenced to imprisonment, or who commits a nonviolent Class F to Class I felony, except for certain sex offenders and persons who committed a prior violent offense or are determined by DOC to pose a high risk of reoffending, may earn "positive adjustment time" in the amount of one day for every two days he or she is incarcerated without violating a prison rule or regulation. The bill requires DOC to release the person to extended supervision when he or she serves his entire incarceration period, minus positive adjustment time earned. Under the bill, if a person's incarceration period is reduced by positive adjustment time, his or her period of extended supervision is increased so that the length of the sentence does not change.

Under the bill, a person who commits a violent Class F to Class I felony or a nonviolent Class F to Class I felony, but was determined by DOC to pose a high risk of reoffending, except for certain sex offenders, may earn positive adjustment time in the amount of one day for every three days he or she is incarcerated without violating a prison rule or regulation, and a person who commits a Class C to Class E felony, except for certain sex offenders, may earn positive adjustment time in the amount of one day for every 5.7 days he or she is incarcerated without violating a prison rule or regulation.

The bill renames the Parole Commission the Earned Release Review Commission (ERRC) and, in addition to performing the Parole Commission's current duties, the ERRC may consider a petition for release from a person who commits a violent Class F to Class I felony or a Class C to Class E felony after the person serves his entire incarceration period, minus positive adjustment time earned. The bill eliminates the authority of the trial court to adjust sentences. Under the bill, if the ERRC reduces the term of confinement portion of a person's sentence because the person has earned positive adjustment time, the person's term of extended supervision is increased so that the length of the sentence does not change.

Under current law, a person who is serving the term of confinement portion of a bifurcated sentence for a felony that is not classified as a Class A or Class B felony may petition the sentencing court for release to extended supervision for the remaining term of his or her sentence if the person has a terminal condition, reaches age 65 after serving at least five years of his or her term of confinement portion, or reaches age 60 after serving at least ten years of his or her term of confinement

ASSEMBLY BILL 75

portion. Under this bill, the petition must be submitted to DOC instead of to the sentencing court.

This bill permits DOC to release to extended supervision a person serving the confinement portion of a bifurcated sentence if the person is not confined following a felony assault, the person is believed to be able to live in the community without assaulting another, and the release will not be more than 12 months before the date that the person otherwise would be eligible for release to extended supervision. If DOC releases a person, his or her term of extended supervision must be extended by the length of time he or she was originally sentenced to confinement so that the total length of the sentence does not change.

Under this bill, a person who is released to extended supervision for a misdemeanor or a nonviolent Class F to Class I felony may earn "good time" toward discharge from extended supervision in the amount of one day for every day he or she serves on extended supervision without violating a condition of extended supervision. The bill requires DOC to discharge from extended supervision a person who serves his or her entire extended supervision time, minus good time earned.

Under the bill, a person who is released to extended supervision for a violent Class F to Class I felony may earn good time toward discharge from extended supervision in the amount of one day for every three days he or she serves on extended supervision without violating a condition of extended supervision. A person who is released to extended supervision for a Class C to Class E felony may earn good time toward discharge from extended supervision in the amount of one day for every 5.7 days he or she serves on extended supervision without violating a condition of extended supervision. Under the bill, a person convicted of a violent Class F to Class I felony may petition the ERRC for discharge after he or she has served 75 percent of his or her extended supervision time. A person convicted of a Class C to Class E felony may petition the ERRC for discharge after he or she serves 85 percent of his or her extended supervision time.

Currently, if a person sentenced to a bifurcated sentence violates any condition of his or her release to extended supervision, the person's extended supervision is revoked, he or she is returned to prison, and the Division of Hearings and Appeals within DOA or DOC (reviewing authority) makes a recommendation to the court that convicted the person as to how long the person should remain in prison. After it receives the reviewing authority's recommendation, the court may order the person to remain in prison for a period of time that does not exceed the time remaining on his or her bifurcated sentence.

Under this bill, the reviewing authority determines how long to imprison the person whose extended supervision is revoked and enters its own order for the person to remain in prison for a period of time that does not exceed the time remaining on his or her bifurcated sentence.

Current law requires DOC to maintain active lifetime global positioning system (GPS) tracking of sex offenders who have been committed as sexually violent persons (SVP) and certain sex offenders who have committed specified sex offenses against a child. Unless the tracked person has been committed as an SVP, the tracking requirement can be terminated or modified in the following ways: 1) after 20 years

ASSEMBLY BILL 75

of being tracked, the person may petition the court to terminate tracking; 2) DOC may petition the court to terminate tracking if the person is physically incapacitated; and 3) DOC may passively track, versus actively track, the person after the person completes his or her sentence, including any parole or extended supervision.

Under this bill, DOC may passively track, versus actively track, any person subject to tracking without regard to the person's supervision status if DOC determines that passive positioning tracking is appropriate for the person and the person has been subject to active tracking for at least 12 months.

Under current law, with certain exceptions, a trial court may sentence a person who has been convicted of a crime to probation instead of imprisonment. A person who is on probation is supervised by DOC and is subject to conditions and rules established by the sentencing court and by DOC.

This bill requires DOC to establish a risk assessment system to determine how likely a person on probation is to commit another offense. The bill requires DOC to categorize the person who is on probation for committing a misdemeanor according to his or her risk. Under the bill, DOC may not supervise a person who is on probation for committing a misdemeanor unless one of the following applies: 1) the person is at a high level of risk; 2) the person is required to register as a sex offender; 3) the person had been charged with a felony for the conduct that resulted in the misdemeanor conviction; or 4) the person has ever committed a crime against the life or bodily security of another person, a domestic violence offense, a burglary of a home, a crime involving a weapon, or certain serious drug offenses.

Under current law, DOC and DHS provide substance abuse treatment programs for prison inmates within certain designated correctional or mental health facilities. If DOC determines that an inmate has successfully completed a substance abuse treatment program, the inmate is released early to parole or extended supervision. As is the case under DOC's Challenge Incarceration Program (described below), inmates convicted of certain violent crimes or certain offenses against children are not eligible for early release under this program. Inmates who are sentenced under the Truth in Sentencing law are eligible only if the court authorizes their participation.

This bill authorizes DOC to provide rehabilitative programs that do not necessarily include substance abuse treatment within a correctional facility for inmates who may be eligible for early release. The bill eliminates administration by DHS of substance abuse programs and allows an inmate to qualify for early release if DOC determines that the inmate successfully completed a rehabilitation program.

DOC currently operates the Challenge Incarceration Program for adults who opt to participate. Participants must be no more than 40 years old and have a substance abuse problem. A participant must perform strenuous physical exercise and manual labor and participate in counseling, substance abuse treatment, and military drill and ceremony programs. A person who successfully completes the program is released to parole or extended supervision, regardless of how much of his or her sentence the person has served.

This bill allows an inmate who does not have a substance abuse problem, but is otherwise eligible, to participate in the Challenge Incarceration Program. The bill

ASSEMBLY BILL 75

requires DOC to assess each inmate who volunteers to participate in the program to determine if he or she has a substance abuse problem that requires an intensive level of treatment, a substance abuse problem that does not require intensive treatment and is not directly related to the inmate's criminal behavior, or another treatment need that is not related to substance abuse and that is directly related to the inmate's criminal behavior. The bill requires DOC to provide appropriate treatment and education, based on its assessment of a participant's treatment needs, to each participant in the Challenge Incarceration Program.

JUVENILE CORRECTIONAL SYSTEM

Under current law relating to community youth and family aids, generally referred to as youth aids, DOC must allocate various state and federal moneys to counties to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. DOC charges counties for the costs of services provided by DOC according to per person daily cost assessments specified by law. This bill increases most of those assessments.

Under current law, funds are appropriated to DOC for juvenile correctional services, juvenile residential aftercare services, and juvenile corrective sanctions services. This bill provides that, if there is a deficit in the juvenile correctional services appropriation account at the close of fiscal year 2008-09, any unencumbered balances in the juvenile residential aftercare services and juvenile corrective sanctions services appropriation accounts at the close of that fiscal year, up to the amount of the deficit, are transferred to the juvenile correctional services appropriation account.

COURTS AND PROCEDURE**CIRCUIT COURTS**

Under current law, a court is required to instruct the jury on the law involved in the case before the jury. In addition, the court provides the jury with a complete set of written instructions that provides the burden of proof and the substantial law to be applied in the case. This bill adds a requirement, in civil actions involving contributory negligence, that the court explain to the jury the effect on awards and liabilities of the percentage of negligence found by the jury to be attributable to each party.

Under current law, in a civil action involving negligence, the injured party may recover damages resulting from the negligence of another person if the injured party's negligence is not greater than the negligence of the person against whom recovery is sought. Currently, the negligence of the person seeking recovery is measured separately against the negligence of each person whose negligence caused the damages. If the causal negligence of the person against whom recovery is sought is less than 51 percent of the total negligence, that person's liability is limited to the percentage of negligence attributable to that person. Currently, if the person's causal negligence is 51 percent or more of the total negligence, that person is jointly and severally liable for the damages, which means that the person may be liable for all of the damages, reduced by the percentage of negligence attributable to the person seeking recovery. Current law also provides that if two or more parties act in concert,

ASSEMBLY BILL 75

those parties are jointly and severally liable for all of the damages resulting from that action, except punitive damages.

This bill eliminates the provision regarding persons acting in concert, the provision that the negligence of the person seeking recovery is compared to each person who was negligent separately, the provision that the liability of a person who is less than 51 percent negligent is limited to that person's percentage of the total negligence, and the provision that the liability of a person whose causal negligence is 51 percent or more is jointly and severally liable. Instead, the bill allows an injured person to recover damages if that person's negligence is not greater than the combined negligence of all of the persons against whom recovery is sought. The bill also provides that any person whose causal negligence is equal to or greater than the causal negligence of the person seeking recovery is jointly and severally liable for the damages awarded to the person seeking recovery.

Currently, the state reimburses counties for the actual expenses paid to interpreters used by the circuit courts. This bill raises the mileage reimbursement rate for interpreters from 20 cents per mile to that paid for state employee travel, which is currently 48.5 cents per mile.

This bill allows the director of state courts to establish a two-year pilot program in the seventh judicial administrative district (Buffalo, Crawford, Grant, Iowa, Jackson, La Crosse, Monroe, Pepin, Pierce, Richland, Trempealeau, and Vernon counties) under which the director pays court interpreters based on a schedule the director creates.

Under current law, when a person is found guilty of a misdemeanor that the person committed before he or she was 21, the sentencing court may order that the record of the conviction be expunged when the person completes his or her sentence. The court must find that expungement would benefit the person and not harm society and the person may not commit another crime or have his or her probation revoked in order to be eligible for expungement.

Under this bill, a person is eligible to have his or her record of a conviction expunged if the conviction is for a misdemeanor or a nonviolent Class H or Class I felony that was committed before the person reached the age of 25 and the other current requirements for expungement are met.

This bill defines a "surviving domestic partner" as a person who was the domestic partner, as defined in the bill, of the decedent at the time of the decedent's death. The bill provides the following inheritance rights for a surviving domestic partner, which are equivalent to the rights of a surviving spouse:

1. The surviving domestic partner of a decedent who dies intestate is entitled to inherit all of the decedent's estate unless the decedent had children that were not also the children of the surviving domestic partner, in which case the surviving domestic partner receives half of the intestate estate.

2. A surviving domestic partner may petition the court for the full property interest the decedent had in a home, subject to payment to the estate under a governing instrument or under intestacy.

3. If a decedent executed his or her will before the registration of the domestic partnership, the surviving domestic partner is entitled to what the share would be

ASSEMBLY BILL 75

if the decedent died intestate, unless the will was executed in contemplation of the domestic partnership or was intended to apply notwithstanding the decedent subsequently entering into a domestic partnership.

4. A surviving domestic partner may petition the probate court for an allowance for support, limited by court-ordered charge against interest or principal from the estate to which the surviving domestic partner is entitled and against amounts owed for assuming the decedent's full interest in a home.

5. A surviving domestic partner may select from the estate certain personal items and may be entitled to household items necessary for the maintenance of the home, notwithstanding that those items were bequeathed to another heir.

6. A surviving domestic partner may petition the court to set aside an amount for his or her support of up to \$10,000 in value that will be exempt from the claims of the estate's creditors.

7. If the value of the decedent's estate does not exceed \$50,000, a surviving domestic partner may settle the estate under summary procedures without the need to appoint a personal representative of the estate.

Under current law, a court reviewing a settlement or monetary judgment for the plaintiff in a wrongful death action may set aside an amount of up to 50 percent of the net settlement or judgment for the support of the decedent's surviving spouse or minor children. Current law permits a surviving spouse to bring a wrongful death action and to satisfy and discharge the claims of the estate in settling the wrongful death claims of the surviving spouse. This bill allows the decedent's surviving domestic partner to file an action for wrongful death, to petition the court to set aside amounts of up to 50 percent of the net settlement or judgment of the wrongful death claims for the support of the domestic partner, and to discharge the claims of the estate in settling the domestic partner's wrongful death claims.

Under current law, a person may prevent the person's current or former spouse from testifying about private communications between the spouses or former spouses. Under this bill, a person may prevent the person's current or former domestic partners from testifying about private communications between the domestic partners or former domestic partners.

DISTRICT ATTORNEYS

This bill requires the Office of Justice Assistance (OJA) to fund 1.0 assistant district attorney position in St. Croix County and 0.25 assistant district attorney position in Chippewa County. The bill also requires DOJ to fund 1.0 assistant district attorney position to prosecute drug crimes in St. Croix County.

Additionally, the bill requires DOA to allocate funds from OJA and DOJ appropriations to fund 2.0 assistant district attorney positions in Milwaukee County and 0.75 assistant district attorney position in Dane County to prosecute drug crimes.

PUBLIC DEFENDER

Under current law, the State Public Defender (SPD) provides legal representation to indigent defendants in criminal cases, to children and youth in protective services and delinquency cases, and to persons in certain civil commitment and paternity proceedings.

ASSEMBLY BILL 75

This bill requires the Public Defender Board to establish maximum fees that the SPD may pay for copies of materials that are subject to discovery, and prohibits persons from charging the SPD more than those fees.

OTHER COURTS AND PROCEDURE

Under current law, when a person is convicted of a crime, or if a person was charged with a crime but the criminal charge was amended to a civil offense and a court finds that the person committed the civil offense, the person pays a crime victim and witness assistance surcharge. The surcharge is \$85 for each felony charge and \$60 for each misdemeanor charge. Current law splits the surcharge into two parts. For each felony surcharge, \$65 is used to provide compensation for crime victims and \$20 is used to provide grants to organizations that provide services for sexual assault victims. For each misdemeanor surcharge, \$40 is used to provide compensation for crime victims and \$20 is used to provide grants to organizations that provide services for sexual assault victims.

This bill increases the crime victim and witness assistance surcharge to \$90 for each felony charge and \$65 for each misdemeanor charge. Under the bill, \$20 of each surcharge is used to provide grants to organizations that provide services for sexual assault victims and \$5 is added to the amount currently used to provide compensation for crime victims.

EDUCATION**PRIMARY AND SECONDARY EDUCATION**

This bill directs DPI to use the federal funds received by the state pursuant to the American Recovery and Reinvestment Act of 2009 to make state aid payments to schools in June 2009 and in the 2009–10 and 2010–11 fiscal years. The bill lapses to the general fund \$291,000,000 in state school aids in the 2008–09 fiscal year.

The bill also directs the secretary of administration, in formulating the 2011–13 biennial budget bill, to assume that the base level of funding for general school aid in the 2011–13 fiscal biennium is the amount of general school aid appropriated in the 2010–11 fiscal year plus the amount of federal aid distributed as school aid in the 2010–11 fiscal year.

Current law generally limits the increase in the total amount of revenue per pupil that a school district may receive from general school aids and property taxes in a school year to the amount of revenue increase allowed per pupil in the previous school year increased by the percentage change in the consumer price index. Several exceptions are provided. For example, if a school district increases the services that it provides by adding responsibility for providing a service transferred to it from another governmental unit, its revenue limit is increased by the cost of that service.

This bill provides revenue limit adjustments for the costs of school safety equipment, the compensation costs of security officers, the costs of employing school nurses, and pupil transportation costs. This bill phases in the adjustments over a three-year period beginning in the 2010–11 school year.

For the purpose of determining a school district's revenue limit, this bill includes in the school district's state aid amount all federal moneys received by the school district under the American Recovery and Reinvestment Act of 2009 that are

ASSEMBLY BILL 75

distributed as general equalization aid or based upon a school district's share of funding under the federal Elementary and Secondary Education Act.

Current law exempts a school district from the revenue limit if its per pupil revenue is less than a statutory revenue ceiling, currently set at \$9,000. This bill increases the per pupil revenue ceiling to \$9,400 for the 2009-10 school year and to \$9,800 for any subsequent school year.

This bill clarifies the correct method for calculating the revenue limit of a consolidated school district.

Under current law, the members of the school boards of consolidating school districts serve as a joint interim school board of the new school district until the election of members to the school board of the new school district. This bill clarifies that a member of the school board of one of the consolidating school districts who has been newly elected to the school board of the new school district may continue to serve on the school board of the consolidating school district after the election of the new school district board members and until the effective date of the consolidation.

This bill makes changes to the laws governing the Milwaukee Parental Choice Program (MPCP), under which a pupil who resides in the city of Milwaukee may attend a private school at state expense under certain conditions.

Under current law, a private school participating in the MPCP must achieve accreditation by an accrediting organization or association by December 31 of the third school year following the first school year in which it participates in the MPCP. This bill requires the private school to attain accreditation by August 1 of the school year in which the school first participates in the MPCP.

Currently, teachers at private schools participating in the MPCP are required to have graduated from high school or to have been granted a declaration of equivalency of high school graduation. Beginning in the 2010-11 school year, this bill directs each private school participating in the MPCP to ensure that every teacher and administrator at the private school has at least a bachelor's degree from an accredited institution of higher education.

Under current law, a school board must schedule at least 1,050 hours of direct pupil instruction in grades one to six and at least 1,137 hours of direct pupil instruction in grades seven to twelve. This bill requires private schools participating in the MPCP to comply with these requirements.

Under current law, enrollment in the MPCP is capped at 22,500 pupils. If the enrollment cap is reached, DPI must issue an order prohibiting the enrollment of additional pupils until the number of pupils falls below 22,500. This bill provides that, if the number of pupils enrolled in the program falls below 22,500, participating private schools may admit additional pupils under the program but must give first priority to returning MPCP pupils, second priority to siblings of enrolled MPCP pupils, and third priority to pupils selected at random under a procedure established by DPI by rule.

Current law requires each private school participating in the MPCP to administer a nationally normed standardized test in reading, mathematics, and science to pupils attending the school under the program in the fourth, eighth, and

ASSEMBLY BILL 75

tenth grades. This bill requires each private school participating in the MPCP to administer the examinations adopted or approved by DPI.

Current law requires each school board to adopt either its own academic standards or the academic standards contained in the governor's executive order issued on January 13, 1998. Identical provisions exist under current law for independent charter schools. This bill requires the governing body of each private school participating in the MPCP to adopt academic standards.

Under current law, each school board and the operator of each independent charter school must administer a standardized reading test developed by DPI to all pupils enrolled in the third grade. This bill requires private schools participating in the MPCP to administer this test.

The federal No Child Left Behind Act requires public school assessments in reading and mathematics in each of grades three to eight and at least once in grades ten to twelve; and in science at least once in grades three to five, six to nine, and ten to twelve. This bill imposes these requirements on private schools participating in the MPCP for pupils attending the schools under the MPCP.

Under current law, each school board and the operator of each independent charter school must develop written policies specifying criteria for granting a high school diploma. Neither a school board nor the operator of an independent charter school may grant a high school diploma to any pupil unless the pupil has satisfied the criteria. Similarly, each school board and each independent charter school must adopt policies specifying criteria for promoting a pupil from the fourth grade to the fifth grade and from the eighth grade to the ninth grade. A pupil may not be promoted unless he or she satisfies the promotion criteria. This bill imposes upon private schools participating in the MPCP the same prohibitions against graduation and promotion for pupils attending the private school under the MPCP that are imposed upon school boards and independent charter schools.

The bill requires a private school participating in the MPCP to maintain progress records for each pupil attending the school under the MPCP while the pupil attends the school and for at least five years thereafter. The bill requires the private school to provide a copy of the records to the pupil or the pupil's parent or guardian upon request and, if the school closes, to transfer the records to the Milwaukee Public Schools (MPS). The bill also requires the private school to issue a high school diploma or certificate to each pupil attending the school under the MPCP who satisfies all of the requirements necessary for high school graduation.

Current law requires a school district to transfer to another school or school district, within five working days, all pupil records relating to a specific pupil if the transferring school district has received notice from the pupil (if he or she is adult), from the pupil's parent or guardian (if the pupil is a minor), or from the other school or school district that the pupil intends to enroll or has enrolled in the other school or school district. This bill makes this requirement applicable to the private schools participating in the MPCP.

The bill also requires each MPCP school to provide each applicant to the school with all of the following: 1) a list of the names, addresses, and telephone numbers of the members of the governing body of the school; 2) a notice stating whether the

ASSEMBLY BILL 75

school is an organization run for profit or not for profit, and, if the school is nonprofit, proof of its federal tax-exempt status; 3) a copy of the appeals process used if the school rejects an applicant for admission; 4) a statement that the school agrees to be subject to the open meetings and open records requirements applicable to public bodies; 5) graduation requirements; 6) a copy of the non-harassment policy and procedures used by the school; 7) suspension and expulsion policies and procedures; and 8) policies for accepting or denying the transfer of credits for coursework completed by pupils at other schools. In addition, upon request of any person, the school must provide to that person the information above, as well as the number of pupils enrolled in the private school in the previous school year; the number of pupils enrolled in the private school under the MPCP in the previous school year; pupil scores on standardized tests administered in the previous school year; a copy of the academic standards adopted by the private school; the number of pupils who have graduated from the private school in every year in which the private school has participated in the MPCP; and the rates of promotion of 4th and 8th grade pupils enrolled in the private school.

This bill requires each private school that applies to participate in the MPCP to pay to DPI a nonrefundable fee each year in an amount determined by DPI. DPI must use the fees to evaluate the financial audits and evidence of sound fiscal practices submitted to DPI by participating private schools.

Under the current school aid formula, the state establishes a guaranteed tax base, known as the guaranteed valuation. The rate at which a school district's costs are aided through the formula is determined by comparing the school district's per pupil tax base (or equalized valuation) to the guaranteed valuation. State aid is provided to make up the difference between the school district's actual tax base and that state guaranteed level. A school district's guaranteed valuation is determined by multiplying the guaranteed valuation per pupil (set by statute) by the district's enrollment.

This bill provides that for MPS, the guaranteed valuation is determined by multiplying the valuation per member by the district's enrollment plus 50 percent of the number of pupils attending a private school under the MPCP. The 50 percent figure is phased in over a five-year period.

This bill directs the Legislative Reference Bureau, at the direction of the secretary of administration, to prepare a bill for introduction during the 2009 legislative session that addresses the findings of a review of the finances and operations of the MPS conducted at the request of the governor and the mayor of Milwaukee.

This bill changes the funding source for pupil transportation aid from the general fund to the transportation fund.

Currently, state aid to public library systems is funded using both general purpose revenue and revenue in the universal service fund. The universal service fund consists of moneys that are required to be contributed by certain telecommunications providers. The fund is used for promoting universal telecommunications service and for other specified purposes. This bill funds public library aid exclusively from the universal service fund.

ASSEMBLY BILL 75

Current law directs DPI to contract with the public library in the city of Milwaukee to provide library services to physically handicapped persons and to contract for services with libraries to serve as resources of specialized library materials and information not available in DPI's reference and loan library. The cost of these contracts is paid with general purpose revenue. Under this bill, the cost of these contacts is paid from the universal service fund.

This bill directs DPI to award grants to school districts or cooperative educational service agencies, acting in conjunction with tribal education authorities, to support innovative, effective instruction in one or more American Indian languages. The grants are funded with Indian gaming receipts.

Under current law, DPI may award grants to nonprofit organizations to support adult literacy programs. No grant may exceed \$10,000. This bill eliminates the \$10,000 limit.

This bill extends DPI's authority to award annual grants to Project Lead the Way through the 2010-11 fiscal year in order to provide discounted professional development services and software to participating high schools.

HIGHER EDUCATION

This bill allows the Board of Regents of the UW System to award grants to undergraduate resident students who do not receive a Wisconsin higher education grant awarded by the Higher Educational Aids Board (HEAB). The amount of a grant must correspond to increases, or portions of increases, in tuition charged the student.

The bill requires the Board of Regents to allocate \$8,198,200 to support interdisciplinary research into biotechnology, nanotechnology, and information technologies that enhance human health and welfare.

The bill requires the Board of Regents to allocate \$2,000,000 in the 2009-10 fiscal year to support the establishment of the Wisconsin Genomics Initiative.

Under current law, the Board of Regents may not create a new school that has graduate, professional, or post-baccalaureate academic programs. This bill allows the Board of Regents to create the following schools at UW-Milwaukee: 1) a school of public health; and 2) a school of freshwater sciences.

Under current law, the Medical College of Wisconsin and the University of Wisconsin-Madison School of Medicine and Public Health must submit biennial reports to the governor and JCF on specified topics, including the following: 1) Wisconsin resident enrollment numbers and percentages; 2) placement of graduates of doctor of medicine and residency training programs; and 3) financial summaries for the college and school. This bill eliminates the requirement for reports on the foregoing topics.

Under current law, the Board of Regents is allowed to create or abolish full-time equivalent (FTE) positions that are funded from a number of specified appropriations, including one appropriation that is funded with segregated fund revenues. This bill allows the Board of Regents to create or abolish FTE positions that are funded from any appropriation to the board that is funded with segregated fund revenues. The bill also makes an appropriation from the recycling and

ASSEMBLY BILL 75

renewable energy fund to the board to support research under the Wisconsin Bioenergy Initiative.

Generally, current law allows a UW System student who has been a bona fide Wisconsin resident for the 12 months preceding the beginning of a semester or session for which the student registers to pay resident, as opposed to nonresident, tuition.

This bill allows an alien who is not a legal permanent resident of the United States to pay resident, as opposed to nonresident, tuition if he or she: 1) graduated from a Wisconsin high school or received a declaration of equivalency of high school graduation from Wisconsin; 2) was continuously present in Wisconsin for at least three years following the first day of attending a Wisconsin high school or immediately preceding receipt of a declaration of equivalency of high school graduation; and 3) enrolls in a UW System institution and provides the institution with an affidavit stating that he or she has filed or will file an application for permanent residency with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so. The bill also provides that such persons are to be considered residents of this state for purposes of admission to and payment of fees at a technical college.

In general, current law provides that if a technical college district board wishes to make a capital expenditure exceeding \$1,000,000 or to borrow more than \$1,000,000, it must adopt a resolution to do so and submit the resolution to the electors of the district for approval. This bill raises the amount from \$1,000,000 to \$1,500,000.

Current law requires the Wisconsin Technical College System Board (WTCS Board) to establish tuition for resident and nonresident students. For a resident student, the WTCS Board must comply with requirements that depend on whether the student is enrolled in a liberal arts collegiate transfer program or in a postsecondary or vocational-adult program. For a nonresident student, the WTCS Board must establish tuition based on 100 percent of the statewide cost per full-time equivalent student for operating the program in which the student is enrolled.

This bill requires the WTCS Board to establish tuition for nonresident students based on 150 percent of the program fees that the WTCS Board is required to establish for resident students.

Current law allows the WTCS Board to award grants to technical college district boards (district boards) for skills training related to the needs of business. Current law prohibits the WTCS Board from awarding a grant unless the business is located in this state, has no more than 100 employees, and has no more than \$10,000,000 in gross annual income. Also, current law prohibits using a grant to pay more than 80 percent of the cost of training the spouse or child of the business owner, or to pay wages or compensate for lost revenue in connection with providing the training. In addition, current law prohibits the WTCS Board from awarding more than \$1,000,000 in grants in a fiscal year.

This bill eliminates all of the prohibitions described above. In addition, the bill eliminates the requirement that district boards submit reports to the WTCS Board on how grants are used.

ASSEMBLY BILL 75

Currently, under certain circumstances, the UW System and each technical college must provide full remission of fees for 128 credits or eight semesters, whichever is longer, to an eligible veteran or to the spouse, unremarried surviving spouse, or child of an eligible veteran (dependent). An eligible veteran is one who died on active duty, died as the result of a service-connected disability, died in the line of duty while on duty for training purposes, or has been awarded at least a 30 percent service-connected disability rating.

This bill requires a veteran or dependent to apply to the payment of those fees all educational assistance to which that person is entitled under the federal Post-9/11 Veterans Educational Assistance Act of 2008, commonly referred to as the “New GI Bill.” This requirement applies notwithstanding that the veteran or dependent may be entitled to educational assistance under the federal Montgomery GI Bill Act of 1984 or the federal Survivors’ and Dependents’ Educational Assistance Program (collectively referred to as the “Old GI Bill”) as well as under the New GI Bill. For a veteran or dependent who is entitled to educational assistance under both the Old GI Bill and the New GI Bill, if the amount of educational assistance, other than educational assistance for tuition, to which the veteran or dependent is entitled under the Old GI Bill is greater than the amount of educational assistance, other than educational assistance for tuition, to which the veteran or dependent is entitled under the New GI Bill, HEAB must reimburse the veteran or dependent for the difference in those amounts of educational assistance.

Under current law, beginning in the 2011–12 academic year, HEAB must award Wisconsin covenant scholar grants to undergraduates enrolled at least half time at nonprofit public or private institutions of higher education or at tribally controlled colleges in this state. Current law requires HEAB to promulgate rules to implement that grant program.

This bill requires a student to be designated as a Wisconsin covenant scholar by the Office of the Wisconsin Covenant Scholars Program in DOA (office) in order to be eligible for a Wisconsin covenant scholar grant. The bill also requires DOA, rather than HEAB, to promulgate rules to implement the grant program and requires those rules to include eligibility criteria for designation as a Wisconsin covenant scholar.

Under current law, HEAB awards Wisconsin higher education grants (WHEG grants) to undergraduates enrolled at least half time at nonprofit public institutions of higher education or tribally controlled colleges in this state. Currently, a WHEG grant may not exceed \$3,000 for an academic year. This bill permits HEAB to establish the maximum amount of a WHEG grant, but prohibits HEAB from increasing that maximum amount unless HEAB determines that as many students will be awarded WHEG grants in the current academic year as in the previous academic year. The bill also funds those grants in fiscal year 2009–10 in part from moneys received by the UW System for auxiliary enterprises, such as dining halls and parking facilities.

Current law requires HEAB to establish plans to be administered by HEAB for participation by this state under any federal acts relating to higher education. This bill requires HEAB to obtain the approval of DOA before HEAB may expend any

ASSEMBLY BILL 75

discretionary federal economic stimulus funds for any higher education capital or modernization project.

Under current law, DOA administers an Educational Telecommunications Access Program under which DOA provides Internet access to educational agencies. Currently, an educational agency that is provided Internet access under the program may not provide that access to any for-profit business entity. This bill permits an educational agency to provide such Internet access to a for-profit business entity that is broadcasting an event sponsored by the educational agency if the business entity reimburses DOA for its proportionate share of the cost of the data line used to broadcast the event.

EMINENT DOMAIN

Currently, whenever an entity with the power of condemnation seeks to acquire property by condemnation, it must provide the property owner with an appraisal of the property and pay for the owner to acquire his or her own appraisal. This bill provides that, if the property is being acquired for sewers or transportation facilities, the owner may use an appraisal prepared by the owner or condemnor during the period preceding negotiations in any subsequent appeal only if the appraisal was provided to the other party during that period.

Currently, if a property owner agrees voluntarily to convey the property to the condemnor at an agreed-upon price, the owner has the right, within six months, to appeal the issue of the amount of compensation paid by the condemnor. This bill eliminates this right for owners whose property is being acquired for sewers or transportation facilities. The bill does not eliminate the owner's right to appeal the amount of compensation within two years if his or her property is condemned.

Currently, a property owner who on appeal is awarded more in compensation than was offered by the condemnor is entitled to litigation expenses, including reasonable attorney fees, if the award exceeds the offer by at least \$700 and at least 15 percent. This bill provides that, in such a case, the amount of attorney fees included in litigation expenses may not exceed one-third of the difference between the offer and the award, except that if one-third of that difference is less than \$5,000, the amount of attorney fees included in litigation expenses may not exceed \$5,000.

Currently, a person displaced by the acquisition of property by an entity that is vested with the power of condemnation is entitled to certain benefits from the condemnor, including relocation assistance, assistance in the acquisition of replacement housing, and moving expenses. The person must file a claim for such benefits within two years of being displaced. If the claim is not allowed within 90 days, the claimant may file an appeal in circuit court. Currently, there is no deadline for filing an appeal. This bill provides that the claimant must file the appeal within two years.

Under current law, Commerce may make investigations to determine whether a condemnor is complying with the laws relating to relocation benefits and may seek an order from a circuit court requiring compliance with those laws or discontinuance of work on that part of the project that is not in compliance. This bill eliminates this authority.

ASSEMBLY BILL 75

Currently, a person displaced by the acquisition of property by a condemnor may petition Commerce for review of his or her complaint. Commerce may attempt to negotiate an acceptable solution with the condemnor. This bill eliminates these provisions.

Current law directs the attorney general, at the request of Commerce, to prosecute all necessary actions or proceedings for the enforcement of the laws relating to relocation benefits. This bill eliminates this directive.

EMPLOYMENT

Under current law, in local government employment other than law enforcement and fire fighting employment, if a dispute relating to the terms of a proposed collective bargaining agreement has not been settled after a reasonable period of negotiation and after mediation by the Wisconsin Employment Relations Commission (WERC), either party, or the parties jointly, may petition WERC to initiate compulsory, final, and binding arbitration with respect to any dispute relating to wages, hours, and conditions of employment. An arbitrator must adopt the final offer of one of the parties on all disputed issues, which is then incorporated into the collective bargaining agreement.

This process does not apply, however, to a dispute over economic issues involving a collective bargaining unit consisting of school district professional employees if WERC determines, subsequent to an investigation, that the employer has submitted a qualified economic offer (QEO). A QEO consists of a proposal to maintain the percentage contribution by the employer to the employees' existing fringe benefit costs and the employees' existing fringe benefits and to provide for an annual average salary increase having a cost to the employer at least equal to 2.1 percent of the existing total compensation and fringe benefit costs for the employees in the collective bargaining unit plus any fringe benefit savings. Fringe benefit savings is that amount, if any, by which 1.7 percent of the total compensation and fringe benefit costs for all municipal employees in a collective bargaining unit for any 12-month period covered by a proposed collective bargaining agreement exceeds the increased cost required to maintain the percentage contribution by the municipal employer to the municipal employees' existing fringe benefit costs and to maintain all fringe benefits provided to the municipal employees. This bill eliminates the QEO exception from the compulsory, final, and binding arbitration process.

Under current law, school district professional employees must be placed in a collective bargaining unit that is separate from the units of other school district employees. This bill eliminates this requirement.

Current law also provides that, in reaching a decision, the arbitrator must give weight to many factors, including the authority of the municipal employer; the interests and welfare of the public and the ability of the unit of government to meet the costs of the proposed agreement; comparison of wages, hours, and conditions of employment with those of other employees; the cost of living; and other similar factors. But, under current law, the arbitrator must give greater weight to economic conditions in the jurisdiction of the employer and the greatest weight to any state law or directive that places expenditure or revenue limitations on an employer. This bill eliminates the requirement for the arbitrator to give any weight to economic

ASSEMBLY BILL 75

conditions in the jurisdiction of the employer or to any state law or directive that places expenditure or revenue limitations on an employer if the decision involves a collective bargaining unit comprised of school district employees.

Finally, the bill eliminates a 3.8 percent cap imposed on salary and fringe benefit annual cost increases for all nonrepresented professional school district employees.

Under current law, faculty and academic staff of the UW System do not have collective bargaining rights under the State Employment Labor Relations Act (SELRA). This bill provides all UW System academic staff and all faculty, including specifically faculty who are supervisors or managers, with the right to collectively bargain over wages, hours, and conditions of employment. Collective bargaining units for faculty are structured with one unit for UW-Madison, one unit for UW-Milwaukee, and one unit for all of the other UW System campuses. Collective bargaining units for academic staff are structured similarly, with one unit for UW-Madison, one for UW-Milwaukee, and one for all of the other UW System campuses. The bill also provides that, if the employees approve, two or more units for faculty may be combined into a single unit and two or more units for academic staff may be combined into a single unit. Representatives for each unit are chosen by election.

Unfair labor practices for UW System academic staff and faculty collective bargaining are generally the same as those under SELRA, except that the bill specifically provides that it is not an unfair labor practice for the Board of Regents of the UW System to implement changes in salaries or conditions of employment for members of the faculty or academic staff at one UW institution and not for such persons at other UW institutions if certain conditions are met. The bill specifically authorizes fair-share and maintenance of membership agreements for UW academic staff and faculty collective bargaining, as is the case under SELRA. The bill also prohibits strikes.

Under the bill, the subjects of collective bargaining are the same as under SELRA, except that collective bargaining is prohibited on the mission and goals of the Board of Regents; the diminution of the right of tenure provided faculty; the rights granted faculty and academic staff under current law; and academic freedom. Finally, under the bill, collective bargaining agreements covering UW faculty and academic staff must be approved by the Joint Committee on Employment Relations and adopted by the legislature.

Under the current prevailing wage law, certain laborers, workers, mechanics, and truck drivers employed on a state or local project of public works must be paid at the rate paid for a majority of the hours worked in the person's trade or occupation in the county in which the project is located and may not be required or permitted to work more than ten hours per day or 40 hours per week, unless they are paid 1.5 times their basic rate of pay (overtime pay) for all hours worked in excess of those prevailing hours of labor. Currently, the prevailing wage law does not apply to a multiple-trade public works project whose estimated cost of completion is less than \$234,000 or to a single-trade public works project whose estimated cost of completion

ASSEMBLY BILL 75

is less than \$48,000. DWD adjusts those amounts annually based on changes in construction costs.

This bill requires all laborers, workers, mechanics, and truck drivers employed on a publicly funded private construction project to be paid not less than the prevailing wage rate and to be paid overtime pay for all hours worked in excess of the prevailing hours of labor. The bill defines a “publicly funded private construction project” as a construction project that receives any grant, cooperative agreement, loan, contract, or any other financial assistance from a local governmental unit.

The bill also sets the threshold for applicability of the prevailing wage law at an estimated cost of project completion of \$2,000, regardless of whether the project is a single-trade project or a multiple-trade project, and eliminates the authority of DWD to adjust that threshold.

Current law requires each contractor, subcontractor, and agent performing work on a project that is subject to the prevailing wage law to keep records indicating the name and trade or occupation of every person performing work that is subject to the prevailing wage law and an accurate record of the number of hours worked by each of those persons and the actual wages paid for those hours worked. This bill requires a contractor, subcontractor, or agent performing work on a project that is subject to the prevailing wage law to submit, on a weekly basis, a certified record of that information for the preceding week to the local governmental unit, state agency, or private owner or developer authorizing the work.

Under current law, DWD must, on request, inspect the payroll records of any contractor, subcontractor, or agent performing work on a project that is subject to the prevailing wage law to ensure compliance with that law. If the contractor, subcontractor, or agent is found to be in compliance with that law, DWD must charge the requester for the cost of the inspection. This bill requires DWD to charge a requester for the cost of such inspection only if the request was made in bad faith, solely for the purpose of harassing or maliciously injuring the contractor, subcontractor, or agent; or if the requester knew, or should have known, that there was no reasonable basis for believing that a violation of the prevailing wage law had been committed.

Under current law, when DWD receives a complaint alleging discrimination in employment, housing, or the equal enjoyment of a public place of accommodation; a complaint alleging a violation of the family and medical leave law; a complaint alleging retaliation for disclosing information demonstrating mismanagement or abuse of authority in state or local government (commonly referred to as “the whistleblower law”); or a complaint alleging discrimination for exercising any right relating to public employee occupational safety and health, DWD must investigate the complaint to determine whether there is probable cause to believe that a violation occurred. Under current DWD rules, if DWD finds no probable cause, the complainant may request a hearing on the issue of probable cause before a hearing examiner.

This bill eliminates the right to a hearing on the issue of probable cause and instead provides that the finding of no probable cause may be appealed to the circuit court.

ASSEMBLY BILL 75

Under current worker's compensation law, when death results from an injury sustained by an employee while performing services growing out of and incidental to employment, the employee's dependents, including a spouse who is living with the employee at the time of death, are entitled to a death benefit. This bill extends death benefits under the worker's compensation law to a domestic partner of a deceased employee who is living with the deceased employee at the time of death.

Under current law, an employee of an employer employing 50 or more individuals on a permanent basis may take up to six weeks of family leave in a 12-month period to care for a child, spouse, or parent of the employee, or the parent of the spouse of the employee, who has a serious health condition. This bill permits such an employee to take family leave to care for a domestic partner, or the parent of a domestic partner, who has a serious health condition.

Under current law, if an employee to whom wages are due dies, the employer must, upon demand, pay the wages to the spouse, children, or other dependent living with the employee at the time of death. This bill requires an employer of a deceased employee to whom wages are due to pay the wages to the domestic partner of the deceased employee.

Under current law, DOJ must defend claims against the work injury supplemental benefit (WISB) fund, which is used to pay supplemental worker's compensation to employees with permanent total disability, additional death benefits to the children of a deceased employee, additional worker's compensation to an employee with permanent partial disability who incurs further permanent disability, and worker's compensation when there is no adequate remedy for an otherwise meritorious claim. DOJ must also prosecute claims for payment into the WISB fund against an employer when an injury results in death or in the loss or total impairment of a limb or eye or when a minor is injured while working without a work permit or in prohibited employment. This bill permits DWD to retain DOA or an insurance service organization, in addition to DOJ, to prosecute or defend claims for payment into or out of the WISB fund, except that DOJ must continue to appear on behalf of the state in administrative hearings or court proceedings on such claims.

Currently, DWD operates an employment service, funded with federal revenue, that assists unemployed individuals in finding suitable employment. This bill permits the employment service program to be funded, in addition, from special federal grants that would otherwise be available to finance unemployment insurance (UI) benefits. The change potentially increases the liability of employers to finance UI benefits through contributions (taxes).

ENVIRONMENT**WATER USE**

Under current law, DNR conducts activities related to the withdrawal and use of water in this state, including activities to implement the Great Lakes Water Resources Compact.

Beginning in 2011, this bill establishes three fees that DNR may use for activities related to water use, including activities to implement the compact. The first is an annual fee of \$125, subject to modification by DNR by rule, to be paid by a person with a water supply system with the capacity to withdraw 100,000 gallons

ASSEMBLY BILL 75

or more per day. The second fee is imposed on a person who withdraws more than 50,000,000 gallons of water from the Great Lakes basin in a year. DNR specifies the amount of this fee by rule. The third is a \$5,000 fee that must be paid by a person applying for approval to divert water out of the Great Lakes basin.

WATER QUALITY

Under the Clean Water Fund Program, the state makes loans at subsidized interest rates for projects that control water pollution. This bill changes the interest rate for projects that are necessary to prevent a municipality from exceeding a pollution limit in its wastewater discharge permit from 55 percent of the market interest rate to 70 percent of the market interest rate.

This bill sets the present value of the Clean Water Fund Program subsidies that may be provided during the 2009–11 fiscal biennium at \$114,800,000. The bill also increases the revenue bonding authority for the Clean Water Fund Program by \$418,800,000. In addition, the bill increases the general obligation bonding authority for the Clean Water Fund Program by \$76,500,000, except that this increase does not take effect in fiscal years 2009–10 and 2010–11 unless DOA first takes into account certain funds received from the federal government.

Under the Safe Drinking Water Loan Program, this state makes loans at a subsidized rate to local governmental units for projects to construct or modify public water systems. This bill sets the present value of the Safe Drinking Water Loan Program subsidies that may be provided during the 2009–11 fiscal biennium at \$17,600,000. The bill also increases the general obligation bonding authority for the Safe Drinking Water Loan Program by \$9,400,000.

Under current law, DNR provides financial assistance for projects that reduce water pollution from nonpoint (diffuse) sources. Local governmental units annually apply for cost-sharing grants from DNR for new nonpoint source projects. A project qualifies for funding only if it is in an area that is targeted due to water quality problems. DNR annually ranks all of the eligible applications based on specified criteria and then selects projects to receive cost-sharing grants. This process is referred to as the targeted runoff management grant process. This bill increases the authorized general obligation bonding authority for targeted runoff management grants by \$7,000,000.

Current law also authorizes DNR to award a cost-sharing grant, outside of the targeted runoff management grant process, to a local governmental unit for animal waste management at a livestock operation for which DNR has issued a notice of discharge if DNR determines that awarding a grant outside of that process is necessary to protect fish and aquatic life. This bill broadens that authority by also covering livestock operations for which DNR has issued a notice of intent to issue a notice of discharge and allowing DNR to award a grant to a local governmental unit if DNR determines that it is necessary to protect the waters of the state. The bill also authorizes DNR to award a cost-sharing grant directly to the owner or operator of a livestock operation under the same circumstances.

Under current law, DNR provides financial assistance for the management of urban storm water runoff and for flood control and riparian restoration projects.

ASSEMBLY BILL 75

This bill increases the general obligation bonding authority for these purposes by \$6,000,000.

Current federal law authorizes the Environmental Protection Agency (EPA) to carry out projects to clean up contaminated sediment in the Great Lakes and tributaries of the Great Lakes. The federal law requires that a portion of the funding for a project be provided from a source other than the federal government. Current state law authorizes DNR to pay a portion of the costs of such a project if EPA provides federal funds for the project. The law provides \$17,000,000 in bond authority, to be repaid from the environmental fund, for this purpose.

This bill authorizes DNR to pay a portion of the costs of a project to remove contaminated sediment from Lake Michigan or Lake Superior or a tributary of Lake Michigan or Lake Superior if the project is in a water body that DNR has identified as being impaired and the impairment is caused by contaminated sediment, without regard to whether EPA provided funds for the project. The bill also increases the bonding authority for sediment removal projects by \$5,000,000.

Under current law, a person who discharges certain pollutants into the waters of this state must hold a permit issued by DNR. Current law also provides that, instead of issuing a separate permit for a discharge from an individual point source, DNR may issue a general permit, applicable to a designated area of the state, authorizing discharges from specified categories or classes of point sources located within that area.

This bill authorizes DNR to issue a general permit authorizing a vessel that is 79 feet or greater in length to discharge ballast water into the waters of this state and authorizes DNR to charge specified fees for applying for and maintaining coverage under the permit.

Current law requires a person who plans to construct a well other than a high capacity well to notify DNR of the location of the well before construction begins and to pay a notification fee of \$50. This bill authorizes DNR to appoint agents to process well notifications and collect the fees. The bill requires a person making a well notification to pay a processing fee of 50 cents and authorizes the agent to retain the fee.

HAZARDOUS SUBSTANCES AND ENVIRONMENTAL CLEANUP

Under current law, the Department of Commerce (Commerce) administers PECFA, a program to reimburse owners of certain petroleum product storage tanks for a portion of the costs of cleaning up discharges from those tanks. Under this bill, the owner of a petroleum product storage tank is not eligible for reimbursement under PECFA unless the owner notifies Commerce about the discharge before January 1, 2012.

This bill authorizes Commerce to contract with a person who removes underground petroleum storage tanks to remove an abandoned underground petroleum product storage tank if Commerce determines that the owner of the tank is unable to pay to have the tank removed.

Under current law, DNR administers the Dry Cleaner Environmental Response Program (DERP), under which DNR reimburses a portion of the costs of cleaning up discharges of dry cleaning solvents. DERP is funded from the segregated

ASSEMBLY BILL 75

dry cleaner environmental response fund (DERF), which consists primarily of fees paid by dry cleaners.

This bill authorizes the transfer of money from the environmental improvement fund (which funds the Clean Water Fund Program, the Safe Drinking Water Loan Program, and the Land Recycling Loan Program) to DERF if the amount in DERF is insufficient to provide reimbursement under DERP. Any transfer must be repaid with interest. The bill requires the secretary of administration and the secretary of natural resources to enter into an agreement specifying the terms and conditions of the transfer and provides that the transfer may not exceed \$6,200,000.

Under the Land Recycling Loan Program, this state makes subsidized loans to municipalities and counties for projects to remedy environmental contamination at sites owned by the municipalities and counties where the environmental contamination has affected, or threatens to affect, groundwater or surface water. Current law limits the total amount that may be expended for this program to \$20,000,000. This bill reduces the amount that may be expended for the program by the amount of any transfer from the environmental improvement fund to DERF.

This bill sets the present value of the Land Recycling Loan Program subsidies that may be provided during the 2009–11 fiscal biennium at \$2,700,000. Current law provides that, in any fiscal biennium, an eligible applicant may not receive more than 25 percent of the present value of the subsidies established for that biennium. This bill eliminates this funding cap.

Under current law, generators of hazardous waste generally must pay an annual environmental repair fee consisting of a base fee plus \$20 per ton of waste with a maximum of \$17,000. This bill increases the base fee from \$210 to \$350 for generators of small quantities of hazardous waste and \$470 for generators of large quantities of hazardous waste and increases the maximum fee to \$17,500. Current law specifies that the environmental repair fee may not be assessed for certain wastes, including wastes that are recovered for recycling or reuse. This bill provides that it is the per ton fee, not the base fee, that may not be assessed for those wastes.

Current law authorizes DNR to take actions to prevent or remedy environmental contamination in specified circumstances. In some cases the law requires the person responsible for the contamination to reimburse DNR for the costs that it incurs in taking these actions. This bill provides that when DNR authorizes reimbursement for the costs of these actions to be paid over time, DNR must require monthly payments of interest on the outstanding balance of the reimbursement.

AIR QUALITY

Currently, EPA delegates to DNR the authority to administer the federal Clean Air Act in this state. The Clean Air Act requires persons who operate certain stationary sources of air pollution, such as large factories, to have federal operation permits. State law requires persons who operate certain other stationary sources of air pollution to have state operation permits. Generally, current law requires a person who has either kind of operation permit to pay an annual fee of \$35.71 per ton of certain pollutants emitted, subject to a cap.

This bill changes the annual fees that must be paid by persons who are required to have state operation permits. Under the bill, the annual fee is generally \$775. The

ASSEMBLY BILL 75

fee for some operation permits that contain limits to prevent a source from being required to have a federal operation permit is \$3,475.

This bill eliminates the annual fee of \$300 on the operator of a stationary source of air pollution who is not required to have an operation permit but whose stationary source emits more than three tons of certain air pollutants in a year.

Current law requires DNR to specify a term of not more than five years for most air pollution operation permits, but the law generally prohibits DNR from specifying an expiration date for certain simplified permits. This bill authorizes DNR to specify a term of more than five years, or an unlimited term, for a state operation permit, other than a simplified permit.

Current law authorizes DNR to establish fees for inspecting nonresidential asbestos demolition and renovation projects. The fees may not exceed \$400 for projects up to a specified size or, for larger projects, \$750. This bill increases the maximum fees to \$700 and \$1,325 respectively.

The bill also authorizes DNR to charge additional fees for reviewing a revised asbestos abatement, for inspecting property to be used for a community fire safety training project, and for inspecting property for a project for which the property owner failed to provide a required asbestos abatement notice to DNR before the project was initiated.

RECYCLING

Under current law, DNR provides financial assistance to certain governmental units and solid waste management systems (responsible units) that have solid waste programs that DNR determines are effective recycling programs. A solid waste program qualifies as an effective recycling program if it meets certain requirements, including a requirement that the occupants of certain buildings in the region separate recyclables from postconsumer waste (the materials separation requirement). The solid waste program must also include a system for collecting such materials from single-family residences in the region (the collection system requirement). Current law also authorizes DNR to grant limited variances, under which a responsible unit is exempt from certain requirements.

This bill authorizes DNR to grant certain additional variances to a responsible unit. The bill provides that DNR must grant a variance with regard to the materials separation requirement, as it applies to single-family residences and buildings containing not more than four dwelling units, if at least 80 percent of those residences and buildings comply with the materials separation requirement. The bill also provides that if DNR requires a solid waste management program to provide single-family residences and buildings containing not more than four dwelling units with at least monthly curbside collection of recyclables, DNR must grant a variance if the responsible unit provides at least monthly curbside collection of such materials to at least 80 percent of these residences and buildings in the region.

Under current law, DNR awards grants to responsible units to improve the efficiency of local recycling programs. Under current law, DNR also awards grants to public or private entities to pay a portion of the costs of innovative projects for recycling or reducing the amount of solid waste that is generated. This bill eliminates both types of grants.

ASSEMBLY BILL 75**OTHER ENVIRONMENT**

Current law imposes several fees, often called tipping fees, that are based on the weight of solid waste disposed of at a landfill or other waste disposal facility. Currently, the environmental repair tipping fee is \$1.60 per ton of solid waste, other than mining waste and certain kinds of high-volume industrial waste. This bill increases the environmental repair tipping fee to \$5 per ton.

Currently, the recycling tipping fee is \$4 per ton of solid waste, other than certain kinds of high-volume industrial waste. This bill increases the recycling tipping fee to \$5 per ton.

In addition, this bill changes the funding source for making the principal and interest payments on bonds issued by this state for certain water pollution abatement purposes from the general fund to the environmental fund.

Current law requires a person to pay DOT an environmental impact fee of \$9 upon registering a new motor vehicle, other than a neighborhood electric vehicle, or upon applying for a new certificate of title following the transfer of a vehicle. The fee expires on December 31, 2009. This bill eliminates the expiration date for the environmental impact fee.

HEALTH AND HUMAN SERVICES**PUBLIC ASSISTANCE**

Under current law, DHS provides relief block grant moneys to counties and tribal governing bodies for providing health care services, as well as cash assistance, (also known as “general relief”) to persons who meet the criteria for dependency. This bill eliminates the relief block grant program.

Under current law, DHS provides benefits under the food stamp program to qualified aliens. This bill eliminates the provision of food stamp benefits to qualified aliens.

Under current law, DOA provides heating assistance benefits to eligible households. One type of eligible household is a household that is entirely composed of persons receiving food stamps. This bill adds as an eligible household a household that includes at least one person who is eligible for food stamps and specifies that such an eligible household may not receive more than \$1 in heating assistance benefits per year.

Under current law, DCF may spend no more than the minimum amount required under the federal law that provides federal Child Care Development Funds (CCDF). DCF allocates CCDF for a number of purposes related to child care licensing and child care programs administered by DCF. This bill eliminates the requirement that DCF spend no more than the minimum amount required under federal law for its child care licensing activities and child care programs.

Under current law, DCF allocates specified amounts of federal moneys, including CCDF and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. The bill modifies some of those allocations. The bill also adds an allocation for public assistance program fraud and error reduction activities and removes an allocation for the Milwaukee and statewide child welfare information systems.

ASSEMBLY BILL 75

Under current law, DHS must conduct a three-year pilot program under which it pays premiums for coverage under the Health Insurance Risk-Sharing Plan (HIRSP) and copayments under HIRSP for drugs eligible for reimbursement under the AZT-reimbursement program. HIRSP is, generally, a health insurance program administered by the HIRSP Authority that provides major medical health insurance coverage for persons who are covered under Medicare because they are disabled, persons who have tested positive for HIV, and persons who have been refused coverage, or coverage at an affordable price, in the private health insurance market because of their mental or physical health conditions. This bill makes this pilot program permanent.

Under current law, DHS pays supplemental monthly payments for the support of dependent children to custodial parents who are receiving federal supplemental security income. The Wisconsin Works (W-2) program, administered by DCF, generally provides work experience and benefits for low-income custodial parents who are at least 18 years old. One eligibility requirement for the receipt of the state supplemental payments or for W-2 is that the custodial parent assign to the state any right he or she has to support from any other person. Of the support that is assigned to the state, a portion is the state's share and a portion is the federal government's share. Currently, all of the state's share is paid to the custodial parent, and a portion of the federal government's share is paid to the custodial parent in accordance with federal law.

This bill changes the amount of support collected that is paid to the custodial parent to 75 percent of all support collected, including both the state and federal shares. The bill also provides that, for determining eligibility for the supplemental payments for the support of dependent children, DHS must disregard any support that is received by or that is owed to the custodial parent. In addition, for a custodial parent who formerly received supplemental payments for the support of dependent children or participated in W-2 and assigned his or her right to support to the state but who is no longer receiving those supplemental payments or participating in W-2, the bill requires that 100 percent of the state's share and the federal government's share of support arrears that accrued while the custodial parent was receiving those supplemental payments or participating in W-2 and that are collected after the custodial parent ceased receiving the payments be paid to the custodial parent.

Currently, the state administers the Emergency Food Assistance Program and the Special Supplemental Nutrition Program for Women, Infants, and Children to provide food and information about nutrition to low-income people. This bill transfers the responsibilities for administering these programs and for developing a hunger prevention plan from DCF to DHS.

Current law requires, DHS to deliver food stamp benefits by means of an electronic benefit transfer system. This bill authorizes DHS to deliver any benefits that DHS administers by means of an electronic benefit transfer system if DHS obtains any necessary federal approval for using an electronic benefit transfer system; promulgates a rule adopting an electronic benefits transfer system; and allows county and tribal governments to opt out of the electronic benefit transfer

ASSEMBLY BILL 75

system if the cost to the county and tribal governments of delivering benefits electronically is greater than delivering benefits by other means.

WISCONSIN WORKS

Under current law, a person who meets the eligibility requirements for W-2 and who is the custodial parent of a child who is 12 weeks old or less may receive a monthly grant of \$673 and may not be required to work in a W-2 employment position. Current law also provides generally that receiving a monthly grant as the custodial parent of an infant counts toward the time limits that apply to how long an individual may receive certain benefits only if the child was born more than ten months after the date on which the individual was first determined to be eligible for W-2.

This bill provides that if a person who is a custodial parent was participating in W-2 for at least three months before receiving a custodial parent grant, the person may receive the grant until the child is 26 weeks old instead of 12 weeks old and may not be required to work in a W-2 employment position during that time. Additionally, the bill provides that an unmarried woman who would be eligible for W-2 except that she is not a custodial parent and who is in the third trimester of a pregnancy that is at risk and that renders the woman unable to participate in the workforce may also receive a monthly grant of \$673 and may not be required to work in a W-2 employment position. The bill provides that receiving a monthly grant as the custodial parent of an infant counts toward the time limits that apply to how long an individual may receive certain benefits regardless of when the child was born in relation to when the individual was first determined to be eligible for W-2, unless the child was conceived as a result of sexual assault or incest. Receipt of a monthly grant as an unmarried pregnant woman, however, does not count toward the time limits.

This bill makes a number of changes to W-2, including the following:

1. Eliminating the limits on the lengths of time during which a participant may participate in a particular type of employment position, but retaining the overall lifetime limit for participation of 60 months.

2. Removing the specifications on the number of hours a participant in a community service job placement or a transitional placement may be required to engage in certain job-related activities and educational or training activities, but retaining an overall requirement of not more than 40 hours per week.

3. Requiring DCF to specify guidelines for determining when a participant is demonstrating a refusal to participate.

4. Providing that a W-2 participant who refuses to participate is ineligible for W-2 for three months. Under current law, a W-2 participant who refuses to participate three times is ineligible to participate in that employment position.

5. Eliminating the Learnfare Program, which subjected individuals who failed to meet certain school attendance requirements to sanctions, and requiring W-2 agencies to provide information and services aimed at connecting W-2 participants, youth, and parents with their communities, their schools, employers, workforce development programs, child care providers, and other resources.

ASSEMBLY BILL 75

Currently under W-2, an individual who is the parent of a child under the age of 13 or, if the child is disabled, under the age of 19, may receive a child care subsidy if the individual needs child care services to participate in various educational or work activities and satisfies other eligibility criteria. A W-2 agency determines an individual's eligibility for a child care subsidy and then refers the individual to a county department of social services or human services (county department) for local administration of child care assistance, including determining the amount of the copayment for child care that the individual must pay, providing a voucher for payment of child care services, and assisting individuals to identify child care providers and select appropriate child care arrangements.

This bill authorizes DCF to contract with a county department, W-2 agency, child care resource and referral agency, or other agency to determine eligibility for a child subsidy of individuals who reside in a particular geographic region or who are members of a particular Indian tribal unit and to administer child care assistance at the local level.

Current law provides that the cost to administer the program may not exceed 5 percent of the total distributed in the current year for child care services, 5 percent of the total distributed in the previous year for child care services, or \$20,000, whichever is greatest. This bill requires the department to allocate at least \$20,000 per year to each contract for administrative responsibilities for each geographic region or Indian tribal unit.

This bill requires court-ordered child or family support received by an applicant or recipient under the W-2 child care subsidy program to be included in income for determining child care copayment amounts and financial eligibility for a child care subsidy.

This bill authorizes DCF to do any of the following to reduce costs under the W-2 child care subsidy program:

1. Increase the copayments that individuals who receive a subsidy pay by up to 10 percent.
2. Implement a waiting list.

The bill also requires DCF to implement, effective January 1, 2010, an attendance-based rate structure for child care provider reimbursements and to increase copayments paid by individuals who receive a child care subsidy to reduce costs under the child care subsidy program by \$1,520,000 in fiscal year 2009-10 and by \$4,200,000 in fiscal year 2010-11.

Under current law, DCF must establish a program to investigate suspected fraudulent activity on the part of W-2 participants, and counties and tribal governing bodies may establish such programs. If a county or tribal governing body establishes a program, it must pay to DCF 50 percent of the amount that it recovers in the first month of the program's operation, 66 percent of the amount that it recovers in the second month, and all amounts recovered after the second month. Current law does not specify how a county or tribal governing body is to use recovered amounts that it retains, but DCF must use recovered moneys received from a county or tribal governing body for W-2 benefits.

ASSEMBLY BILL 75

This bill provides that a county human or social services department, W-2 agency, or tribal governing body that administers W-2 may establish a program to investigate suspected fraudulent activity on the part of W-2 participants, may retain any amounts that are recovered, and must use the recovered moneys to pay cash benefits to W-2 participants.

MEDICAL ASSISTANCE

BadgerCare Plus (BC+) is a Medical Assistance (MA) program, administered by DHS, that provides health care benefits under two different plans, depending on the basis for a recipient's eligibility, to recipients who satisfy eligibility criteria. The first plan provides the same benefits that are provided under regular MA. The second plan, called the Benchmark Plan, provides specified benefits, including, but not limited to, coverage for prescription drugs; physicians' services; inpatient and outpatient hospital services; home health services; physical, occupational, and speech therapy; treatment for nervous and mental disorders and alcoholism and other drug abuse problems; durable medical equipment; and transportation to obtain emergency medical care. In addition to individuals who are eligible for the regular MA plan or for the Benchmark Plan, any child whose family income exceeds 300 percent of the poverty level may purchase coverage under the Benchmark Plan at the full cost of the coverage.

This bill makes a number of changes to BC+, including the following:

1. Directs DHS to provide prenatal care services under the regular MA plan for a pregnant woman with presumptive eligibility (has not applied for benefits but satisfies the eligibility criteria) whose income is not greater than 200 percent of the poverty level and to provide prenatal care services under the Benchmark Plan for a pregnant woman with presumptive eligibility whose income is greater than 200 percent but not greater than 300 percent of the poverty level.

2. Provides that any pregnant woman is eligible for BC+ benefits for any of the three months before applying for benefits if she met the eligibility criteria during that month. Under current law, only a pregnant woman whose family income is less than 150 percent of the poverty level is eligible for BC+ benefits for any of the three months before she applied for benefits.

3. Provides that only a pregnant woman with family income greater than 300 percent of the poverty level may obtain eligibility for BC+ benefits if medical expenses reduce her family income to the applicable limit for eligibility. Current law provides that any pregnant woman or unborn child may obtain eligibility if medical expenses reduce income to the applicable limit for eligibility.

4. Provides that in determining financial eligibility for BC+ benefits, a person's income is reduced by the amount of a court-ordered child or family support or maintenance obligation, up to the amount of the person's income. Current law reduces income by the amount the person actually pays in court-ordered child or family support or maintenance.

5. Provides that a person who loses eligibility for BC+ benefits for six months for failure to pay a premium retains eligibility in any month during that six-month period when his or her family income is not more than 150 percent of the poverty level.

ASSEMBLY BILL 75

6. Extends eligibility for MA coverage for 12, rather than 18, months for a person over 18 years of age who was receiving MA when BC+ was implemented, who lost eligibility for MA solely because of the implementation of BC+, and who does not meet the income eligibility criteria of BC+.

7. Provides that, if approval of the state plan amendments does not allow for federal funding for benefits for any part of an eligibility group, DHS may pay for benefits for that part of the group.

Under current law, an individual who would be eligible for MA based on eligibility for supplemental security income, but who is not eligible for supplemental security income because he or she is employed, may pay premiums for coverage under MA if his or her family's net income is less than 250 percent of the poverty level and his or her assets do not exceed \$15,000. This program is known as the MA purchase plan. When determining the value of the individual's assets for continued eligibility under the MA purchase plan, DHS excludes amounts in a DHS-approved account that consists solely of savings from the individual's employment after the individual's coverage under the MA purchase plan began. These accounts are known as independence accounts.

Under current law, if an individual who has coverage under MA through the MA purchase plan ceases employment, he or she is no longer eligible for the MA purchase plan and is not eligible for MA unless his or her income and assets meets the income and asset eligibility requirements for MA generally. This bill provides that any moneys in an individual's independence account will be excluded from the calculation of assets when determining the individual's eligibility for MA.

This bill authorizes DHS to provide incentive payments to DCF for identifying children who are receiving benefits under MA and who have health insurance coverage or access to health insurance coverage and authorizes DCF to provide this information to DHS.

The bill creates the Wisconsin Quality Home Care Authority (WQHCA), which is a public body corporate and politic created by state law, but which is not a state agency. A majority of members of the WQHCA board of directors must represent the interests of recipients of home care services. The WQHCA is subject to requirements such as state purchasing requirements, lobbying laws, and the code of ethics for public officials. The WQHCA is exempt from state employment requirements, and its employees are excluded from the state retirement system. The bill requires the WQHCA to establish and maintain a registry of providers; provide referrals to individuals seeking home care services; determine the eligibility of providers for placement on the registry; develop a recruitment program for providers; operate a backup provider system with a 24-hour per day call service; conduct activities to improve the supply and quality of home care providers; and perform other tasks.

This bill provides home care providers collective bargaining rights under state law in a manner similar to that provided state employees under the State Employment Labor Relations Act (SELRA). The collective bargaining unit is structured as one statewide unit and DHS acts as the state employer.

Under current law, some MA waiver programs and other programs provide a benefit for personal care services. This bill requires that an adult who 1) hires an

ASSEMBLY BILL 75

individual home care provider other than an agency, county, or independent living center employee or a health care provider; 2) is a resident of a county that agrees to abide by certain requirements or that offers certain programs; and 3) is a recipient of a home care benefit through the Family Care Program, an MA waiver program, a self-directed supports option program, an amendment to the state medical assistance plan, or the Program of All-Inclusive Care for the Elderly, must comply with certain requirements with regard to the hiring of the home care provider. The requirements include hiring only a provider eligible for inclusion on a registry maintained by the WQHCA and compensating providers in accordance with any state collective bargaining agreement pertaining to home care providers.

This bill allows DHS to charge a fee to certify entities providing personal care services and allows DHS to promulgate emergency rules for certification of entities providing personal care services.

Under current law, in certain counties, a person who meets certain functional and financial criteria and who is either a frail elder or a person who is at least 18 years old with a physical disability or a developmental disability is eligible for and may obtain the family care benefit, which is financial assistance for long-term care. This bill makes the following changes to the Family Care Program:

1. Requires that all individuals meet the functional eligibility requirements to be eligible for family care benefit. Currently, an individual may be eligible for the family care benefit if he or she does not meet the functional eligibility requirements for the family care benefit but meets other requirements.

2. Lengthens the deadline for care management organizations to provide the family care benefit to those entitled to it from 24 months to 36 months.

3. Decreases the ratio of long-term care advocates to one for every 3,500 individuals under age 60 who receive the family care benefit.

4. Eliminates the requirement that DHS allot money for the contract to provide advocacy services.

5. Requires that, for developmentally disabled individuals receiving the family care benefit, the care management organization, instead of the county, pay for services, including mental health services, covered by the Family Care Program.

Under current law, DHS regulates various types of long-term care providers, including three- and four-bed adult family homes.

This bill requires DHS to regulate one- and two-bed adult family homes. The bill provides that after the Family Care Program is implemented in a county, one- and two-bed adult family homes may not provide services for a person who is a recipient of services under the Family Care Program, a community-based long-term care MA waiver program, or supplemental security income unless the home is certified by DHS. Under the bill, DHS must certify one- and two-bed adult family homes based on certification standards established by DHS. In addition, DHS must certify one- and two-bed adult family homes that were certified by a county if the operator attests that they satisfy the certification standards established by DHS. DHS may impose fees for certification. In addition, DHS may inspect one- and two-bed adult family homes and revoke their certification for failure to satisfy certification standards.

ASSEMBLY BILL 75

Currently, physical therapy, occupational therapy, and services for speech, hearing, or language disorders (therapy services) are covered under MA if they are provided by a person who is certified by DHS to provide the services.

This bill provides that if a county spends more to provide therapy services for children participating in the Birth to 3 Program, under which counties provide services to infants and toddlers with developmental delays, than the county is reimbursed under standard MA reimbursement rates, and the federal government reimburses the state the federal share of MA for the county expenditures that are in excess of the standard MA reimbursement, DHS may disburse the federal share on the excess county expenditures to the county.

DHS currently does not certify special educators to provide therapy services under MA. This bill provides that services to assess and promote skill acquisition that are provided by special educators to children participating in the Birth to 3 Program are covered under MA if the county pays the entire state share of MA for the services. The bill requires DHS to establish certification criteria for special educators.

This bill requires DHS to request a waiver of federal Medicaid law to allow the state to provide home and community-based services under MA to children who participate in the Birth to 3 Program. The bill provides that if the waiver is granted, counties must pay the nonfederal share of MA costs for services provided under the waiver.

This bill specifies that DHS may implement through MA the state plan option under the federal Social Security Act, which provides federal funding for home and community-based services for people with mental illness.

Under current law, DHS reimburses certain costs of services provided by a state center for the developmentally disabled. Under the community integration program for residents of state centers for the developmentally disabled (the CIP IA program), DHS must reduce the reimbursement to a center by \$325 per day following the relocation of an individual from the center to a community setting. This bill eliminates the fixed amount of the reduction.

Under current law, if a person under the age of 22 or a person over the age of 64 is civilly committed in a state mental health institute, DHS pays the portion not paid by the federal government of the costs of the services the state mental health institute provides. Under this bill, the county must pay the portion not paid by the federal government.

Under current law, DHS has a waiver of federal Medicaid law to conduct a demonstration project to provide family planning services under MA to women between the ages of 15 and 44 with family incomes of not more than 200 percent of the federal poverty level. This bill allows DHS to request an amended waiver from the federal Department of Health and Human Services to expand the current family planning demonstration project to include men.

Under current law, DHS administers the Senior Care Program to provide prescription drugs to certain elderly persons at reduced prices. Pharmacies may charge a Senior Care enrollee only the program payment rate for prescription drugs, until the enrollee has met an annual deductible, if applicable, and thereafter may

ASSEMBLY BILL 75

charge the enrollee only a specified copayment amount. When an enrollee pays only the copayment, DHS reimburses the pharmacy the program payment rate minus the copayment. The program payment rate is equal to 105 percent of the MA prescription drug payment rate plus a dispensing fee. This bill reduces the program payment rate to 100 percent of the MA prescription drug payment rate plus a dispensing fee.

Current law requires that DHS establish a mechanism for reviewing petitions from nursing homes for modification of MA payments and develop criteria for granting modifications. Upon conducting a review, DHS may modify an MA payment to a nursing home, as long as the modified payment does not exceed federal maximum reimbursement levels. This bill repeals the requirement that DHS establish a mechanism for reviewing petitions from nursing homes to modify MA payments.

Current law requires the Board of Regents of the UW System to transfer \$15,000,000 to the Medical Assistance trust fund in each fiscal year through 2010–11. This bill increases the amount that the Board of Regents must annually transfer to the Medical Assistance trust fund to \$27,500,000, effective for fiscal year 2008–09, and requires the Board of Regents to make the transfer through fiscal year 2012–13.

Currently, the federal government pays a specified percentage of the allowable costs of MA benefits. Currently, for some MA benefits, the provider contributes the entire state share of the cost of providing the benefit and the state disburses to the provider the federal share of the allowable costs of providing the benefit.

This bill provides that regardless of whether the specified federal percentages for federal fiscal years 2009 or 2010 are increased above the percentages published on November 28, 2007, and November 26, 2008, for certain benefits for which the state disburses the federal share to the provider, the state shall use the percentages published on those dates to calculate the federal share for benefits provided between October 1, 2008, and December 31, 2010.

HEALTH

Current law prohibits smoking in mass transit vehicles and specified indoor locations, including inpatient health care facilities, such as community based–residential facilities and nursing homes, prisons and jails, restaurants, and governmental buildings.

With limited exceptions, a smoking area may be designated at an indoor location by the person who is in charge of that location.

Under this bill, smoking areas at the specified indoor locations may no longer be designated, resulting in a complete ban on indoor smoking at those locations with exceptions for private residences, a limited number of designated rooms in lodging establishments and certain residence rooms in assisted living facilities. In addition to the specified indoor locations listed under current law, the bill prohibits smoking in any public place or place of employment.

Current law provides exemptions from the prohibition against smoking for bowling centers, taverns, halls used for private functions, rooms in which the main

ASSEMBLY BILL 75

occupants are smokers, and areas of facilities that are used to manufacture or assemble goods, products, or merchandise. This bill eliminates these exemptions.

Current law allows smoking in any restaurant that has a seating capacity of no more than 50 individuals, or that holds a liquor license, if the sale of alcohol beverages accounts for more than 50 percent of the restaurant's receipts. This bill prohibits smoking in any restaurant regardless of the seating capacity or the number of liquor sale receipts.

Current law allows smoking in any tavern holding a "Class B" intoxicating liquor license or Class "B" fermented malt beverages license issued by a municipality. This bill prohibits smoking in any tavern. The bill also specifically prohibits smoking in private clubs.

Under current law, smoking is prohibited outside in limited instances. This bill adds a general prohibition against smoking outside within less than a reasonable distance from any entrance to a building, a window that may be opened, or a ventilation opening that draws air inside. The bill also specifically prohibits smoking in sports arenas and bus shelters.

Current law does not limit the authority of a municipality or county to enact smoking ordinances that protect the public's health and comfort. This bill makes no change in this provision.

This bill requires that persons in charge of places where smoking is prohibited enforce the prohibitions by taking certain steps to ensure compliance, such as asking a person who is smoking to leave and refusing to serve the person if the place is a restaurant, tavern, or private club.

Under current law, the Group Insurance Board, attached to DETF, administers a pharmacy benefits purchasing program that is available for all public and private sector employers in this state and all residents of this state. The program for private sector employers and other residents of this state, developed under contract with Navitus Health Solutions, is called BadgerRx Gold. This bill transfers the BadgerRx Gold program to DHS.

Under current law, DHS awards grants to organizations to provide mental health treatment and other services to women who are convicted of non-violent offenses and their dependent children. This bill eliminates this grant program.

LONG-TERM CARE

Currently, the state imposes a monthly, per-bed assessment on nursing homes that may not exceed \$75. This bill increases the maximum amount of the assessment to \$150 in fiscal year 2009-10 and \$170 in each fiscal year thereafter.

Current law imposes a cap on the number of nursing home beds that may be licensed statewide. DHS allocates the number of authorized licensed beds among seven planning areas and to nursing homes within the planning areas. A nursing home may transfer an authorized licensed bed to another nursing home if the receiving nursing home is in the same planning area as the transferring nursing home or in a county adjoining the planning area and the transferring and receiving nursing homes are under common ownership. This bill allows a nursing home to transfer an authorized licensed bed to another nursing home regardless of location

ASSEMBLY BILL 75

or ownership of the nursing homes as long as the nursing homes notify DHS and DHS approves the transfer.

Currently, DHS may place a monitor in, and the secretary of health services may petition for appointment of a receiver for, a nursing home or community-based residential facility (CBRF) when any of several conditions (for example, operating without a license or in the event of an emergency) exist. This bill specifies two additional conditions for placement of a monitor or petitioning for appointment of a receiver: 1) DHS or the nursing home or CBRF determines that estimated operating expenses of the nursing home or CBRF significantly exceed anticipated revenues; and 2) the nursing home or CBRF or its operator has been charged with or convicted of MA fraud, fraud under the federal Medicare Program, or the abuse or neglect of residents of the nursing home or CBRF. The bill also permits a monitor placed in a nursing home or CBRF to assist in financial management.

Currently, licensure fees for CBRFs and adult family homes (AFHs), as well as the certification fee for adult day care centers (ADCCs), are established by statute, though DHS may increase the certification fee for ADCCs by rule. This bill increases the licensure fees for CBRFs and AFHs and the certification fee for ADCCs. In addition, the bill authorizes DHS to increase the licensure fees for CBRFs and AFHs by rule.

This bill authorizes DHS to assess a \$200 fee against a hospital, nursing home, CBRF, residential care apartment complex, AFH, hospice, home health agency, or ADCC if DHS takes enforcement action against the facility or provider and subsequently conducts an on-site inspection to review the facility's or provider's action to correct the violation.

Under current law, the long-term care ombudsman investigates complaints of improper care in, and serves as an advocate for residents of, nursing homes, CBRFs, AFHs, hospices, facilities providing care under continuing care contracts, and swing beds in hospitals.

This bill authorizes the ombudsman to investigate complaints in, and serve as an advocate for residents of, residential care apartment complexes, and requires residential care apartment complexes to post a notice regarding the ombudsman program.

MENTAL ILLNESS AND DEVELOPMENTAL DISABILITIES

Under current law, a person on supervised release after being institutionalized as a sexually violent person is in the custody and control of DHS and is subject to conditions and rules. For the first year of supervised release, such a person is restricted to his or her home except for limited outings supervised by an escort from DOC. This bill authorizes DHS to permit an outing without direct escort supervision.

Under current law, if a court has reason to doubt the competency of a criminal defendant, the court may require an examination to determine whether the defendant is competent to proceed to trial. If the examiner determines that the defendant is not competent, but may attain competency with treatment, the court must suspend the criminal proceedings and commit the defendant to DHS for placement in a mental health institution for up to 12 months, or for the maximum sentence specified for the most serious offense with which the defendant is charged,

ASSEMBLY BILL 75

whichever is less. This bill reduces the maximum commitment time to six months, or the maximum sentence specified for the most serious offense with which the defendant is charged, whichever is less.

Under current law, if a defendant is found not guilty of a crime by reason of mental disease or mental defect, the court must commit the person to either institutional care or conditional release. If the court lacks sufficient information to decide between institutional care and conditional release, the court may order a predisposition investigation of the person or a supplementary mental examination, or both. Under this bill, the court may order only a predisposition investigation.

CHILDREN***Out-of-home care***

Under current law, any person who provides care and maintenance for four or fewer children must obtain a license to operate a foster home and any person who provides care and maintenance and structured, professional treatment for four or fewer children must obtain a license to operate a treatment foster home. A foster parent is reimbursed for basic maintenance according to age-related rates specified by law and may receive a supplement for special needs, exceptional circumstances, and initial clothing allowances according to DCF rules. In addition, a treatment foster parent receives a supplement for providing treatment foster care. A relative who provides care and maintenance for a child is not required to obtain a foster or treatment foster home license, but may be eligible for kinship care payments of \$215 per month.

This bill eliminates kinship care payments and treatment foster homes as a separate licensing category effective on January 1, 2010. Instead, the bill requires DCF to promulgate rules as follows:

1. Rules specifying levels of care that a foster home is licensed to provide. The levels must be based on the knowledge, skill, training, experience, and other qualifications that are required of the licensee, the licensee's responsibilities, the needs of the children placed with the licensee, and any other requirements that DCF may promulgate by rule.

2. Rules establishing a standardized tool to assess the needs of a child placed outside the home, to determine the level of care that is required to meet those needs, and to place the child in a placement that meets those needs. A foster home may provide foster care for any child whose needs are assessed at or below the level of care that the foster home is licensed to provide.

3. Rules providing monthly reimbursement rates for foster care that are commensurate with the level of care that the foster home is licensed to provide and the needs of the child who is placed in the foster home. Those rates are added to the basic maintenance rates for foster care (which the bill increases by 5 percent on January 1, 2010, and by an additional 5 percent on January 1, 2011) and must include supplemental payment rates for special needs, exceptional circumstances, and initial clothing allowances for children placed in a foster home.

4. Rules providing a monthly fee for a foster home that agrees to maintain openings for emergency placements.

ASSEMBLY BILL 75

A person who is licensed to operate a treatment foster home on December 31, 2009, is deemed licensed to operate a foster home beginning on January 1, 2010, and must be reimbursed for foster care at the rate determined under the DCF rules. A recipient of kinship care payments on December 31, 2009, is deemed licensed to operate a foster home beginning on January 1, 2010, and must be reimbursed at that rate, if the person passes the background investigation required of foster parents.

Under current law, a residential care center for children and youth (residential care center) and a group home must establish a per client rate for their services and must submit that rate and any change in that rate to DCF before charging any purchaser of those services.

This bill requires DCF to establish the per client rate. DCF must also establish per client “administrative rate” that a child welfare agency may charge for the administrative portion of its treatment foster care services provided beginning on January 1, 2011. The administrative rate is the difference between the rate charged by a child welfare agency to a purchaser of treatment foster care services and the rate paid by the child welfare agency to a treatment foster parent for the care and maintenance of a child. The bill also freezes for 2010 at the 2009 level the per client rate that a residential care center or a group home may charge for its services and the per client administrative rate that a child welfare agency may charge for the administrative portion of its treatment foster care services.

Under the bill, DCF must determine whether a rate proposed by a residential care center, group home, or child welfare agency is appropriate to the level of services to be provided; the qualifications of the residential care center, group home, or child welfare agency to provide those services; and the reasonable and necessary costs of providing those services. If DCF determines that a proposed rate is appropriate, DCF must approve it. If DCF does not approve a proposed rate, DCF must negotiate a rate with the residential care center, group home, or child welfare agency. If negotiations fail, the parties must engage in mediation. If mediation fails, the residential care center, group home, or child welfare agency may not provide the service for which the rate was proposed.

Current law requires a treatment foster parent to receive training before a child is placed in his or her home and requires ongoing training in the specific needs of the treatment foster parent after licensing. Additionally, a foster or treatment foster parent caring for a child with special needs may voluntarily participate in an education program. This bill requires all foster and treatment foster parents to successfully complete training in the care and support needs of children who are placed in foster or treatment foster care.

Under current law, when a person applies for or receives kinship care payments for the care of a child, any right of the child or of the child’s parent to support or maintenance from any other person, including any right to unpaid amounts accrued at the time of application for those payments or that aid (pre-assistance arrears), is assigned to the state. Beginning on October 1, 2009, this bill eliminates assignment to the state of any right of a child or parent to pre-assistance arrears and releases any right to pre-assistance arrears assigned to the state before that date to the person who assigned that right to the state.

ASSEMBLY BILL 75***Child abuse and neglect***

Under current law, immediately after receiving a report of child abuse or neglect, a county must determine whether a caregiver of the child is suspected of the abuse or neglect. If so, the county must investigate to determine whether the child is in need of protection or services. If another person is suspected of the abuse or neglect, the county may investigate. If the report is of child sexual abuse, the county must refer the report to the sheriff or police department. Within 60 days after receiving a report that it investigates, a county must determine whether abuse or neglect has occurred or is likely to occur. If a county determines that a specific person has abused or neglected a child, that person may appeal under procedures promulgated by DCF by rule.

This bill requires DCF to establish a pilot program under which a county must respond to such a report as follows:

1. If the county finds reason to suspect that substantial abuse or neglect has occurred or is likely to occur or that an investigation is otherwise necessary to ensure the safety of the child and his or her family, the county must investigate the report as provided under current law.

2. If the county finds reason to suspect that abuse or neglect, other than substantial abuse or neglect, has occurred or is likely to occur, but that there is no immediate threat to the safety of the child and his or her family and intervention by the juvenile court is not necessary, the county must conduct a comprehensive assessment of the safety of the child and his or her family, the risk of subsequent abuse or neglect, and the strengths and needs of the child's family to determine whether services are needed. Based on the assessment, the county must offer services to the child's family on a voluntary basis or refer the child's family to a service provider in the community. If the county conducts an assessment, the county is not required to refer the report to the sheriff or police department or determine whether abuse or neglect has occurred or is likely to occur or whether a specific person has abused or neglected the child.

3. If the county finds no reason to suspect that abuse or neglect has occurred or is likely to occur, the county must refer the child's family to a service provider in the community but is not required to conduct an assessment, refer the report to the sheriff or police department, or determine whether abuse or neglect has occurred or is likely to occur or whether a specific person has abused or neglected the child.

Under the current Child Abuse and Neglect Prevention Program, DCF awards grants to no more than six rural counties, three urban counties, and two Indian tribes that offer voluntary home visitation services to first-time parents who are eligible for MA. Current law requires DCF to determine the amount of a grant awarded to a county or an Indian tribe in excess of \$10,000 based on the number of births that are funded by MA in that county or the reservation of that Indian tribe in proportion to the number of those births in all of the counties and the reservations of all of the Indian tribes to which grants are awarded. Currently, a grant may be used to make payments totalling not more than \$1,000 per year for the appropriate expenses of a participating family. A county, other than Milwaukee County, or an Indian tribe may also use a grant to provide case management services for a participating family.

ASSEMBLY BILL 75

This bill makes all of the following changes to the Child Abuse and Neglect Prevention Program:

1. Eliminates the caps on the number of counties and Indian tribes that may be selected to participate.

2. Requires DCF to determine the amount of a grant in excess of \$10,000 based on the number of births that are funded by MA in a county or a reservation of an Indian tribe, without regard to the number of those births in other counties and reservations, and on the rate of poor birth outcomes, including infant mortality, premature births, low birth weights, and racial or ethnic disproportionality in the rate of those outcomes, in the county or reservation.

3. Provides that if a family with a child who is at risk of abuse or neglect has been continuously receiving home visitation services for not less than 12 months, those services may continue until the child reaches three years of age, whether or not the child continues to be eligible for MA.

4. Permits Milwaukee County to use grant funds to provide case management services.

5. Eliminates the cap on the amount that a county or Indian tribe may pay per year for the expenses of a family participating in the program and instead requires a county or Indian tribe to pay not less than \$250 per year for those expenses.

6. Eliminates the authority of a county or Indian tribe that receives a grant to provide home visitation services to a person who is not eligible for the program, but who is at risk for perpetrating child abuse or neglect.

7. Requires a county or Indian tribe that receives a grant to do all of the following:

a. Agree to match at least 25 percent of the grant amount.

b. Offer voluntary home visitation services to all, not just first-time, pregnant women who are eligible for MA and to commence those services during the prenatal period.

c. Reinvest in the program a portion of the MA reimbursement received by the county or Indian tribe.

d. Implement strategies, in collaboration with local prenatal care coordination providers, aimed at achieving healthy birth outcomes.

Child care

Under current law, a day care center licensed by DCF may be reimbursed under the W-2 program for child care provided for a person who is eligible for a child care subsidy. This bill requires DCF to provide a quality rating system for licensed day care centers that are reimbursed under W-2 or that volunteer for rating under the system. The rating information must be made available, including on DCF's Internet site, to parents, guardians, and legal custodians of children who are recipients, or prospective recipients, of care and supervision from a rated day care center.

Under current law, a child care provider, other than a day care center licensed by DCF or established or contracted by a school board, must be certified by a county in order to be reimbursed for child care provided to a person who is eligible for a child care subsidy under W-2. This bill permits DCF to contract with a W-2 agency, child care resource and referral agency, or other agency to certify child care providers in

ASSEMBLY BILL 75

a particular geographic area or Indian tribal unit for purposes of reimbursement under W-2.

Under current law, a day care center that provides care and supervision for nine or more children must pay a biennial license fee of \$30.25, plus \$10.33 per child based on licensed capacity. This bill raises the per child fee to \$16.94.

OTHER HEALTH AND HUMAN SERVICES

Under current law, DHS may recover payments for health care services under MA resulting from a misstatement or omission of fact by a person supplying information in an application for benefits. If DHS provides any medical assistance to a person as a result of an injury, for example, that was caused by a third party, DHS may recover from the third party the amount of the medical assistance provided. Also under current law, if an individual is delinquent in the payment of court-ordered child or family support (support) or maintenance, his or her name, social security number, and amount of support or maintenance owed is posted on a statewide support lien docket.

This bill requires every insurer authorized to do business in this state, before paying any claim of \$500 or more, to verify with DHS that the individual to whom the claim is to be paid does not owe an amount that was incorrectly paid under MA or an amount that DHS may recover because of medical assistance provided to another person (medical assistance liability) and to ensure that the individual does not have an overdue support or maintenance obligation (support liability). If the individual has a support or medical assistance liability, the insurer must pay the claim proceeds, up to the amount of the support or medical assistance liability, to DCF or DHS and pay any remainder to the individual.

Under current law, the fee for a copy of a birth certificate, death certificate, marriage certificate, or divorce or annulment certificate is \$20, the fee for expedited issuance of a copy of one of these certificates is \$20, and the fee for an additional copy of the same birth certificate at the same time is \$3. Current law reduces these fees, effective July 1, 2010, to the following amounts: for a copy of a birth certificate, \$12; for a copy of a death certificate, marriage certificate, or divorce or annulment certificate, \$7; and for expedited issuance of a copy of a certificate, \$10.

This bill repeals the scheduled fee reductions for certificates, increases the fee for a copy of a birth certificate to \$22, and increases the fee for an additional copy to \$5.

Under current law, with few exceptions, a patient's health information is confidential unless the patient gives informed consent to release the information. Hospitals, physicians, and certain laboratories, however, must report to DHS information concerning any person diagnosed as having cancer or a precancerous condition.

This bill allows DHS to disclose otherwise confidential cancer report information to a cancer researcher who submits an application with his or her qualifications, a written research protocol, documentation of approval of the protocol by an institutional review board, and any information that DHS requests. The bill prohibits the researcher from disclosing the cancer information obtained from DHS except in certain circumstances. Anyone who discloses a patient's confidential

ASSEMBLY BILL 75

cancer information is liable to that patient for damages and may be subject to a fine or imprisonment.

Under the current childless adults program, DHS provides health care coverage to adults under the age of 65 who have incomes not exceeding 200 percent of the federal poverty line and who are not otherwise eligible for MA or Medicare. One of the eligibility criteria under the AZT-reimbursement is that an individual must have applied for coverage under and been denied eligibility for MA within 12 months before applying for reimbursement. With a number of exceptions for different types of MA coverage, including coverage under the childless adults program, persons who are eligible for MA are not eligible for coverage under HIRSP.

This bill provides that individuals who are eligible for coverage under the Benchmark Plan under BC+ are not for that reason ineligible for HIRSP. The bill also eliminates the requirement under the AZT-reimbursement program, that an individual must have applied for coverage under and been denied eligibility for MA within 12 months before applying for reimbursement, for individuals who are eligible for the childless adults program or the Benchmark Plan under BC+.

Under current law, DHS awards grants totaling \$225,000 annually for respite care for individuals with special needs or individuals who are at risk of abuse or neglect. This bill eliminates this program.

This bill eliminates the requirement for DHS or its attached entities to make recommendations regarding physical disabilities and hunger prevention, to collect information on hospital newborn hearing screenings, and to submit reports on the following subjects: the impact of the relocations of residents of state centers for the developmentally disabled on state employees, motor vehicle use by physically disabled persons, hunger prevention, the Badger Care Program, medical assistance certified pharmacists, care and service facilities, nursing home Class A violations, rehabilitation requests under the caregiver background requirements, the Birth to 3 Program, activities related to treatment of alcoholism, the state emergency medical services plan, statewide immunization, newborn hearing screening, birth defect surveillance, and tobacco use cessation grants.

INSURANCE**HEALTH INSURANCE*****Independent review***

Under current law, every insurer that issues a group or individual health benefit plan must have an internal grievance procedure and an independent review procedure for certain adverse decisions after the internal grievance procedure has been exhausted. Generally, the adverse decision must relate to the insurer's denial, reduction, or termination of a health care service or payment for a health care service on the basis that the service was experimental or did not meet the plan's requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness. An independent review may be conducted only by an independent review organization that has been certified by OCI.

This bill adds the rescission of a policy or certificate and a coverage denial determination based on a preexisting condition exclusion to the types of adverse decisions that are eligible for independent review. The bill also eliminates the \$25

ASSEMBLY BILL 75

fee for an independent review. In addition, the bill requires every insurer that issues individual health benefit plans to report to OCI annually the number of plans issued by the insurer in the preceding year and the number of plans with respect to which the insurer initiated or completed a cancellation or rescission in the preceding year.

Preexisting condition exclusions

Under current law, an insurer may impose a preexisting condition exclusion for up to two years under an individual health insurance policy and there is no limit on how long before an insured's coverage began a condition may have existed to be treated as a preexisting condition. Under a group health insurance policy, a preexisting condition exclusion generally may not exceed one year and the insurer may impose an exclusion only with respect to conditions for which treatment was received or recommended within six months before coverage began. This bill provides that under an individual health insurance policy, an insurer may impose a preexisting condition exclusion for up to one year for a condition for which treatment was received or recommended within one year before the insured's coverage began.

Modifications at renewal of individual health insurance

Currently, with some exceptions, an insurer must renew an individual health insurance policy at the request of the insured. At renewal, the insurer may modify the policy form uniformly among all individuals with coverage under that policy form. This bill requires an insurer, at renewal of an individual health insurance policy and at the request of the insured, to issue comparable coverage that the insurer currently offers or coverage currently offered by the insurer that has more limited benefits or a higher deductible or to provide a higher deductible under the insured's current coverage. An insurer must annually mail to each insured under an individual policy issued a notice that informs the insured of his or her right to elect alternative coverage and that describes the alternatives and the procedure for electing the alternative coverage.

Uniform application for individual health insurance

This bill requires OCI to prescribe uniform questions and the format for applications that all insurers offering individual health insurance policies must use on an application for such a policy.

Dependent coverage

Current law contains a number of provisions related to coverage of dependents under health insurance policies, such as requiring a health insurer that covers a child of an insured also to cover any child of the insured's child until the insured's child is 18 years old and prohibiting a health insurer from terminating coverage of a dependent child who reaches the age at which the insurer no longer covers dependents if, and while, the child is incapable of self-sustaining employment because of mental retardation or physical handicap and is dependent on the insured for support and maintenance. Current law, however, does not require a health insurer to cover a dependent of an insured up to any particular age or, for example, because a dependent is a full-time student.

Under this bill, a health insurer that provides coverage for dependents must cover any child of an insured if the child is unmarried, is under 27 years old, does not

ASSEMBLY BILL 75

have other health care coverage, and is not employed full time by an employer that offers health care coverage to its employees. The coverage requirement applies to both individual and group health insurance policies and plans, including those offered by the state, and to self-insured health plans of counties, cities, villages, towns, school districts, and the state.

Requirement for health insurer to cover claims

This bill prohibits a health insurer from refusing to cover claims for health care services provided to an insured on the basis that there may be coverage for those services under a liability insurance policy.

MOTOR VEHICLE INSURANCE***Proof of financial responsibility***

Current law imposes certain financial responsibility requirements on owners and operators of motor vehicles involved in accidents. If a motor vehicle accident results in injury, death, or property damage of \$1,000 or more, DOT must notify the operator and owner of the vehicle that the person must deposit with DOT security for the accident in an amount that DOT has determined is sufficient to satisfy any resulting judgment for damages. Unless an exception applies, if a person fails to timely deposit security after this notice, DOT must suspend the person's operating privilege if the person was the vehicle operator and suspend all vehicle registrations of the person if the person was the vehicle owner. One exception applies to a person who provides proof of financial responsibility. In addition, if DOT receives a certified copy of a judgment for damages of \$500 or more arising out of a motor vehicle accident, DOT must immediately suspend the operating privilege and all registrations of the judgment debtor unless he or she can provide proof of financial responsibility. In both situations, proof of financial responsibility includes coverage under a motor vehicle liability insurance policy with the following minimum limits for any single accident: \$25,000 for bodily injury to or death of one person, \$50,000 for bodily injury to or death of more than one person, and \$10,000 for property damage.

This bill increases the minimum limits required under a policy that is acceptable proof of financial responsibility to \$100,000 for bodily injury to or death of one person, \$300,000 for bodily injury to or death of more than one person, and \$25,000 for property damage.

Uninsured motorist and medical payments coverages

Under current law, all motor vehicle liability insurance policies must include uninsured motorist coverage of at least \$25,000 per person and \$50,000 per accident and medical payments coverage of at least \$1,000 per person. Uninsured motorist coverage provides coverage for persons who are legally entitled to recover damages for bodily injury from owners or operators of motor vehicles that are not insured. Medical payments coverage pays for medical or chiropractic services provided to persons who are injured while using the insured motor vehicle.

This bill increases the required level of uninsured motorist coverage to \$100,000 per person and \$300,000 per accident, and increases the level of required medical payments coverage to \$10,000.

ASSEMBLY BILL 75***Underinsured motorist coverage***

Current law, while not requiring that motor vehicle liability policies include underinsured motorist coverage, requires insurers to provide written notice of the availability of that coverage to one insured under each policy written after, or in effect on, October 1, 1995, that does not include the coverage. If an insured accepts the coverage after receiving notice of its availability, the policy must include the coverage in limits of at least \$50,000 per person and \$100,000 per accident. Underinsured motorist coverage provides coverage for persons who are legally entitled to damages for bodily injury from owners or operators of underinsured motor vehicles. "Underinsured motor vehicle" is not defined in the statutes.

This bill requires every motor vehicle liability insurance policy to include underinsured motorist coverage of at least \$100,000 per person and \$300,000 per accident. In addition, the bill defines an underinsured motor vehicle as a motor vehicle that is involved in an accident with an insured and which, at the time of the accident, was covered by a motor vehicle liability insurance policy with limits that are less than the amount needed to fully compensate the insured for his or her damages.

Umbrella and excess liability insurance policies

Current law exempts umbrella and excess liability insurance policies from the requirement that a policy covering motor vehicle liability include uninsured motorist coverage. Nothing in current law, however, exempts an insurer writing umbrella or excess liability insurance policies from the requirement to provide notice of the availability of underinsured motorist coverage.

This bill affirmatively requires an insurer that writes umbrella or excess liability policies that cover motor vehicle liability to make a written offer of both uninsured motorist coverage and underinsured motorist coverage whenever application is made for such a policy. The bill provides that, if an insurer fails to provide a required written offer of uninsured or underinsured motorist coverage and the umbrella or excess liability policy does not include the coverage, or coverages, for which an offer was not given, a court must, on the request of the insured, reform the policy to include the coverage or coverages with the same limits as the liability coverage limits under the policy.

Miscellaneous motor vehicle liability insurance provisions

Under current law, uninsured motorist coverage does not apply if an accident occurs without actual contact between two vehicles. This bill provides that actual contact is not necessary for uninsured motorist coverage to apply.

Current law specifies a number of provisions that are permissible in a motor vehicle liability insurance policy and a number of provisions that are prohibited in such a policy. This bill prohibits the following currently permissible provisions prohibited in a motor vehicle liability insurance policy:

1. Providing that, regardless of the number of policies, persons, or vehicles involved, the limits for coverage under the policy may not be added to the limits for similar coverage applying to other motor vehicles to determine an overall limit of coverage available for a person in any one accident.

ASSEMBLY BILL 75

2. Providing that the maximum amount of uninsured or underinsured motorist coverage available for bodily injury or death suffered by a person not using a motor vehicle in an accident (such as a pedestrian) is any single limit of uninsured or underinsured motorist coverage for any vehicle with respect to which the person is insured at the time of the accident.

3. Providing that the maximum amount of medical payments coverage available for bodily injury or death suffered by a person not using a motor vehicle in an accident is any single limit of medical payments coverage for any vehicle with respect to which the person is insured at the time of the accident.

4. Providing that the limits under the policy for uninsured or underinsured motorist coverage for bodily injury or death resulting from an accident are reduced by amounts paid or payable by or on behalf of a person or organization that is legally responsible for the bodily injury or death; amounts paid or payable under any worker's compensation law; or amounts paid or payable under any disability benefits laws.

5. Providing that any coverage under the policy does not apply to a loss resulting from the use of a motor vehicle that is owned by the named insured or a spouse or relative of the named insured who lives in the named insured's household, that is not described in the policy, and that is not covered under the terms of the policy as a newly acquired or replacement motor vehicle.

OTHER INSURANCE

Under current law, a care management organization is certified by and contracts with DHS to administer the Family Care Program, which provides financial assistance for long-term care to eligible individuals.

This bill requires that, in order to provide family care services, a care management organization that does not also provide primary or acute medical care must also obtain a permit from OCI. OCI may issue a permit if, after consulting with DHS, it finds that: 1) the care management organization has met all requirements of law, 2) the directors, principal officer, or any controlling person are trustworthy and competent to engage in the proposed services, and 3) the care management organization's business plan is consistent with the interests of Family Care Program enrollees and the public. Under certain circumstances, OCI may revoke or suspend a permit.

Care management organizations that have a permit are subject to requirements under the bill similar to requirements in current law applicable to insurance companies, such as complying with OCI's request for reports, submitting to examinations and audits, paying the costs of examination, complying with OCI rules, reporting transactions with affiliates of the care management organization, and reporting changes in ownership or management of the care management organization to OCI. A care management organization with a permit must also deposit an amount determined by DHS, to pay for services on behalf of an insolvent or financially hazardous care management organization.

The bill also requires that Family Care Program enrollees not be held liable for any obligations of the care management organization.

ASSEMBLY BILL 75

Under current law, for each notification or renewal of an insurance agent's appointment, the insurance company must pay to OCI a fee of not more than \$8 for a resident agent and \$24 for a nonresident agent. This bill eliminates the maximum fee and requires that the fee be paid in an amount, at times, and under procedures, set by OCI.

Under current law, a fraternal benefit society may provide insurance coverage only to its members and their spouses and dependent children. The bill authorizes fraternal benefit societies to provide insurance coverage to the domestic partners of fraternal members.

JUSTICE AND LAW ENFORCEMENT

This bill requires a law enforcement agency to collect the following information concerning motor vehicle stops made in any county having a population of 125,000 or more (populous county) on or after January 1, 2011: 1) the name, address, gender, and race of the vehicle operator; 2) the reason for the stop; 3) the make and year of the vehicle; 4) the date, time, and location of the stop; 5) whether a law enforcement officer conducted a search of the vehicle, operator, or any passenger and, if so, whether the search was with consent or by other means; 6) the name, address, gender, and race of any person searched; and 7) the name and badge number of the officer making the stop.

The information that is collected is not subject to inspection or copying as a public record, but must be submitted to DOJ. DOJ must then compile and analyze it, along with any other relevant information, to determine, both for each law enforcement agency and as an aggregated total for all law enforcement agencies in populous counties, whether the number of stops and searches involving vehicles operated or occupied by members of a racial minority are disproportionate compared to the number of stops and searches involving vehicles operated or occupied solely by persons who are not members of a racial minority. If DOJ finds that the number of stops and searches involving racial minorities is disproportionate compared to the number of stops and searches involving nonminorities, DOJ must then determine whether it is the result of racial profiling, racial stereotyping, or other race-based discrimination or selective enforcement. DOJ must prepare an annual report that summarizes the information submitted to it and describes the methods and conclusions of its analysis of the information.

Under current law, no person may be appointed as a law enforcement officer unless the person has been certified by the Law Enforcement Standards Board (LESB) after completing a training program approved by LESB. This bill requires additional training on cultural diversity, including sensitivity toward racial and ethnic differences, to prevent racial profiling, racial stereotyping, or other race-based discrimination.

Current law allows DOJ to grant compensation to the spouse of a person who is killed or injured while trying to prevent a crime, trying to detain a criminal, or trying to assist a crime victim or a law enforcement officer. This bill allows a domestic partner to receive the same compensation that a spouse receives under current law.

Under current law, DOJ charges firearms dealers an \$8 fee to conduct a firearms restrictions record search, which includes a criminal history search and a

ASSEMBLY BILL 75

search to determine if the prospective buyer is prohibited from purchasing a firearm by state law. Forty-eight hours after requesting the search, the dealer may complete the sale, unless DOJ has informed the dealer that the purchase is prohibited.

This bill increases the fee to \$30.

This bill increases from \$8 to \$13 the crime laboratory and drug enforcement surcharge a court must assess when imposing a penalty or placing a person on probation for a violation of state law or a local ordinance.

Under current law, DOJ must impose a fee for a criminal history search that is not related to criminal justice or to a handgun purchase. The current fee is \$2 for a search requested by a nonprofit organization and \$5 for a search requested by a governmental agency. This bill changes both fees to \$7.

Under current law, if a person files a civil action, an action in small claims court, or a wage garnishment action, or if the person is assessed a civil forfeiture, the person generally pays a \$12 justice information surcharge. Of that amount, \$6 is credited to the consolidated court automation program (CCAP), \$5 is credited to the automated justice information system, and \$1 remains in the general fund.

This bill increases the justice information surcharge to \$18. Under the bill, \$6 is credited to CCAP, \$7.50 is credited to the automated justice information system, \$1.50 is credited to the Office of Justice Assistance (OJA) for statistical gathering and analyses, \$2 is credited to DOA for assistance to indigent civil litigants, and \$1 remains in the general fund.

Current law requires OJA to provide staff support for oversight and development of a statewide public safety interoperable communication system. This bill authorizes OJA to charge state public safety agencies a fee for using the system.

This bill eliminates a grant program, administered by OJA, that provides funding to law enforcement agencies for digital recording equipment for making audio or audio and visual recordings of custodial interrogations or for training personnel to use such equipment.

Under current law, OJA awards grants to counties to provide alternatives to prosecution and incarceration for criminal offenders who abuse alcohol or drugs. This bill requires OJA to award a grant of \$371,200 in 2010 and in 2011 to the county with the highest crime rate among counties having a population of 500,000 or more, upon approval of the county's grant application.

The bill also requires OJA to provide \$495,000 in 2010 and in 2011 to the county that has the highest crime rate among counties having a population of 500,000 or more to perform presentencing assessments on a portion of the people convicted of a Class F, G, H, or I felony or a misdemeanor, for the purpose of providing courts information for sentencing decisions.

LOCAL GOVERNMENT

Under current law, local levy limits apply to the property tax levies that are imposed in December 2007 and 2008. Current law prohibits any city, village, town, or county (political subdivision) from increasing its levy by a percentage that exceeds its valuation factor, which is the greater of either 2 percent or the percentage change in the political subdivision's equalized value due to new construction, less improvements removed, except that for 2007 the levy limit is 3.86 percent. In

ASSEMBLY BILL 75

addition, the calculation of a political subdivision's levy does not include any tax increment that is generated by a tax incremental district.

This bill extends the levy limits to the property tax levies that are imposed in December 2009 and 2010, and increases the 2009 and 2010 limit to the greater of either 3 percent or the percentage change in the political subdivision's equalized value due to new construction, less improvements removed. Under the bill, the base amount of a political subdivision's levy, on which the levy limit is imposed, is the maximum allowable levy for the immediately preceding year.

This bill authorizes a first class city (presently only Milwaukee) to issue appropriation bonds on a one-time basis, other than refunding bonds, to pay all or any part of the city's unfunded prior service liability with respect to an employee retirement system of the city. An appropriation bond is any bond, note, or other obligation of a city issued as provided in the bill to evidence the city's obligation to repay borrowed money that is payable from various sources, including moneys annually appropriated by the city for debt service due with respect to the appropriation bonds, proceeds of the sale of the appropriation bonds, and investment earnings on the appropriated moneys and bond sale proceeds.

Before the city may issue appropriation bonds, however, the city must enact an ordinance to implement a five-year strategic and financial plan related to the payment of unfunded employee retirement benefits. The financial plan must provide that future annual pension liabilities are funded on a current basis and must contain quantifiable benchmarks to measure compliance with the plan. Annually, the common council must report to the legislature, DOR, DOA, and the governor on a number of issues related to the appropriation bonds. If the city does not fully fund the lower of either the required cost contribution for a particular year or the normal cost for that year, DOR must reduce and withhold from the city's shared revenue payments the difference between its required cost contribution and the amount the city actually contributes to the system for that year. DOR must deposit the withheld amount into the city's employee retirement system.

The bill states that a first class city is not generally liable for appropriation bonds, and appropriation bonds are not a debt of the city for any purpose whatsoever. Appropriation bonds, including the principal and interest payments, are payable only from amounts that the common council may, from year to year, appropriate.

A similar statute currently applies to a county with a population of 500,000 or more (presently only Milwaukee county).

This bill requires DOR to impose annually an administrative fee of \$150 on each tax incremental district (TID) or environmental remediation TID (ERTID) for which DOR authorizes the allocation of a tax increment. The fee is imposed on the municipality that created the TID or on the municipality or county that created the ERTID.

Generally, under current law, the governing body of a political subdivision may enact an ordinance or adopt a resolution declaring itself to be a premier resort area if at least 40 percent of the equalized assessed value of the taxable property within the political subdivision is used by tourism-related retailers. A premier resort area may impose a tax at a rate of 0.5 percent of the gross receipts from the sale, lease,

ASSEMBLY BILL 75

or rental of goods or services that are subject to the general sales and use tax and are sold by tourism-related retailers. The proceeds of the tax may be used only to pay for infrastructure expenses within the premier resort area, including the costs of purchasing, constructing, or improving parking lots; transportation facilities; sewer and water facilities; recreational facilities; fire fighting equipment; and police vehicles.

This bill expands the infrastructure expenses for which the tax proceeds may be used to include exposition center facilities used primarily for certain specified activities, including conventions, trade shows, musical or dramatic events, and educational, cultural, recreational, sporting, and commercial activities.

Under current law, a local governmental unit (which includes a city, village, town, county, school district, sewerage district, and drainage district) may provide health and life insurance for employees, officers, and their spouses and dependent children. Under this bill, such coverage may also be provided for an employee's and officer's domestic partner and dependent children.

NATURAL RESOURCES**FISH, GAME, AND WILDLIFE**

Under current law, if a court imposes a fine or forfeiture for a violation of certain laws regulating hunting, fishing, or trapping, or for a violation of other laws regulating wild animals, the court must also impose a wildlife violator compact surcharge of \$5. This bill increases the surcharge to \$20.

Currently, under the wildlife damage claim program, DNR makes payments to any eligible person for damage to the person's crops, orchard trees, nursery stock, apiaries, or livestock caused by certain wild animals. This bill raises the minimum amount for which a claim may be made from \$250 to \$500. The bill also lowers the maximum payment from \$15,000 to \$10,000 for each claim.

Under current law, DNR and the Lac du Flambeau band of the Lake Superior Chippewa have an agreement under which the band agrees to limit its treaty-based, off-reservation rights to fish in exchange for the band being able to issue DNR fishing licenses and stamps as an agent of DNR. The band retains all of the fees that the band collects for these fishing licenses and stamps.

For licenses and stamps issued by other DNR agents within the boundaries of the band's reservation, current law authorizes, but does not require, DNR to make an annual payment to the band that equals what the band would have received had it issued those licenses and stamps (reimbursement amount). Current law requires DNR to annually pay to the band \$50,000, which must be used for fishery management on the reservation. This bill eliminates this mandatory payment.

Instead, the bill requires DNR annually to pay the band the reimbursement amount or the amount appropriated for that payment, whichever is greater.

NAVIGABLE WATERS

Current law requires DNR to conduct a detailed inspection of each large dam that is maintained or operated in or across navigable waters. Under this bill, DNR must classify each dam in this state as a high hazard, significant hazard, or low hazard dam. DNR must inspect high hazard dams and significant hazard dams once every ten years. The bill also requires each owner of a large dam, regardless of the

ASSEMBLY BILL 75

dam's classification, to engage a professional engineer to inspect the owner's dam on a regular basis. The frequency of the required inspection is based upon the dam's hazard classification. The bill also provides that the inspection requirements imposed upon DNR and upon dam owners apply to all large dams, not just those maintained or operated in or across navigable waters.

Under current law, DNR administers a financial assistance program for projects that increase dam safety, including projects to maintain, repair, or remove a dam. DNR may contract public debt for the dam safety program. This bill increases DNR's bonding authority, the debt service on which is paid from the general fund, to \$8,500,000.

The bill also broadens eligibility for financial assistance under the dam safety program by authorizing DNR to provide financial assistance to private owners for the removal of any dam, regardless of size.

The bill increases the cap on financial assistance from \$200,000 to \$400,000 for each dam safety project. Current law limits financial assistance for dam safety projects to 50 percent of the cost of the project except for projects to remove abandoned dams. This bill provides that any project to remove a dam, whether or not abandoned, is not subject to the limit.

Current law requires DNR to maintain an inventory of all dams that require a dam safety project. This bill eliminates this requirement.

Under current law, DNR awards grants to public and private entities for up to 50 percent of the costs of projects to control invasive species and awards contracts for the creation and support of a statewide lake monitoring network. DNR must promulgate rules specifying the eligible activities and qualifications for participation in the statewide lake monitoring network. This bill provides that the eligible activities must include providing technical assistance to entities that apply for, or have received, an invasive species grant.

Under current law, with certain exceptions no person may operate a boat in the waters of this state unless the boat is covered by a certificate of number and a registration. This bill increases the certificate of number issuance and renewal fees for most boats other than nonmotorized sailboats.

OTHER NATURAL RESOURCES

Under current law, with one exception, DNR must transfer a decedent's interest in a boat to his or her surviving spouse upon receipt of the title executed by the surviving spouse and an affidavit by the spouse that includes specified information. Under this bill, a domestic partner is provided the same boat transfer privileges as a surviving spouse.

RETIREMENT AND GROUP INSURANCE

This bill provides that domestic partners must be treated in the same manner as spouses with respect to all pension benefits provided to public employees who are covered under the Wisconsin Retirement System (WRS) and all other benefits provided to state employees. For purposes of these benefits, a domestic partner is any individual who is in a relationship with any other individual that satisfies all of the following:

ASSEMBLY BILL 75

1. Each individual is at least 18 years old and otherwise competent to enter into a contract.
2. Neither individual is married to, or in a domestic partnership with, another individual.
3. The two individuals are not related by blood in any way that would prohibit marriage under current law.
4. The two individuals consider themselves to be members of each other's immediate family.
5. The two individuals agree to be responsible for each other's basic living expenses.

This bill increases the Wisconsin Retirement System (WRS) benefits for educational support personnel, who are school district employees other than teachers, librarians, or administrators, in the following ways:

1. Under current law, for coverage under the WRS, an individual must work at least one-third of what is considered full-time employment, as determined by rule. For WRS participants, other than teachers, librarians, and administrators, DETF defines full-time employment as 1,904 hours per year and one-third employment as 600 hours per year. For teachers, librarians, and administrators, DETF defines full-time employment as 1,320 hours per year and one-third employment as 440 hours per year. This bill requires that educational support personnel and teachers, librarians, and administrators be treated the same, with full-time employment for educational support personnel set at 1,320 hours per year.
2. Under current law, for early retirement purposes, a WRS participant, other than a teacher, librarian, or administrator, with at least 0.75 of a year of creditable service in any annual earnings period is treated as having one year of creditable service for that annual earnings period. To be eligible for this treatment, the participant must have earned only a partial year of creditable service in at least five of the ten annual earnings periods immediately preceding termination. This bill provides that, for early retirement purposes, a participant's amount of creditable service in any annual earnings period must be treated as the amount of creditable service that a teacher, librarian, or administrator would earn for that annual earnings period. Because DETF defines full-time employment to be 1,320 hours per year for a teacher, librarian, or administrator, this bill reduces the number of hours required for early retirement purposes for all other WRS participants, to qualify for a year of creditable service, from 1,428 hours to 1,320 hours per year.

Current law generally provides that state employee positions may be created or abolished only by law or in budget deliberations, by JCF, or by the governor with respect to positions funded with federal revenue. This bill authorizes the secretary of employee trust funds to create or abolish any position funded from the public employee trust fund. The secretary must notify the governor and JCF of his or her proposed action. If, within 14 working days after the notification, the governor objects or the cochairpersons of JCF notify the secretary that the committee has scheduled a meeting for the purpose of reviewing the proposed action, the position changes may be made only upon JCF approval. Otherwise, changes may be made as proposed by the secretary.

ASSEMBLY BILL 75

Current law permits GIB to contract with DHS and other public or private entities for data collection and analysis services related to health maintenance organizations and insurance companies that provide health insurance to state employees. This bill permits GIB to contract for any other consulting services related to plans it offers.

Current law, with important exceptions, prevents GIB from modifying or expanding group insurance coverage to materially affect the level of premiums paid by the state or its employees, or the level of benefits to be provided, under any plan. This bill provides that this restriction does not prevent GIB from encouraging participation in wellness or disease management programs.

SHARED REVENUE

This bill reduces the amount of county and municipal aid payments in 2010 by 1 percent. The reduction in total payments is allocated to counties and municipalities in proportion to the equalized value of the property located in the county or municipality. In 2011, and in each subsequent year, the amount of the county and municipal aid payment that each county and municipality receives is the same as the amount received in 2010.

Under current law, the public utility aid payment that a municipality receives may not exceed an amount equal to \$300 times the municipality's population. Beginning in 2009, the maximum payment for a municipality increases annually by \$125 per person. Under this bill, beginning with payments in 2009, the public utility aid payment that a municipality receives may not exceed an amount equal to \$425 times the municipality's population.

Under current law, the public utility aid payment that a county receives may not exceed an amount equal to \$100 times the county's population. Beginning in 2009, the maximum payment for a county increases annually by \$25 per person. Under this bill, beginning with payments in 2009, the public utility aid payment that a county receives may not exceed an equal to \$125 times the county's population.

Under current law, county and municipal aid payments (shared revenue) are made from the general fund. Under the bill, a portion of the shared revenue payments are made from the wireless 911 fund.

STATE GOVERNMENT**STATE BUILDING PROGRAM**

This bill makes various changes in state building construction procedures to grant DOA, the Building Commission, and other state agencies increased authority to award state building construction contracts notwithstanding current statutory requirements and without obtaining certain approvals required under current law.

STATE EMPLOYMENT

This bill provides that, if the secretary of administration determines that state operations may be performed more efficiently and effectively by the reassignment of employees among executive branch state agencies, the secretary may reassign employees from one state agency to another state agency. Under the bill, reassigned employees receive the same salary and fringe benefits they would otherwise receive and remain employees of the state agency from which they were reassigned for all

ASSEMBLY BILL 75

purposes, including the payment of their salaries and fringe benefits and continuous service benefits.

This bill authorizes the secretary of administration to abolish any position in any executive branch state agency if that position has been vacant for more than 12 months, and to reduce authorized expenditure levels for those executive branch state agencies by the amounts of salary and fringe benefits for the abolished positions.

This bill creates a Division of Legal Services in DOA, which is authorized to provide legal services to executive branch state agencies, other than DOJ and DPI. The bill also creates an unclassified chief legal advisor position in DOA, DATCP, DCF, DOC, DHS, DNR, DOT, and DWD. The chief legal advisor position is one not currently in the state civil service system.

This bill authorizes OSER to provide state agencies with *any* services and materials and to charge state agencies for the services and materials. Currently, OSER may charge other state agencies only for *employment* services and materials. The bill also requires the secretary of administration, before July 1, 2011, to abolish all human resources positions in executive branch state agencies, other than the Board of Regents of the UW System, and authorizes the secretary of administration to transfer human relations employees from these agencies to OSER.

This bill authorizes the secretary of administration to abolish building maintenance positions in any executive branch state agency and to transfer employees holding these positions to DOA.

2005 Wisconsin Act 25, as affected by 2007 Wisconsin Act 5, provides that 13.0 FTE attorney positions in executive branch state agencies are to be eliminated on June 30, 2009. This bill provides that the secretary of administration must eliminate up to 13.0 FTE attorney the positions on June 30, 2011.

STATE FINANCE

This bill requires the secretary of administration to lapse or transfer to the general fund an amount equal to \$160,000,000 during the 2009–11 fiscal biennium. State agencies in all branches of government, except for the Investment Board and DETF, are subject to the lapse and transfer provisions. The bill also eliminates lapses and transfers for the 2009–11 fiscal biennium that were required under 2007 Wisconsin Act 20.

Currently, any time after enactment of the biennial budget act, if the secretary of administration determines that authorized expenditures will exceed revenues in the current or forthcoming fiscal year by more than 0.5 percent of estimated general purpose revenue (GPR) appropriations for that fiscal year, the governor must submit a bill making recommendations for correcting the imbalance between projected revenues and authorized expenditures. This bill increases the threshold to 2 percent.

Currently, the secretary of administration may temporarily reallocate moneys to the general fund from other state funds in an amount not to exceed, at any one time, five percent of total GPR appropriations for that fiscal year. This bill increases that percentage to ten percent.

Current statutes contain a rule of proceeding governing legislative action on certain bills, which provides that no bill affecting GPR may be adopted if the bill would cause the estimated general fund balance on June 30 of any fiscal year to be

ASSEMBLY BILL 75

less than a certain amount of the total GPR appropriations for that fiscal year. For fiscal year 2009-10, the amount is \$65,000,000; for fiscal year 2010-11, the amount is \$65,000,000; and for each fiscal year thereafter, the amount is two percent of total GPR appropriations for that fiscal year.

This bill provides that for fiscal years 2010-11, 2011-12, and 2012-13, the amount is \$130,000,000; and for 2013-14 and each fiscal year thereafter, the amount is two percent of total GPR appropriations for that fiscal year.

Currently, every fiscal biennium, one-third of state agencies prepare a base budget review report that contains a description of each programmatic activity of the state agency; an accounting of all expenditures in the prior three fiscal years and, for each programmatic activity of the state agency, an accounting of all expenditures, arranged by revenue source and expenditure category in the last two quarters in each of the prior three fiscal years. This bill eliminates base budget review reports.

Under current law, the governor must distribute a copy of the biennial state budget report, as well as the budget-in-brief, to each member of the legislature. This bill permits the governor to post the biennial state budget report and the budget-in-brief on the Internet in lieu of distributing copies to members of the legislature.

The bill also permits the secretary of administration to develop procedures to permit electronic compliance with auditing of certain claims requirements and the filing and preservation of documents relating to the claims.

This bill increases the authorized bonding authority of DVA to make mortgage loans from \$2,205,840,000 to \$2,400,840,000.

Current statutes contain a rule of procedure governing legislative action on certain bills affecting GPR. Generally, the rule provides that the amount appropriated from GPR may not exceed the amount appropriated from GPR in the prior fiscal year, increased by any percentage increase in this state's aggregate personal income. This bill provides that any amount appropriated to pay debt service on appropriation obligations issued to purchase tobacco settlement revenues is excluded from this GPR appropriation limitation.

Currently, the National and Community Service Board, which assists persons who operate service programs that address unmet human, educational, environmental, or public safety needs, may assess certain state agencies for the amount specified by the board to pay its administrative costs but the board may not expend more than the amounts appropriated for this purpose. This bill permits the board to expend all moneys that the board receives from these assessments imposed on certain state agencies without limitation.

PUBLIC UTILITY REGULATION

This bill allows an investor-owned electric or natural gas public utility (energy utility) to apply to the PSC for authorization to administer, fund, or provide administrative services for a program that invests in energy efficiency improvements for customers in which the costs borne by a customer for the improvements are offset by the energy savings resulting from the improvement. If the PSC authorizes such a program, the energy utility must file a tariff specifying the terms and conditions for billing customers, as well as contracts between the

ASSEMBLY BILL 75

energy utility and a property owner who is benefited by the improvement that require the owner to do the following: 1) inform lessees that are liable for utility service that the cost of the improvement will appear on the lessees' utility bills; and 2) inform a purchaser of the property that the purchaser, or any other person who is liable for utility service at the property, is liable for the unpaid costs of the improvement and that such costs will appear on utility bills for the property.

The bill also does the following: 1) allows an energy utility to include a separate line item on customer bills that offsets certain costs of the program with energy savings resulting from an improvement made under the program; 2) prohibits an energy utility from recovering from ratepayers any bad debt related to nonutility services provided under a program; and 3) requires an owner of residential property to make a disclosure about an improvement made under a program on the real estate conditions report that is required for property transfers.

Under current law, DOA awards grants from the utility public benefits fund (UPBF) to assist low-income households to weatherize and perform other energy conservation services, pay energy bills, and identify or prevent energy crises. DOA determines the amount of a monthly low-income assistance fee that electric utilities must charge customers. The fees are used to fund the grants. Some of the fees are also used to help fund the Wisconsin Works program, which provides work experience and benefits for low-income custodial parents. Under current law, the monthly fee may not exceed the lesser of \$750 or 3 percent of the customer's total charges for the month. This bill provides that the monthly fee may not exceed the lesser of \$750 or the sum of the foregoing 3 percent and a percentage of the customer's total charges for the month that is sufficient to generate the amounts used to help fund the Wisconsin Works program.

Current law also requires DOA to promulgate rules establishing the amount of the fee. For any fiscal year, DOA must establish the fee by subtracting a specified sum from the amount needed for assisting low-income customers. One component of the specified sum is the amount of funding received by the state under federal programs that provide weatherization and energy assistance to low-income customers. Under this bill, for fiscal years 2009–10 and 2010–11, the amount of funding received under the federal programs that is attributable to federal economic stimulus funds must be deducted from the sum.

Current law requires that, in each fiscal year, DOA must ensure that the amount awarded in grants for weatherization and other energy conservation services is equal to 47 percent of the sum of the following: 1) the amounts received under the weatherization and energy-assistance programs; 2) the amount spent by certain electric and natural gas utilities assisting low-income households; 3) the amount spent on all programs funded by the UPBF; and 4) the amount of monthly low-income assistance fees that certain municipal electric utilities and electric retail cooperatives are required to collect from their customers and members.

Instead of requiring DOA to ensure that 47 percent of the foregoing sum is spent in fiscal years 2009–10 to 2011–12 on grants for weatherization and other energy conservation services, this bill requires DOA to ensure that at least \$75,000,000 is spent in each fiscal year on such grants. In addition, in fiscal years 2010–11 and

ASSEMBLY BILL 75

2011-12, DOA must increase the amount spent on such grants to reflect the cost-of-living increase that occurred during the previous fiscal year. Beginning in fiscal year 2012-13, DOA must ensure that 47 percent of the foregoing sum is spent on such grants, as is required under current law.

Under current law, DOA also administers federal programs for providing weatherization and energy assistance. Current law requires DOA to transfer in each fiscal year 15 percent of the federal funding for the energy assistance program to the weatherization program. This bill allows, but does not require, DOA to make the transfer. In addition, the bill requires DOA to deduct its administrative expenses for the program before making a transfer.

Under current law, DOA administers the federal and state programs described above. This bill transfers administrative responsibility from DOA to the PSC effective January 1, 2010.

Under current law, the PSC awards grants from the wireless 911 fund to wireless companies and local governments to reimburse certain costs incurred in complying with federal requirements regarding wireless 911 emergency telephone service. Current law requires that costs must be incurred during a specified reimbursement period in order to be eligible for reimbursement. At the conclusion of the reimbursement period, the PSC must distribute to wireless companies any funds remaining in the wireless 911 fund. A wireless company must credit customer accounts in amounts that correspond to the distribution made to the wireless company. This bill prohibits the PSC from making any distribution from the 911 wireless fund that is not a grant for reimbursement of the costs described above.

Under current law, DATCP enforces certain requirements that apply to advertising, sales representations, and sales and collection practices of telecommunications providers, including telecommunications utilities subject to varying degrees of regulation by the PSC. DATCP's enforcement costs are funded, in general, by general purpose revenues. Under this bill, DATCP's enforcement costs are funded by annual assessments paid by certain telecommunications utilities. The bill requires the PSC to assess telecommunications utilities in proportion to their gross operating revenues.

OTHER STATE GOVERNMENT

This bill provides requirements for forming a legal relationship of domestic partnership. Under the bill, a domestic partnership may be formed by two individuals who are at least 18 years old, are not married or in another domestic partnership, share a common residence, are not nearer of kin than second cousins, and are members of the same sex.

To form a domestic partnership, the individuals apply for a declaration of domestic partnership to the county clerk of the county in which at least one of them has resided for at least 30 days. Each applicant must submit identification and a certified copy of his or her birth certificate, as well as any other document affecting the domestic partnership status, such as a death certificate or a certificate of termination of domestic partnership. The clerk must then issue a declaration of domestic partnership, which the parties must complete and submit to the register

ASSEMBLY BILL 75

of deeds of the county in which they reside. The register of deeds must record the declaration and send the original to the state registrar of vital statistics.

To terminate a domestic partnership, at least one of the domestic partners must file with the county clerk a notice of termination of domestic partnership. If only one of the domestic partners signs the notice, he or she must also file an affidavit stating either of the following: 1) that he or she has served the other domestic partner with notice that he or she is going to file a notice of termination of domestic partnership; or 2) that he or she has been unable to locate the other domestic partner and has published a notice in a newspaper of general circulation in the county in which the latest common residence of the domestic partners is located. Upon receipt of a notice of termination, the clerk issues a certificate of termination of domestic partnership, which must be recorded in the office of the register of deeds, who sends the original to the state registrar of vital statistics. Termination of the domestic partnership is effective 90 days after the certificate of termination of domestic partnership is recorded in the office of the register of deeds. However, if one or both domestic partners enters into a marriage that is valid in the state, the domestic partnership is automatically terminated on the date of the marriage.

The bill provides that domestic partners are joint tenants if they are named as owners in a document of title or as transferees or buyers in an instrument of transfer, just as husbands and wives are joint tenants under current law.

Under current law, if the head of a department or independent agency in state government finds any arbitrary discrimination based on marital status, the head is required to take remedial action. This bill requires a department or independent agency head to take remedial action if he or she finds any arbitrary discrimination based on domestic partnership status.

This bill requires DCF, DHS, DWD, and DOA to develop a plan, by July 1, 2010, for streamlining their processes, coordinating their computer systems, and developing compatible billing methodologies for the purpose of coordinating the administration of the public benefit programs administered by the departments and implementing a system in which a single smart card may be used for all of those programs. If statutory changes are necessary, the departments must prepare proposed legislation by July 1, 2010.

This bill requires the UW Hospital and Clinics Authority to pay, no later than June 30, 2009, \$49,000,000 to the state for deposit into the general fund.

This bill directs the secretary of regulation and licensing to form a dedicated work unit in DRL to support the work of the Medical Examining Board (MEB) and the affiliated credentialing boards attached to the MEB by performing all aspects of credential processing, examination, and complaint investigation, for any credential issued or renewed by the MEB or any affiliated credentialing board.

Under current law, if a state agency enters into or renews a contract for services that involves an estimated expenditure of more than \$25,000, the agency must conduct either a uniform cost-benefit analysis, for a new contract, or a continued appropriateness review, for a contract renewal. This bill eliminates the requirement that an agency conduct either a uniform cost-benefit analysis or a continued appropriateness review.

ASSEMBLY BILL 75

Currently, DOA may sell certain state property if the Building Commission authorizes the property to be sold during the period beginning on October 27, 2007, and ending on June 30, 2009. Sales may be either on the basis of public bids or negotiated prices, and need not reflect fair market value. Sales may be with or without the approval of the state agency that has jurisdiction over the property.

This bill permits DOA to sell certain state property under the same terms and conditions as those specified under current law if an offer of sale is approved by the commission during the period beginning on the day this bill becomes law and ending on June 30, 2011. With certain exceptions, proceeds of the sales are deposited in the general fund. The bill does not apply to property under the jurisdiction of the Board of Regents of the UW System, but the bill requires any sales of such property by the Board of Regents to be used for the operation of the UW System.

Currently, under the federal coastal zone management program, the U.S. Department of Commerce awards administrative grants as well as resource management and coastal zone enhancement grants to eligible states to implement a state's coastal zone management program. This bill transfers the administration of this state's program from DOA to DNR. The bill does not transfer any positions or employees.

Under current law, DATCP issues annual licenses to operators of vehicle scales. DATCP is authorized to adjust the \$60 license fee by rule, and may impose a \$200 license fee surcharge on an applicant who has operated a scale without a license. Currently, no person may construct or relocate a scale without a permit from DATCP, but DATCP is not authorized to charge a permit fee. DATCP may grant a variance from its scale construction standards, but DATCP is not authorized to charge a variance fee.

This bill permits DATCP to adjust the \$200 license fee surcharge by rule. The bill also permits DATCP to establish and charge a fee for a permit to construct or relocate a scale or for a variance from DATCP construction standards.

Under current law, an operator of a liquid petroleum (LP) gas meter must register the meter with DATCP and pay a one-time registration fee of \$25. Operators must test LP gas meters annually or face a \$100 testing surcharge.

Under this bill, DATCP issues annual licenses to operators of gas meters and may charge a license fee in an amount DATCP sets by rule. DATCP may also impose a surcharge in an amount set by rule on an applicant who has operated a gas meter without a license, and may adjust the \$100 testing surcharge by rule. The bill requires DATCP to promulgate testing, reporting, and record-keeping standards for gas meter operators, and permits DATCP to promulgate standards for gas meter construction, operation, and maintenance.

Current law requires that a person who delivers fuel oil or certain other liquid fuels from a vehicle equipped with a pump and metering device to equip the pump and metering device with a delivery ticket printer that can print data including the volume of fuel delivered.

The bill requires an operator of a vehicle tank meter (used to measure a delivery of fuel oil or certain other liquid fuels) to obtain an annual license from DATCP. DATCP may charge a license fee and may impose a license fee surcharge on an

ASSEMBLY BILL 75

applicant who operates a tank meter without a license. DATCP may set the amount of the license fee and the license fee surcharge by rule and may promulgate standards for tank meter construction, operation, and maintenance. Under the bill, a tank meter operator must have the tank meter tested annually, and must report the results to DATCP or pay a DATCP-imposed surcharge.

This bill prohibits a state employee from using a privately owned aircraft to travel outside of this state for the conduct of state business. Currently, the use of a privately owned aircraft for out-of-state travel is permitted if it is more efficient and economical for the conduct of state business than commercial transportation.

TAXATION**INCOME TAXATION**

Under current law, there are four income tax brackets for single individuals, certain fiduciaries, heads of households, and married persons. The brackets are indexed for inflation. The current rate of taxation for the lowest bracket is 4.6 percent of taxable income; the rate for the second bracket is 6.15 percent; the rate for the third bracket is 6.5 percent; and the rate for the highest bracket is 6.75 percent. The highest bracket applies to taxable income exceeding \$112,500 for single individuals, certain fiduciaries, and heads of households; \$150,000 for married persons filing jointly; and \$75,000 for married separate filers.

This bill creates a fifth tax bracket with a taxation rate of 7.75 percent. For single individuals, certain fiduciaries, and heads of households, this bracket applies to taxable income exceeding \$225,000. For married persons, this bracket applies to taxable income exceeding \$300,000 for joint filers and \$150,000 for separate filers. The bracket is indexed for inflation starting with taxable year 2010.

Under current law, an eligible claimant may recover a certain amount of property taxes paid through the refundable farmland preservation tax credit. A refundable tax credit may be paid to an eligible claimant by check if the amount of the credit which is otherwise due the claimant exceeds the claimant's tax liability, or if there is no outstanding tax liability.

A current eligibility requirement for the farmland preservation tax credit is that the farmland to which the claim relates be subject either to a farmland preservation agreement (FPA) or to a county exclusive agricultural use zoning ordinance. An FPA and an exclusive agricultural use zoning ordinance impose certain soil and water conservation standards. The term of an FPA is generally 10 to 25 years, although the parties may agree to relinquish the agreement under certain circumstances.

The credit is computed based on property taxes accrued on the claimant's farmland in the preceding year; the claimant's household income; and the agreement, planning, or zoning provisions that cover the farmland. The maximum credit is \$4,200, and the minimum credit is \$600, although the maximum credit may be reduced based on the zoning ordinances in the county where the farmland is located.

Under this bill, no new claims may be filed for taxable years beginning after December 31, 2009, but an otherwise eligible claimant who is subject to an FPA that

ASSEMBLY BILL 75

is in effect on January 1, 2010, may continue to file a claim for the credit until the agreement expires.

The bill also creates a new refundable farmland preservation credit. The credit is funded from the lottery fund, up to approximately \$15,000,000 of claims. Excess claims, up to approximately \$12,280,000, are paid from the general fund. The maximum amount of credits that may be claimed each year may not exceed \$27,280,000. If the total amount of eligible claims exceed \$27,280,00, DOR must pay the excess claims in the subsequent fiscal year and prorate the per acre amounts (see below) to account for prior year claims being paid in the year subsequent to that year. If a claimant's payment is so delayed, the claimant may not receive any interest on his delayed payment, or any other refund.

The new farmland preservation credit is calculated by multiplying a claimant's qualifying acres by one of the following amounts: \$10, if the acres are in a farmland preservation zoning district and are subject to a new FPA (an FPA that was entered into after the effective date of the bill); \$7.50 if the acres are located in a farmland preservation zoning district, but are not subject to a new FPA; or \$5.00 if the acres are subject to a new FPA, but are not located in a farmland preservation zoning district.

Under the bill, qualifying acres are determined using several factors, including the number of acres of farm that correlate to a claimant's percentage of ownership interest in a farm, the extent to which the farm is covered by a new FPA, and whether the farm is in farmland preservation zoning district. For a description of the requirements of a new FPA, see "AGRICULTURE."

Under current law, for claims filed in 2001 and thereafter, the homestead tax credit threshold income is \$8,000; the maximum property taxes, or rent constituting property taxes, that a claimant may use in calculating his or her credit are \$1,450; and the maximum household income is \$24,500. Currently, as a claimant's income exceeds \$8,000, the credit is phased out until the credit equals zero when income exceeds \$24,500, and if the household income is \$8,000 or less, the credit is 80 percent of the property taxes accrued or rent constituting property taxes accrued. Using this formula, the credit that may be claimed ranges from \$10 to \$1,160.

Under this bill, for claims filed in 2011 and thereafter, the maximum household income is indexed for inflation. Also under the bill, as a claimant's income exceeds the threshold income amount, the credit is phased out until the credit equals zero when income exceeds the maximum income as adjusted for inflation.

Under current law, a corporation may claim an income and franchise tax credit in an amount equal to 5 percent of its qualified research expenses, as defined by the Internal Revenue Code, for research conducted in this state. In addition, a corporation may claim an income and franchise tax credit equal to 5 percent of the amount that it paid in the taxable year to construct and equip new facilities or expand existing facilities used in this state for qualified research, as defined by the Internal Revenue Code.

Under this bill, a corporation may also claim an income and franchise tax credit equal to its qualified research expenses in the taxable year for research conducted in this state that exceeds the amount equal to the average amount of the

ASSEMBLY BILL 75

corporation's qualified research expenses in the previous three taxable years multiplied by 1.25. If the credit claimed by a corporation exceeds the corporation's tax liability, the state does not issue a refund, but the corporation may carry forward any remaining credit to five subsequent taxable years.

This bill allows a business to claim an income and franchise tax credit in an amount up to 10 percent of the wages that the business paid in the taxable year to certain full-time employees, as determined by Commerce. A business may also claim a credit for the costs it incurred for certain job-related training. If the amount of the taxpayer's credits exceed the taxpayer's tax liability, the taxpayer receives a refund.

This bill creates a refundable individual income tax credit for a beginning farmer who enters into at least a three-year lease of an established farmer's agricultural assets, other than land, and uses the assets for farming, and a refundable individual and corporate income and franchise tax credit for the established farmer whose assets are leased. If the amount of credit due a claimant exceeds the claimant's tax liability, the excess is refunded to the claimant by check. The credit first applies to taxable years beginning on January 1, 2011.

Under the bill, beginning farmer may claim a credit of up to \$500 on a one-time basis for the cost to enroll in a course in farm financial management that is offered by an educational institution, such as the UW-Madison, UW-Extension, or the Wisconsin Technical College System. An established farmer may claim a credit of 15 percent of the amount of payments received each year from the beginning farmer for the lease of the farm assets, except that the credit may be claimed by the established farmer only for the first three years of the lease.

A beginning farmer must have a net worth of less than \$200,000 and have farmed for fewer than ten years out of the preceding 15 years. An established farmer must have engaged in farming for at least ten years.

Under current law, after December 31, 2009, individuals and certain entities, including fiduciaries, corporations, and insurance companies, that are health care providers may receive a credit on income taxes based on purchases of information technology hardware and software for making and keeping electronic medical records. This bill delays the effective date of the tax credit until after December 31, 2011.

Under current law, there is an income tax exclusion for individuals, fiduciaries, members of limited liability corporations and partnerships, and shareholders of tax-option corporations (claimants) for 60 percent of the net long-term capital gains realized from the sale of assets held for at least one year. This bill reduces the exclusion to 40 percent.

Also under this bill, for taxable years beginning after December 31, 2010, a claimant may elect to defer the payment of income taxes on up to \$10,000,000 of the gain realized from the sale of any capital asset held more than one year (original asset) that is treated as a long-term gain under the Internal Revenue Code (IRC), if the claimant completes a number of requirements. The bill specifies that the basis of the investment is the amount of the investment minus the gain generated by the sale of the original asset. If a claimant defers the payment of income taxes on the gain generated by the sale of the original asset, the claimant may not use that gain

ASSEMBLY BILL 75

to net the claimant's gains and losses as the claimant could do if the claimant did not elect to defer the payment of taxes on the gain.

Under current law, 50 percent of the sales of the following tangible personal property must be included in a taxpayer's sales factor for income and franchise tax purposes:

1. Property that is shipped from storage in this state to the federal government outside this state, if the destination state does not have tax jurisdiction over the taxpayer.

2. Property that is shipped from storage in this state to a purchaser, other than the federal government, if the destination state does not have tax jurisdiction over the taxpayer.

3. Property sold by an office in this state, but not shipped from this state, if neither the state from which the property is shipped nor the destination state has tax jurisdiction over the taxpayer.

Under this bill, 100 percent of the sales of all such tangible personal property must be included in a taxpayer's sales factor.

Under current law, 50 percent of the following must be included in a taxpayer's sales factor for income and franchise tax purposes:

1. Gross receipts from the use of computer software that are received in a state in which the taxpayer is not subject to an income tax, if the taxpayer's commercial domicile is in this state.

2. Gross receipts from services, if the benefit of service is received in a state in which the taxpayer is not subject to an income tax, but the taxpayer's employees or representative's performed services from a location in this state.

Under this bill, 100 percent of such gross receipts must be included in a taxpayer's sales factor.

Under current law, in order to claim the angel investment credit or the early stage seed investment credit, the taxpayer must hold the investment for at least three years. If a taxpayer holds the investment that is the basis for an angel investment credit for less than one year, the taxpayer must pay DOR the amount of the credit that the taxpayer received.

Under this bill, if a taxpayer holds an investment that is the basis for an angel investment credit or early stage seed investment credit for less than three years, the taxpayer must pay DOR the amount of the credit that the taxpayer received.

This bill adopts, for state income and franchise tax purposes, certain changes made in IRC.

Under federal law, a business may deduct a percentage of income derived from qualified domestic production activities, regardless of whether those activities occurred in this state. The percentage of income derived from such activities that a business may claim as a deduction is 3 percent in 2005 and 2006, 6 percent in 2007, 2008, and 2009, and 9 percent for 2010 and subsequent years. Under this bill, the increased deduction for qualified domestic production activities does not apply for state income and franchise tax purposes for taxable years beginning on or after January 1, 2009.

ASSEMBLY BILL 75

This bill provides an income and franchise tax credit for 10 percent of the amount that a person pays in the taxable year for meat processing modernization or expansion related to the person's meat processing operation.

Under current law, a person may claim a credit against the person's income or franchise tax liability that is equal to 10 percent of the amount that the person paid in the taxable year for dairy manufacturing modernization or expansion related to the claimant's dairy manufacturing operation. If the amount of the credit exceeds the amount of the person's tax liability, the person receives a refund. Under current law, dairy cooperatives are generally not subject to state income or franchise taxes and therefore are not eligible to claim the credit for dairy manufacturing modernization or expansion.

This bill allows the members of a dairy cooperative to claim the credit for the dairy manufacturing modernization or expansion expenses paid by the cooperative. The dairy cooperative determines the amount of the credit that each member may claim based on the amount of milk each member delivers to the cooperative.

Under current law, a person who owns an income-producing historic building may claim a federal income tax credit that is equal to 20 percent of certain costs to rehabilitate the historic building. To claim the credit, the building must be listed, or be eligible for listing, on the national register of historic places or located in certain national, state, or local historic districts, and the rehabilitation work must comply with standards established by the secretary of the interior.

Under current law, a person who may claim the federal income tax credit for rehabilitating an income-producing historic building may also claim a state income tax or franchise tax credit equal to 5 percent of certain costs to rehabilitate the historic building. To claim the credit, the person must include with the person's tax return evidence that the secretary of the interior approved the rehabilitation work before the work began.

Under this bill, a person may claim the state income and franchise tax credit for rehabilitating an income-producing historic building if the person includes with the person's tax return evidence that the state historic preservation officer recommended the rehabilitation work for approval by the secretary of the interior before the rehabilitation work began and that the rehabilitation was approved by the secretary of the interior.

Under current law, any extension of time to file a federal individual income or corporate income or franchise tax return granted under federal law or by the Internal Revenue Service (IRS) automatically extends the time to file the corresponding Wisconsin individual income or corporate income or franchise tax return. If the federal extension is granted due to a presidentially declared disaster or terroristic or military action, however, Wisconsin taxpayers are charged interest at the rate of 12 percent per year during the extension period.

Under this bill, interest on unpaid individual income or corporate income or franchise tax, or interest that would otherwise be due for an underpayment of estimated taxes, does not apply if the taxpayer is allowed an extension due to disaster or terror. The bill also allows, for good cause, an extension of time to deposit withholding tax. In addition, the bill exempts from interest a late payment of

ASSEMBLY BILL 75

withholding tax from a pass-through entity if the taxpayer is allowed an extension due to disaster or terror.

Under current law, the itemized deductions credit is calculated as 5 percent of the difference between the sum of certain amounts that are allowed as itemized deductions under the IRC and the standard deduction. Some deductions allowed under the IRC, such as casualty and theft deductions and miscellaneous deductions, are not allowed in the calculation of the itemized deductions credit. Under this bill, a casualty loss that is directly related to a presidentially-declared disaster may be used in the computation of the itemized deductions credit.

Under current law, partnerships, limited liability companies, tax-option corporations, estates, and trusts (pass-through entities) must pay withholding tax on Wisconsin income allocated to nonresident partners, members, shareholders, or beneficiaries. The tax is due in a single annual payment. Under this bill, a pass-through entity pays the withholding tax on the income allocated to nonresident partners, members, shareholders, or beneficiaries in four quarterly installments.

Under current law, if a corporation that must file a state income or franchise tax return is affiliated with any other corporation, DOR may require that the corporation submit a consolidated statement so that DOR may determine the taxable income received by any affiliated corporation. Under this bill, DOR may also require a corporation to submit a consolidated statement in order for DOR to determine whether the corporation and any affiliated corporation are a unitary business.

Under current law, a corporation that does not file its income or franchise tax return by the due date is subject to a \$30 penalty. If any other taxpayer fails to file an income or franchise tax return by its due date, the taxpayer is subject to the following penalties:

1. Two dollars, if the taxpayer's income tax is less than \$10.
2. Three dollars, if the taxpayer's income tax is \$10 or more, but less than \$20.
3. Five dollars, if the taxpayer's income tax is \$20 or more.

Under current law, however, a taxpayer that is not a corporation is subject to a \$30 penalty for a return that is at least 60 days late, regardless of the amount of the taxpayer's income tax.

Under this bill, any taxpayer who does not file an income or franchise tax return by the due date is subject to a \$50 penalty. The bill also provides that fiduciaries, partnerships, and tax-option corporations must provide schedules to their beneficiaries, partners, and shareholders that specify the income, deductions, credits, and other items related to the tax liability of the beneficiary, partner, or shareholder. Any fiduciary, partnership, or tax-option corporation that fails to provide the schedule is subject to a \$50 penalty.

Under current law, a person may claim an income and franchise tax credit for 25 percent of the amount the person paid in the taxable year to install or retrofit pumps that dispense motor vehicle fuel consisting of at least 85 percent ethanol or at least 20 percent biodiesel fuel. This bill modifies the credit so that taxpayers may claim the credit against the alternative minimum tax and so that corporations may compute the credit, with other credits, in the same order as insurance companies.

ASSEMBLY BILL 75

Under current law, a health care provider may claim an income and franchise tax credit for 50 percent of the amount the provider paid in the taxable year for information technology hardware or software that is used to maintain medical records in electronic form. This bill allows a taxpayer to claim the credit against the alternative minimum tax.

Under current law, a business located in a technology zone may claim an income and franchise tax credit, in an amount certified by the Department of Commerce, based on the amount of real and personal property taxes, capital investments, and wages the business paid in the taxable year. Under current law, all entities, except insurance companies, must include the amount of the credit in their income calculation, for income and franchise tax purposes. This bill requires insurance companies to include technology zone credits in their income calculations.

PROPERTY TAXATION

Under current law, the total amount of the school levy and lottery and gaming property tax credits is distributed to counties, which distribute the amounts to the municipalities located in the counties. A municipality, however, may receive its share of the school levy and lottery and gaming credits directly from the state if the total amount of such credits due to the municipality is at least \$3,000,000 or if the municipality allows the payment of property taxes in three or more installments. Under current law, the total amount of the first dollar property tax credit is distributed to the municipalities. The first dollar credit is applied then to every parcel of real property with improvements located in a municipality.

Under this bill, the first dollar credit is distributed to counties, which distribute the amounts that they receive to the municipalities located in the counties. A municipality, however, may receive its share of the first dollar credit directly from the state if the total amount of that credit plus the school levy and lottery and gaming credits due to the municipality is at least \$3,000,000 or if the municipality allows the payment of property taxes in three or more installments.

Under current law, if a person pays property taxes in installments and is eligible to receive a lottery and gaming property tax credit, the amount of the credit is applied to the amount of the first installment. Under this bill, if a person pays property taxes in installments and is eligible to receive a first dollar property tax credit, the amount of the credit is applied to the amount of the first installment.

This bill creates a property tax exemption for machinery and other tangible personal property used for qualified research by persons engaged primarily in manufacturing or biotechnology in this state.

Under current law, computers are exempt from the property tax. The state, however, compensates the taxing jurisdictions in which tax-exempt computers are located for the property taxes that the jurisdictions would otherwise have collected. Under this bill, the state compensates the taxing jurisdictions in which tax-exempt research property is located for the property taxes that the jurisdictions would otherwise have collected.

Under current law, DOR monitors the property tax assessments in all taxation districts. If DOR determines that a major class of property in a taxation district (property with an assessed value representing more than 5 percent of the full value

ASSEMBLY BILL 75

of all property in the taxation district) has not been assessed at a value that is within 10 percent of the full value of such property at least once during the most recent five years, DOR notifies the taxation district that the assessment staff in that district must participate in an assessment education program. Under current law, if DOR determines that a major class of property in the taxation district has not been assessed at a value that is within 10 percent of the full value of such property in the year that the taxation district's assessment staff participated in an assessment education program and in the following year, DOR must supervise the taxation district's next property tax assessment.

Under this bill, a major class of property is property with an assessed value representing more than 10 percent of the full value of all property in the taxation district in which the major class of property is located. Under the bill, if DOR determines that a major class of property in a taxation district has not been assessed at a value that is within 10 percent of the full value of such property at least once during the most recent five years, DOR notifies the taxation district that DOR may supervise a subsequent taxation district assessment. If DOR determines that a major class of property in the taxation district has not been assessed at a value that is within 10 percent of the full value of such property in the year after the taxation district receives such notice, DOR must supervise the taxation district's next property tax assessment.

This bill requires DOR to collaborate with counties to create county property tax assessment systems.

Under current law, state-owned facilities are exempt from the property tax. Instead, the state makes payments to counties and municipalities where state facilities are located to partially compensate the counties and municipalities for the costs of providing services to the facilities. Under current law, DOA administers the program to pay for county and municipal services. Under this bill, DOR administers the program.

OTHER TAXATION

This bill imposes an assessment on a motor vehicle fuel supplier at a rate not exceeding 3 percent of the supplier's gross receipts from the sale of motor vehicle fuel in this state. The revenue collected is deposited into the transportation fund. The supplier may not increase the selling price of motor vehicle fuel in order to recover the assessment amount. Income derived from the sale in this state of biodiesel fuel or ethanol blended with gasoline to create gasoline consisting of at least 85 percent ethanol is not included in the supplier's gross receipts.

This bill increases the cigarette tax from \$1.77 to \$2.52 a pack and increases the tobacco products tax from 50 percent to 71 percent of the manufacturer's established list price. In addition, the bill increases the tobacco products tax rate on moist snuff from \$1.31 per ounce to \$1.87 per ounce and imposes the increase on moist snuff in inventory.

Under current law, generally, a person may not sell cigarettes in this state without a permit from DOR. Current law also prohibits a direct marketer (anyone who sells cigarettes to a consumer who is not present on the seller's premises) from

ASSEMBLY BILL 75

selling to consumers in this state unless the direct marketer fulfills certain requirements.

Under current law, a direct marketer must certify to DOR that the person will register with debit and credit card companies; that the invoices for all shipments of cigarettes will bear the direct marketer's name and address; and that the direct marketer will provide DOR any information that DOR considers necessary. The direct marketer may not sell any cigarettes unless the sales tax, use tax, or cigarette tax, as appropriate, has been paid.

Current law requires a direct marketer to verify the consumer's name and address and that the consumer is at least 18 years of age. In addition, any person who delivers cigarettes to consumers in this state must verify that the purchaser, and the person who receives the delivery, is at least 18 years of age.

Under this bill, generally, current provisions that apply to the direct marketing of cigarettes also apply to the direct marketing of tobacco products. In addition, no person may sell cigarettes or tobacco products to consumers in this state unless the person applies to DOR for a permit.

Under current law, a person may not sell cigarettes or tobacco products to consumers in this state unless the person obtains a license from each municipality in which the person intends to sell cigarettes or tobacco products. Under the bill, no municipality may issue a license to any person who has an arrest or conviction record related to selling cigarettes or tobacco products but a direct marketer who holds a valid permit to sell cigarettes or tobacco products to consumers in this state is not required to obtain a license from each municipality in which the cigarettes or tobacco products are sold.

Under current law, a municipality or county that is located in a premier resort area may impose a sales tax of 0.5 percent on gross receipts from the sale of tangible personal property and taxable services sold at certain businesses, as classified under the federal Standard Industrial Classification Manual.

This bill allows a municipality or county that imposed the premier resort area tax prior to January 1, 2000, to increase the tax rate to 1 percent. In addition, a number of businesses are added to the list of businesses in which sales are subject to the tax.

This bill creates a sales and use tax exemption for machinery and other tangible personal property used for qualified research by persons engaged primarily in manufacturing or biotechnology in this state.

This bill provides that, for sales and use tax purposes, taxable sales do not include the sale of tickets or admissions by a nonprofit organization to participate in any sports activity in which more than 50 percent of the participants are younger than 20.

Under current law, DOR may enter into agreements with American Indian tribes or bands in this state to refund, generally, the cigarette and tobacco product taxes imposed on sales of cigarettes and tobacco products on land that was designated a reservation or trust land on or before January 1, 1983. Under this bill, DOR may provide tax refunds for cigarettes and tobacco products sold on land

ASSEMBLY BILL 75

designated a reservation or trust land on or before January 1, 1983, or on a later date determined by an agreement between DOR and the tribal council.

The bill also allows DOR to enter into agreements with American Indian tribes or bands in this state to collect, remit, and provide refunds of income, withholding, sales and use, motor vehicle fuel, and beverage taxes related to activities on tribal lands or undertaken by tribal members outside of tribal lands.

Under current law, a state agency may certify to DOR a debt owed to the agency so that DOR can collect the debt from the debtor's state tax refund. Certifiable debts include an amount that has been reduced to a judgment or an amount for which the agency has provided the debtor reasonable notice and an opportunity to be heard. Under current law, DOR charges the debtor for administrative expenses related to offsetting the debt.

This bill generally requires a state agency to enter into a written agreement with DOR to collect any amount owed to the agency that is more than 90 days past due, unless negotiations with the debtor are actively ongoing, the debt is the subject of legal or administrative proceedings, or the debtor is adhering to an acceptable payment arrangement. Under the agreement, DOR, rather than the agency, may provide the debtor reasonable notice and an opportunity to be heard with regard to the debt. Also, DOR may collect the debt directly from the debtor in addition to offsetting a state tax refund. Under the bill, DOR charges the debtor for administrative expenses related to collecting the debt.

This bill requires financial institutions to provide DOR with information about account holders so that DOR can determine if any of those persons owe the state delinquent debts. Current law permits DOR to levy on financial institutions to collect delinquent debts from the accounts of debtors.

Under this bill, DOR may enter into agreements with the IRS to collect a person's federal nontax debt by subtracting the amount from any state payment to that person, other than a tax refund. DOR may also charge a collection fee up to \$25 per transaction. In addition, DOR may enter into agreements with the IRS to collect a person's state tax or nontax debt by subtracting the amount from any federal payment to that person, as authorized by federal law.

Under this bill, for sales and use tax purposes, a retailer engaged in business in this state includes any person who has an affiliate in this state, if the person is related to the affiliate for federal tax purposes and if the affiliate uses facilities or employees in this state to establish a market for sales of items by the related person to purchasers in this state or for providing services to the related person's purchasers in this state.

Under this bill, for purposes of reviewing DOR's rules, the Tax Appeals Commission must give controlling weight to DOR's interpretation of its rules unless the interpretation is plainly erroneous or inconsistent with the language of the rules or the statutes that govern the rules.

Under current law, generally, the sale of tangible personal property that becomes an ingredient or component part of an article of tangible personal property, or is consumed, destroyed, or loses its identity in manufacturing an article of tangible personal property is exempt from the sales and use tax. This bill provides that the

ASSEMBLY BILL 75

sale of such tangible personal property is exempt from the sales and use tax only if it is also used exclusively and directly in manufacturing an article of tangible personal property.

Under current law, for sales and use tax purposes, “manufacturing” is the production by machinery of a new article of tangible personal property with a different form, use, and name from existing materials, by a process popularly regarded as manufacturing. This bill provides that production begins with conveying raw materials and supplies from plant inventory to the place where work is performed in the same plant and ends with conveying finished units of tangible personal property to the point of first storage in the same plant.

Under current law, for sales and use tax purposes, “manufacturing” includes crushing, washing, grading, and blending sand, rock, gravel, and other minerals and ore dressing. Under this bill, “manufacturing” also includes conveying work in progress directly from one manufacturing process to another in the same plant; testing or inspecting the new article of tangible personal property that is being manufactured; storing work in progress in the same plant where the manufacturing occurs; assembling finished units of tangible personal property; and packaging a new article of tangible personal property, if the manufacturer, or another person on the manufacturer’s behalf, performs the packaging and if the packaging becomes part of the new article of tangible personal property as it is customarily offered for sale by the manufacturer.

The sales and use tax is currently imposed on the towing of tangible personal property, unless at the time of towing the sale of the tangible personal property in this state would be exempt from the sales and use tax, not including the exempt sale of a motor vehicle to a nonresident and certain other nontaxable sales. This bill specifies that the sales and use tax is imposed on the towing and hauling of motor vehicles by a tow truck, unless at the time of towing or hauling a sale of the motor vehicle in this state would be exempt from the sales and use tax, not including the exempt sale of a motor vehicle to a nonresident and certain other nontaxable sales.

Under current law, if the IRS requires taxpayers to electronically file information returns or wage statements for federal income tax purposes, the taxpayer must electronically file, with DOR, information or wage statements for state income or franchise tax purposes.

Under this bill, if DOR requires a person to file 50 or more of any one type of information return or 50 or more wage statements, the returns or statements must be filed electronically.

The bill also requires a person who must file a return related to collecting the state rental vehicle fee or dry cleaning fee to file the return in the manner prescribed by DOR.

Under current law, DOR may require a person to produce documents related to any matter that DOR has authority to investigate or for which DOR must make a determination. This bill provides that a person who fails to provide documents to DOR that support information shown on any income or franchise tax return or any sales and use tax return is subject to the disallowance of deductions, credits, or exemptions to which the requested documents relate.

ASSEMBLY BILL 75

Under current law, for sales and use tax purposes, a person in this state who sells tangible personal property or services must have a valid seller's permit from DOR. This bill requires DOR to post a list of every person who has had a seller's permit revoked on an Internet site created and maintained by DOR.

TRANSPORTATION**HIGHWAYS**

Under current law, the Building Commission may issue revenue bonds for major highway projects and transportation administrative facilities in a principal amount that may not exceed \$2,708,341,000. This bill increases the revenue bond limit from \$2,708,341,000 to \$3,009,784,200.

This bill increases from \$303,300,000 to \$553,550,000 the general obligation bonding limit for DOT's funding of two southeast Wisconsin freeway rehabilitation projects: the Marquette interchange reconstruction project and the I 94 north-south corridor reconstruction project. The bill also expands the project boundaries of another southeast Wisconsin freeway rehabilitation project, the Zoo interchange reconstruction project.

Under current law, with limited exceptions, all highway improvement construction projects undertaken by DOT must be let by contract based upon competitive bidding. This bill allows DOT, for two years after the bill's effective date, to enter into highway improvement contracts utilizing a design-build procurement process if DOT finds that it would be more feasible and advantageous and if certain conditions are met. A design-build procurement process is calculating a method under which a project's engineering, design, and construction services are provided by a single private entity or consortium selected as part of a single bidding process.

DRIVERS AND MOTOR VEHICLES

Current law requires the use of seat belts, child safety seats, and booster seats in certain motor vehicles but prohibits a law enforcement officer from stopping or inspecting a motor vehicle solely to determine compliance with these requirements. An officer may, however, issue a citation for a seat belt use violation observed in the course of a stop or inspection made for other purposes.

This bill authorizes a law enforcement officer to stop or inspect a vehicle solely to determine compliance with seat belt use requirements, subject to any constitutional requirement that the officer have probable cause to believe that a violation has occurred. The bill also increases from \$10 to \$25 the penalty for violating this state's laws requiring the use of seat belts. As under current law, violators pay no additional costs, fees, or assessments.

Under current law, law enforcement officers are prohibited from using any radar device combined with photographic identification of a vehicle (photo radar speed detection) to determine compliance with motor vehicle speed limits.

This bill allows state and local law enforcement agencies to use photo radar speed detection to identify speed limit violations in highway work zones (work zone speed violations). The bill also allows DOT and local authorities to use traffic control photographic systems to identify motor vehicles that fail to stop at red traffic signals at intersections (red light violations). Subject to certain defenses, the bill allows liability to be imposed on the owner of a vehicle involved in a work zone speed

ASSEMBLY BILL 75

violation detected through photo radar speed detection or involved in a red light violation detected by a traffic control photographic system.

Under current law, DOT issues two registration plates for most motor vehicles, which are generally required to be displayed on the front and rear of the vehicle. This bill directs DOT to issue only one registration plate for most motor vehicles, which is generally required to be displayed on the rear of the motor vehicle.

Under current law, when renewing a vehicle registration, DOT may issue a decal, to be placed on the vehicle's registration plate, to indicate the vehicle's period of registration. Current law also requires registration plates for most vehicles registered on the basis of gross weight to indicate the weight class into which the vehicle falls.

This bill eliminates the requirements that vehicle registration plates display an indication of the vehicle's registration period or expiration date and that registration plates for certain vehicles indicate the weight class into which the vehicle falls. The bill also eliminates DOT's issuance of decals to indicate a vehicle's period of registration.

Under current law, to renew most operator's licenses, DOT must administer an examination of the applicant's eyesight and make provisions for giving eyesight examinations at examining stations in each county. Under this bill, DOT is not required to provide eyesight examinations at examining stations in each county.

Under current law, a person who operates a motor vehicle after his or her operating privileges has been revoked is subject to a forfeiture up to \$2,500, but if he or she has a prior conviction within the last five years for operating after his or her operating privilege was revoked or if his or her operating privilege was revoked for an offense related to operating a vehicle while intoxicated (OWI), the person is subject to a fine up to \$2,500, imprisonment for up to one year, or both.

Under this bill, any person who operates a motor vehicle after his or her operating privileges have been revoked is subject to a forfeiture up to \$2,500 unless his or her operating privileges were revoked for an offense related to OWI. The bill does not change the penalty for a person who operates a vehicle after his or her operating privileges have been revoked for an offense related to OWI.

Under current law, a creditor's security interest in a motor vehicle is generally perfected by notation of the security interest on the certificate of title for the vehicle. A creditor may perfect its security interest by delivering to DOT any existing certificate of title for the vehicle and an application for a certificate of title noting the creditor's security interest. To release a security interest, the creditor executes and delivers to the owner a release of the security interest and the owner provides the release and certificate of title to DOT, after which DOT issues a new certificate of title free of the security interest notation. There is a single fee of \$4 for the original notation and subsequent release of each security interest noted on a certificate of title.

This bill requires creditors, other than individuals, that hold security interests in motor vehicles to utilize an electronic process for having these creditors' security interests noted on the certificates of title and for releasing these security interests. DOT rules may provide exemptions from this requirement. The bill also increases

ASSEMBLY BILL 75

from \$4 to \$10 the fee for notation and release of a security interest noted on a certificate of title and eliminates a \$5 fee imposed on financial institutions for each transaction electronically transmitted to DOT relating to a certificate of title or vehicle registration.

This bill specifies that DOT may maintain any motor vehicle certificate of title or other motor vehicle title information in an automated format, including in digital or electronic form, and may consider any record maintained in an automated format to be the original and controlling record, notwithstanding the existence of any printed version of the same record.

Current law requires DOT to establish new designs for most vehicle registration plates every ten years and to issue the new plates on a rolling basis as vehicle registrations are renewed by the vehicle owners. This bill eliminates this ten-year redesign and reissuance schedule and instead requires these registration plates to be redesigned and reissued at intervals determined by DOT.

This bill requires DOT to develop and administer a program to award grants to providers of approved driver education courses, to supplement the cost of providing these courses to low-income individuals.

Under current law, a person who commits an out-of-service violation is subject to a criminal penalty. An out-of-service violation is a violation for operating a commercial motor vehicle while the operator or vehicle is ordered out-of-service under state or federal law. Under this bill, a person who commits an out-of-service violation is subject to a civil penalty rather than a criminal penalty. The bill also makes other changes relating to out-of-service violations.

Under current law, DOT issues identification cards only to residents who do not possess valid operator's licenses.

This bill prohibits DOT from charging a fee to an applicant for the initial issuance of an identification card if the applicant's valid operator's license has been cancelled or surrendered due to a medical condition and the license was not less than six months from expiring. The bill also repeals current law allowing a person whose license is cancelled due to poor eyesight to retain the license for use like an identification card.

Under current law, a person may purchase a specialized registration plate for his or her vehicle by paying an additional fee.

This bill establishes a second authorized special group and provides for the issuance of special registration plates for persons who support endangered resources. The fees charged to special group members are the same as for the existing endangered resources special group plates. The words or symbols used on the second endangered resources special group plate must be different from the existing one and the new design must cover the entire plate. In addition, the second endangered resources special group plate may be issued only if DOT purchases the plates from the state of Minnesota.

The bill also establishes an authorized special group and provides for the issuance of special distinguishing registration plates for persons who support the Milwaukee Brewers. Fees are the same as for the endangered resources plates.

ASSEMBLY BILL 75

However, the \$25 annual fee provides funds to retire the debt of the professional baseball park district where the Milwaukee Brewers' home field is located.

Under current law, DOT's state traffic patrol has specified duties and is authorized to conduct investigations relating to the use or operation of vehicles. This bill allows the state traffic patrol to charge a lead law enforcement agency for services provided by the state traffic patrol in assisting with a traffic accident investigation or reconstruction.

Under current law, upon request by any person, DOT must furnish an abstract of the operating record of any person. DOT must charge the following fees for searches of vehicle operators' records: \$5 for any file search, \$5 for any computerized search, and \$6 or a monthly rate determined by DOT for any search requested by telephone. Under this bill, DOT must charge \$2 for providing a paper copy of an abstract. Also under this bill, DOT is prohibited from charging the fee for a computerized search or for a search requested by telephone to any governmental unit.

TRANSPORTATION AIDS

Under current law, DOT administers a general transportation aids program that makes aid payments to a county based on a share-of-costs formula, and to a municipality based on the greater of a share-of-costs formula or an aid rate per mile. This bill decreases, for 2010 and thereafter, the aid rate per mile for municipalities and the maximum amount of aid that may be paid to counties and municipalities.

Under current law, DOT provides state aid payments, for each of four classes of mass transit systems, to local public bodies in urban areas served by mass transit systems to assist with their costs.

This bill increases in 2010 and 2011 the amount of state aid to each class of mass transit.

This bill authorizes DOT to award grants to cities, villages, towns, and counties, or enter into contracts with private providers of intercity bus service, for the purpose of increasing the availability of intercity bus service. The amount of DOT funding related to any particular bus route is limited to the lesser of 50 percent of the net operating loss of the route or the net operating loss of the route that is not covered by federal funding.

This bill creates the southeast Wisconsin Transit Capital Assistance Program under which DOT may award grants, subject to certain conditions and restrictions, for transit capital improvements to qualifying transit authorities located in southeastern Wisconsin (presently only the southeast regional transit authority if such an authority is created under authorization provided in this bill — see OTHER TRANSPORTATION). The state may issue up to \$100,000,000 in general obligation bonds to provide grants under the program.

This bill authorizes within DOT to award grants to American Indian tribes or bands for the purpose of assisting in providing transportation services to elderly persons. The bill appropriates Indian gaming receipts to fund the grants.

RAIL AND AIR TRANSPORTATION

This bill increases the authorized general obligation bonding limit for the acquisition and improvement of rail property from \$66,500,000 to \$126,500,000.

ASSEMBLY BILL 75

This bill increases from \$82,000,000 to \$122,000,000 the authorized general obligation bonding authority for DOT's rail passenger route development program.

OTHER TRANSPORTATION

This bill creates, or authorizes the creation of, three regional transit authorities: a southeast regional transit authority (SE RTA), a Dane County regional transit authority (DC RTA), and a Fox Cities regional transit authority (FC RTA). The SE RTA is created if the governing body of Milwaukee County or Kenosha County, or of any municipality located within that portion of Racine County east of I 94, adopts a resolution authorizing the county or municipality to become a member of the SE RTA. If any of these counties or municipalities fails to adopt a resolution creating the SE RTA, these counties and municipalities, as well as Racine County, may also join the SE RTA after it has been created. If Milwaukee County or Kenosha County joins the SE RTA, all municipalities located within Milwaukee County or Kenosha County, respectively, become members of the SE RTA. Waukesha County, Ozaukee County, and Washington County may join the SE RTA and any municipality located within these counties may join the SE RTA upon approval of the SE RTA's board of directors. The jurisdictional area of the SE RTA is the geographic area formed by the combined territorial boundaries of counties and municipalities that are members of the SE RTA.

The DC RTA is created if the governing body of Dane County adopts a resolution authorizing the county to become a member of the DC RTA. Once created, the members of the DC RTA consist of Dane County and all municipalities located within the Madison metropolitan planning area (MMPA). Any other municipality located within Dane County may join the DC RTA upon approval of the DC RTA's board of directors. The jurisdictional area of the DC RTA is the geographic area consisting of the MMPA and all municipalities outside the MMPA that join the DC RTA.

The members of the FC RTA consist of Outagamie County, Calumet County, and Winnebago County and all municipalities located within the urbanized area of the Fox Cities metropolitan planning area (UFCMPA). Any other municipality located within Outagamie County, Calumet County, or Winnebago County may join the FC RTA upon approval of the FC RTA's board of directors. The jurisdictional area of the FC RTA is the geographic area consisting of the UFCMPA and all municipalities outside the UFCMPA that join the FC RTA.

An RTA's authority is vested in its board of directors. Directors serve four-year terms. An RTA's bylaws govern its management, operations, and administration and must include specified provisions, including the maximum rate of the sales and use tax, not exceeding the statutory limit, that may be imposed by the RTA.

An RTA may establish or acquire a transportation system, and operate the transportation system or contract for its operation by another. An RTA may also contract with a public or private organization to provide transportation services in lieu of directly providing these services and may purchase and lease transportation facilities to public or private transit companies. An RTA may acquire property by condemnation; impose, by the adoption of a resolution by the RTA's board of directors, a sales and use tax in the RTA's jurisdictional area at a rate of not more than 0.5 percent of the gross receipts or sales price; and issue tax-exempt revenue bonds.

ASSEMBLY BILL 75

Charges received by an RTA must be used only for the general expenses and capital expenditures of the RTA, to pay interest, amortization, and retirement charges on the RTA's revenue bonds, and for other specific purposes of the RTA, and may not be transferred to any political subdivision. An RTA must provide, or contract for the provision of, transit service within the RTA's jurisdictional area.

Under current law, the counties of Kenosha, Racine, and Milwaukee must create a Regional Transit Authority (KRM RTA). The KRM RTA is responsible for the coordination of transit and commuter rail programs within these counties but has no authority to manage or operate any transit system. The KRM RTA may receive funding by imposing a rental car transaction fee within these counties, but the fee may be used only to hire staff, conduct studies, and prepare a report to the legislature and the governor, due by November 15, 2008. This bill terminates the KRM RTA and modifies the rental car transaction fee so that it provides a funding source for the SE RTA if the SE RTA is created.

Under current law, DOT may accept payment by credit card of certain fees, particularly those relating to motor vehicle ownership and operation. This bill allows DOT to accept payment by credit card, debit card, or any other electronic payment mechanism for these fees. The bill also allows DOT to charge a convenience fee, set by DOT, for each payment made by credit card, debit card, or any other electronic payment mechanism. The convenience fee must approximate the cost to DOT for providing the service.

Under current law, the state may contract up to \$53,400,000 in public debt for DOT to award grants for harbor improvements. This bill increases this authorized general obligation bonding limit from \$53,400,000 to \$72,450,000.

VETERANS AND MILITARY AFFAIRS

Currently, DVA assists veterans whose need for services is based on homelessness, incarceration, or other circumstances, including assistance in receiving medical care, dental care, education, employment, and transitional housing. This bill expands the types of services that DVA may provide to include single room occupancy housing.

As a condition for receiving reimbursement for tuition from DVA, current law requires a veteran to provide DVA with the veteran's name, the educational institution the veteran is attending, whether the veteran is enrolled full time or part time, and an estimate of the amount of tuition reimbursement the veteran will later claim. This bill eliminates that requirement.

Current law requires a veteran to submit an application to DVA for tuition reimbursement within 60 days after completion of the semester or course. This bill allows DVA to set the time limit for submitting the application.

This bill eliminates the use of money in the veterans trust funds to assist indigent veterans to pay the costs of residing at the Wisconsin Veterans Home at Union Grove, and instead uses money provided to pay for the operation of the veterans homes for that purpose, but limits the amount that may be used for that purpose to not more than 1 percent of the moneys received from residents of the Home, the federal department of veterans affairs, and from Medical Assistance.

ASSEMBLY BILL 75

The bill also allows up to \$100,000 of the amount appropriated for the operation of the veterans homes to be used for grants to counties and American Indian tribes and bands for the improvement of services to veterans.

The bill extends the sunset date for the grant program to train volunteers to assist individuals who return to this state after active duty in the national guard or armed forces from June 30, 2007, to June 30, 2011.

This bill provides funding from the petroleum inspection fund for the general program operations of the division of emergency management.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

7 there is no immediate threat to the safety of the child and his or her family and court
8 intervention is not necessary, the county department shall conduct a comprehensive
9 assessment of the safety of the child and his or her family, the risk of subsequent
10 abuse or neglect, and the strengths and needs of the child's family to determine
11 whether services are needed to address those issues assessed and, based on the

18 under sub. (3) (c) 4. that abuse or neglect has occurred or is likely to occur or that a
19 specific person has abused or neglected the child. If in conducting the assessment
20 the county department determines that there is reason to suspect that substantial
21 abuse or neglect has occurred or is likely to occur or that an investigation under sub.
22 (3) is otherwise necessary to ensure the safety of the child and his or her family, the
23 county department shall immediately commence an investigation under sub. (3).

25 abuse or neglect has occurred or is likely to occur, the county department shall refer

ASSEMBLY BILL 75**SECTION 1100**

1 the child's family to a service provider in the community for the provision of
2 appropriate services on a voluntary basis. If the county department employs the

7 or that a specific person has abused or neglected the child.

8 (d) The department shall conduct an evaluation of the pilot program and, by
9 July 1, 2012, shall submit a report of that evaluation to the governor and to the
10 appropriate standing committees of the legislature under s. 13.172 (3). The
11 evaluation shall assess the issues encountered in implementing the pilot program

3 **SECTION 1460.** 62.62 of the statutes is created to read:

4 **62.62 Appropriation bonds for payment of employee retirement**
5 **system liability in 1st class cities. (1) DEFINITIONS.** In this section:

6 (a) “Appropriation bond” means a bond issued by a city to evidence its
7 obligation to repay a certain amount of borrowed money that is payable from all of
8 the following:

9 1. Moneys annually appropriated by law for debt service due with respect to
10 such appropriation bond in that year.

12 3. Payments received for that purpose under agreements and ancillary
13 arrangements described in s. 62.621.

14 4. Investment earnings on amounts in subds. 1. to 3.

22 prepaying part or all of the city’s unfunded prior service liability with respect to an
23 employee retirement system of the city, may reduce its costs and better ensure the
24 timely and full payment of retirement benefits to participants and their beneficiaries
25 under the employee retirement system, the legislature finds and determines that it

ASSEMBLY BILL 75**SECTION 1460**

1 is in the public interest for the city to issue appropriation bonds to obtain proceeds
2 to pay its unfunded prior service liability.

3 (2) AUTHORIZATION OF APPROPRIATION BONDS. (a) A common council shall have
4 all powers necessary and convenient to carry out its duties, and to exercise its
5 authority, under this section.

6 (b) Subject to pars. (c) and (d), a common council may issue appropriation bonds
7 under this section to pay all or any part of the city's unfunded prior service liability
8 with respect to an employee retirement system of the city, or to fund or refund
9 outstanding appropriation bonds issued under this section. A city may use proceeds
10 of appropriation bonds to pay issuance or administrative expenses, to make deposits
11 to reserve funds, to pay accrued or funded interest, to pay the costs of credit
12 enhancement, to make payments under other agreements entered into under s.
13 62.621, or to make deposits to stabilization funds established under s. 62.621.

14 (c) Other than refunding bonds issued under sub. (6), all bonds must be issued
15 simultaneously.

16 (d) 1. Before a city may issue appropriation bonds under par. (b), its common
17 council shall enact an ordinance that establishes a 5-year strategic and financial
18 plan related to the payment of all or any part of the city's unfunded prior service
19 liability with respect to an employee retirement system of the city. The strategic and
20 financial plan shall provide that future annual pension liabilities are funded on a
21 current basis. The strategic and financial plan shall contain quantifiable
22 benchmarks to measure compliance with the plan. The common council shall make
23 a determination that the ordinance meets the requirements of this subdivision and,
24 absent manifest error, the common council's determination shall be conclusive. The
25 common council shall submit to the governor and to the chief clerk of each house of

ASSEMBLY BILL 75**SECTION 1460**

1 the legislature, for distribution to the legislature under s. 13.172 (2), a copy of the
2 strategic and financial plan.

3 2. Annually, the city shall submit to the governor, the department of revenue,
4 and the department of administration, and to the chief clerk of each house of the
5 legislature, for distribution to the legislature under s. 13.172 (2), a report that
6 includes all of the following:

7 a. The city's progress in meeting the benchmarks in the strategic and financial
8 plan.

9 b. Any proposed modifications to the plan.

10 c. The status of any stabilization fund that is established under s. 62.622 (3).

11 d. The most current actuarial report related to the city's employee retirement
12 system.

13 e. The amount, if any, by which the city's contributions to the employee
14 retirement system for the prior year is less than the normal cost contribution for that
15 year as specified in the initial actuarial report for the city's employee retirement
16 system for that year.

17 f. The amount that the actuary determines is the city's required contribution
18 to the employee retirement system for that year.

19 **(2m)** PENALTY FOR INADEQUATE CONTRIBUTION. If the city's contributions to the
20 employee retirement system for the prior year is less than the lower of the required
21 contribution for that year, as described in sub. (2) (d) 2. f., or the normal cost for that
22 year, the department of revenue shall reduce and withhold the amount of the shared
23 revenue payments to the city under subch. I of ch. 79, in the following year, by an
24 amount equal to the difference between the required cost contribution for that prior
25 year and the city's actual contribution in that prior year. The department of revenue

ASSEMBLY BILL 75**SECTION 1460**

1 shall deposit the amount of the reduced and withheld shared revenue payment into
2 the city's employee retirement system.

3 (3) TERMS. (a) A city may borrow moneys and issue appropriation bonds in
4 evidence of the borrowing pursuant to one or more written authorizing resolutions
5 under sub. (4). Unless otherwise provided in an authorizing resolution, the city may
6 issue appropriation bonds at any time, in any specific amounts, at any rates of
7 interest, for any term, payable at any intervals, at any place, in any manner, and
8 having any other terms or conditions that the common council considers necessary
9 or desirable. Appropriation bonds may bear interest at variable or fixed rates, bear
10 no interest, or bear interest payable only at maturity or upon redemption prior to
11 maturity.

12 (b) The common council may authorize appropriation bonds having any
13 provisions for prepayment the common council considers necessary or desirable,
14 including the payment of any premium.

15 (c) Interest shall cease to accrue on an appropriation bond on the date that the
16 appropriation bond becomes due for payment if payment is made or duly provided
17 for.

18 (d) All moneys borrowed by a city that is evidenced by appropriation bonds
19 issued under this section shall be lawful money of the United States, and all
20 appropriation bonds shall be payable in such money.

21 (e) All appropriation bonds owned or held by a fund of the city are outstanding
22 in all respects, and the common council or other governing body controlling the fund
23 shall have the same rights with respect to an appropriation bond as a private party,
24 but if any sinking fund acquires appropriation bonds that gave rise to such fund, the

ASSEMBLY BILL 75**SECTION 1460**

1 appropriation bonds are considered paid for all purposes and no longer outstanding
2 and shall be canceled as provided in sub. (7) (d).

3 (f) A city shall not be generally liable on appropriation bonds, and
4 appropriation bonds shall not be a debt of the city for any purpose whatsoever.
5 Appropriation bonds, including the principal thereof and interest thereon, shall be
6 payable only from amounts that the common council may, from year to year,
7 appropriate for the payment thereof.

8 (4) PROCEDURES. (a) No appropriation bonds may be issued by a city unless the
9 issuance is pursuant to a written authorizing resolution adopted by a majority of a
10 quorum of the common council. The resolution may be in the form of a resolution or
11 trust indenture, and shall set forth the aggregate principal amount of appropriation
12 bonds authorized thereby, the manner of their sale, and the form and terms thereof.
13 The resolution or trust indenture may establish such funds and accounts, including
14 a reserve fund, as the common council determines.

15 (b) Appropriation bonds may be sold at either public or private sale and may
16 be sold at any price or percentage of par value. All appropriation bonds sold at public
17 sale shall be noticed as provided in the authorizing resolution. Any bid received at
18 public sale may be rejected.

19 (5) FORM. (a) As determined by the common council, appropriation bonds may
20 be issued in book-entry form or in certificated form. Notwithstanding s. 403.104 (1),
21 every evidence of appropriation bond is a negotiable instrument.

22 (b) Every appropriation bond shall be executed in the name of and for the city
23 by the president of the common council and city clerk, and shall be sealed with the
24 seal of the city, if any. Facsimile signatures of either officer may be imprinted in lieu
25 of manual signatures, but the signature of at least one such officer shall be manual.

ASSEMBLY BILL 75**SECTION 1460**

1 An appropriation bond bearing the manual or facsimile signature of a person in office
2 at the same time the signature was signed or imprinted shall be fully valid
3 notwithstanding that before or after the delivery of such appropriation bond the
4 person ceased to hold such office.

5 (c) Every appropriation bond shall be dated not later than the date it is issued,
6 shall contain a reference by date to the appropriate authorizing resolution, shall
7 state the limitation established in sub. (3) (f), and shall be in accordance with the
8 appropriate authorizing resolution in all respects.

9 (d) An appropriation bond shall be substantially in such form and contain such
10 statements or terms as determined by the common council, and may not conflict with
11 law or with the appropriate authorizing resolution.

12 **(6) REFUNDING BONDS.** (a) 1. A common council may authorize the issuance of
13 refunding appropriation bonds. Refunding appropriation bonds may be issued,
14 subject to any contract rights vested in owners of the appropriation bonds being
15 refunded, to refund all or any part of one or more issues of appropriation bonds
16 notwithstanding that the appropriation bonds may have been issued at different
17 times or issues of general obligation promissory notes under s. 67.12 (12) were issued
18 to pay unfunded prior service liability with respect to an employee retirement
19 system. The principal amount of the refunding appropriation bonds may not exceed
20 the sum of: the principal amount of the appropriation bonds or general obligation
21 promissory notes being refunded; applicable redemption premiums; unpaid interest
22 on the refunded appropriation bonds or general obligation promissory notes to the
23 date of delivery or exchange of the refunding appropriation bonds; in the event the
24 proceeds are to be deposited in trust as provided in par. (c), interest to accrue on the
25 appropriation bonds or general obligation promissory notes to be refunded from the

ASSEMBLY BILL 75**SECTION 1460**

1 date of delivery to the date of maturity or to the redemption date selected by the
2 common council, whichever is earlier; and the expenses incurred in the issuance of
3 the refunding appropriation bonds and the payment of the refunded appropriation
4 bonds or general obligation promissory notes.

5 2. A common council may authorize the issuance of general obligation
6 promissory notes under s. 67.12 (12) (a) to refund appropriation bonds,
7 notwithstanding s. 67.01 (9) (intro.).

8 (b) If a common council determines to exchange refunding appropriation bonds,
9 they may be exchanged privately for, and in payment and discharge of, any of the
10 outstanding appropriation bonds being refunded. Refunding appropriation bonds
11 may be exchanged for such principal amount of the appropriation bonds being
12 exchanged therefor as may be determined by the common council to be necessary or
13 desirable. The owners of the appropriation bonds being refunded who elect to
14 exchange need not pay accrued interest on the refunding appropriation bonds if and
15 to the extent that interest is accrued and unpaid on the appropriation bonds being
16 refunded and to be surrendered. If any of the appropriation bonds to be refunded are
17 to be called for redemption, the common council shall determine which redemption
18 dates are to be used, if more than one date is applicable and shall, prior to the
19 issuance of the refunding appropriation bonds, provide for notice of redemption to be
20 given in the manner and at the times required by the resolution authorizing the
21 appropriation bonds to be refunded.

22 (c) 1. The principal proceeds from the sale of any refunding appropriation bonds
23 shall be applied either to the immediate payment and retirement of the
24 appropriation bonds or general obligation promissory notes being refunded or, if the
25 bonds or general obligation promissory notes have not matured and are not presently

ASSEMBLY BILL 75**SECTION 1460**

1 redeemable, to the creation of a trust for, and shall be pledged to the payment of, the
2 appropriation bonds or general obligation promissory notes being refunded.

3 2. If a trust is created, a separate deposit shall be made for each issue of
4 appropriation bonds or general obligation promissory notes being refunded. Each
5 deposit shall be with a bank or trust company authorized by the laws of the United
6 States or of a state in which it is located to conduct banking or trust company
7 business. If the total amount of any deposit, including moneys other than sale
8 proceeds but legally available for such purpose, is less than the principal amount of
9 the appropriation bonds or general obligation promissory notes being refunded and
10 for the payment of which the deposit has been created and pledged, together with
11 applicable redemption premiums and interest accrued and to accrue to maturity or
12 to the date of redemption, then the application of the sale proceeds shall be legally
13 sufficient only if the moneys deposited are invested in securities issued by the United
14 States or one of its agencies, or securities fully guaranteed by the United States, and
15 only if the principal amount of the securities at maturity and the income therefrom
16 to maturity will be sufficient and available, without the need for any further
17 investment or reinvestment, to pay at maturity or upon redemption the principal
18 amount of the appropriation bonds or general obligation promissory notes being
19 refunded together with applicable redemption premiums and interest accrued and
20 to accrue to maturity or to the date of redemption. The income from the principal
21 proceeds of the securities shall be applied solely to the payment of the principal of
22 and interest and redemption premiums on the appropriation bonds or general
23 obligation promissory notes being refunded, but provision may be made for the
24 pledging and disposition of any surplus.

ASSEMBLY BILL 75**SECTION 1460**

1 3. Nothing in this paragraph may be construed as a limitation on the duration
2 of any deposit in trust for the retirement of appropriation bonds or general obligation
3 promissory notes being refunded that have not matured and that are not presently
4 redeemable. Nothing in this paragraph may be constructed to prohibit reinvestment
5 of the income of a trust if the reinvestments will mature at such times that sufficient
6 moneys will be available to pay interest, applicable premiums, and principal on the
7 appropriation bonds or general obligation promissory notes being refunded.

8 **(7) FISCAL REGULATIONS.** (a) All appropriation bonds shall be registered by the
9 city clerk or city treasurer of the city issuing the appropriation bonds, or such other
10 officers or agents, including fiscal agents, as the common council may determine.
11 After registration, no transfer of an appropriation bond is valid unless made by the
12 registered owner's duly authorized attorney, on the records of the city and similarly
13 noted on the appropriation bond. The city may treat the registered owner as the
14 owner of the appropriation bond for all purposes. Payments of principal and interest
15 shall be by electronic funds transfer, check, share draft, or other draft to the
16 registered owner at the owner's address as it appears on the register, unless the
17 common council has otherwise provided. Information in the register is not available
18 for inspection and copying under s. 19.35 (1). The common council may make any
19 other provision respecting registration as it considers necessary or desirable.

20 (b) The common council may appoint one or more trustees or fiscal agents for
21 each issue of appropriation bonds. The city treasurer may be designated as the
22 trustee and the sole fiscal agent or as cofiscal agent for any issue of appropriation
23 bonds. Every other fiscal agent shall be an incorporated bank or trust company
24 authorized by the laws of the United States or of the state in which it is located to
25 conduct banking or trust company business. There may be deposited with a trustee,

ASSEMBLY BILL 75**SECTION 1460**

1 in a special account, moneys to be used only for the purposes expressly provided in
2 the resolution authorizing the issuance of appropriation bonds or an agreement
3 between the city and the trustee. The common council may make other provisions
4 respecting trustees and fiscal agents as the common council considers necessary or
5 desirable and may enter into contracts with any trustee or fiscal agent containing
6 such terms, including compensation, and conditions in regard to the trustee or fiscal
7 agent as the common council considers necessary or desirable.

8 (c) If any appropriation bond is destroyed, lost, or stolen, the city shall execute
9 and deliver a new appropriation bond, upon filing with the common council evidence
10 satisfactory to the common council that the appropriation bond has been destroyed,
11 lost, or stolen, upon providing proof of ownership thereof, and upon furnishing the
12 common council with indemnity satisfactory to it and complying with such other
13 rules of the city and paying any expenses that the city may incur. The common
14 council shall cancel the appropriation bond surrendered to the city.

15 (d) Unless otherwise directed by the common council, every appropriation bond
16 paid or otherwise retired shall be marked "canceled" and delivered to the city
17 treasurer, or to such other fiscal agent as applicable with respect to the appropriation
18 bond, who shall destroy them and deliver a certificate to that effect to the city clerk.

19 **(8) APPROPRIATION BONDS AS LEGAL INVESTMENTS.** Any of the following may
20 legally invest any sinking funds, moneys, or other funds belonging to them or under
21 their control in any appropriation bonds issued under this section:

22 (a) The state, the investment board, public officers, municipal corporations,
23 political subdivisions, and public bodies.

24 (b) Banks and bankers, savings and loan associations, credit unions, trust

ASSEMBLY BILL 75**SECTION 1460**

1 companies, insurance associations, and other persons carrying on a banking or
2 insurance business.

3 (c) Personal representatives, guardians, trustees, and other fiduciaries.

4 (9) MORAL OBLIGATION PLEDGE. If the common council considers it necessary or
5 desirable to do so, it may express in a resolution authorizing appropriation bonds its
6 expectation and aspiration to make timely appropriations sufficient to pay the
7 principal and interest due with respect to such appropriation bonds, to make
8 deposits into a reserve fund created under sub. (4) (a) with respect to such
9 appropriation bonds, to make payments under any agreement or ancillary
10 arrangement entered into under s. 62.621 with respect to such appropriation bonds,
11 to make deposits into any stabilization fund established or continued under s. 62.622
12 with respect to such appropriation bonds, or to pay related issuance or
13 administrative expenses.

14 (10) APPLICABILITY. This section does not apply if a city does not issue
15 appropriation bonds as authorized under sub. (2).

16 **SECTION 1461.** 62.621 of the statutes is created to read:

17 **62.621 Agreements and ancillary arrangements for certain notes and**
18 **appropriation bonds.** At the time of issuance or in anticipation of the issuance of
19 appropriation bonds under s. 62.62, or general obligation promissory notes under s.

2 wage data in the area to determine those prevailing wage rates, in which case the
3 department may use data from projects that are subject to this section, s. 66.0903,
4 103.49, or 103.50 or 40 USC 3142.

5 (d) Any person may request a recalculation of any portion of an initial
6 determination within 30 days after the initial determination date if the person
7 submits evidence with the request showing that the prevailing wage rate for any
8 given trade or occupation included in the initial determination does not represent the
9 prevailing wage rate for that trade or occupation in the area. The evidence shall
10 include wage rate information reflecting work performed by persons working in the
11 contested trade or occupation in the area during the current survey period. The
12 department shall affirm or modify the initial determination within 15 days after the
13 date on which the department receives the request for recalculation.

14 (e) In addition to the recalculation under par. (d), the owner or developer that
15 requested the determination under this subsection may request a review of any
16 portion of the determination within 30 days after the date of issuance of the
17 determination if the owner or developer submits evidence with the request showing
18 that the prevailing wage rate for any given trade or occupation included in the
19 determination does not represent the prevailing wage rate for that trade or
20 occupation in the city, village, or town in which the proposed publicly funded private
21 construction project is located. That evidence shall include wage rate information
22 for the contested trade or occupation on at least 3 similar projects located in the city,
23 village, or town where the proposed publicly funded private construction project is
24 located on which some work has been performed during the current survey period
25 and which were considered by the department in issuing its most recent compilation

5 \$2,000.

6 (6) EXEMPTIONS. The department, upon petition of any owner or developer
7 contracting for a publicly funded private construction project that is subject to this
8 section, shall issue an order exempting the owner or developer from applying to the
9 department for a determination under sub. (4) when it is shown that the project is
10 also subject to an ordinance or other enactment of a local governmental unit that sets
11 forth standards, policy, procedure, and practice resulting in standards as high or
12 higher than those under this section.

13 (7) COMPLIANCE. (a) When the department finds that an owner or developer
14 has not requested a determination under sub. (4) (a) or that an owner, developer,
15 contractor, or subcontractor has not physically incorporated a determination into a
16 contract or subcontract as required under sub. (2) (b) or has not notified a minor
17 subcontractor of a determination in the manner prescribed by the department by
18 rule promulgated under sub. (2) (b), the department shall notify the owner,

20 determination with the owner, developer, contractor, or subcontractor within 30 days
21 after the notice.

22 (b) Upon completion of a publicly funded private construction project that is
23 subject to this section and before receiving final payment for his or her work on the
24 private construction project, each agent or subcontractor shall furnish the contractor
25 with an affidavit stating that the agent or subcontractor has complied fully with the

ASSEMBLY BILL 75**SECTION 1487**

1 requirements of this section. A contractor may not authorize final payment until the
2 affidavit is filed in proper form and order.

4 subject to this section and before receiving final payment for his or her work on the
5 project, each contractor shall file with the owner or developer contracting for the
6 work an affidavit stating that the contractor has complied fully with the
7 requirements of this section and that the contractor has received an affidavit under
8 par. (b) from each of the contractor's agents and subcontractors. An owner or
9 developer may not authorize a final payment until the affidavit is filed in proper form
10 and order. If an owner or developer authorizes a final payment before the affidavit
11 is filed in proper form and order or if the department determines, based on the
12 greater weight of the credible evidence, that any person performing the work
13 specified in sub. (3) has been or may have been paid less than the prevailing wage
14 rate or less than 1.5 times the hourly basic rate of pay for all hours worked in excess
15 of the prevailing hours of labor and requests that the owner or developer withhold
16 all or part of the final payment, but the owner or developer fails to do so, the owner
17 or developer is liable for all back wages payable up to the amount of the final

18 zoning ordinance if, as a result of an amendment adopted after the effective date of
19 this paragraph [LRB inserts date], the amended farmland preservation zoning
20 ordinance fails to comply with the requirements under s. 91.38. This paragraph
21 applies regardless of whether the farmland preservation zoning ordinance was
22 originally certified under s. 91.06, 2007 stats., or under this section.

23 (d) A political subdivision shall notify the department in writing whenever the
24 political subdivision adopts an amendment that is described in par. (b) 1. to 3. to a
25 certified farmland preservation zoning ordinance. The political subdivision shall

ASSEMBLY BILL 75**SECTION 1947**

1 include a copy of the amendment in the notice. This paragraph does not apply to an
2 amendment that rezones land out of a farmland preservation zoning district.

3 **91.38 Requirements for certification of ordinance. (1)** A farmland
4 preservation zoning ordinance does not qualify for certification under s. 91.36 unless
5 all of the following apply:

6 (a) The farmland preservation zoning ordinance includes jurisdictional,
7 organizational, and enforcement provisions that are necessary for proper
8 administration.

9 (c) The farmland preservation zoning ordinance clearly designates farmland
10 preservation zoning districts in which land uses are limited in compliance with s.
11 91.42.

12 (d) The farmland preservation zoning ordinance includes maps that clearly
13 delineate each farmland preservation zoning district, so that a reader can easily
14 determine whether a parcel is within a farmland preservation zoning district; that
15 are correlated to the text under par. (e); and that comply with technical specifications
16 that the department establishes by rule.

17 (e) The text of the farmland preservation zoning ordinance clearly describes the
18 types of land uses authorized in each farmland preservation zoning district.

19 (f) The farmland preservation zoning ordinance is substantially consistent
20 with a certified farmland preservation plan.

21 (g) Except as provided by the department by rule, land is not included in a
22 farmland preservation zoning district unless the land is included in a farmland
23 preservation area identified in the county certified farmland preservation plan.

24 (h) If an overlay district, such as an environmental corridor, is superimposed
25 on a farmland preservation zoning district, all of the following apply:

ASSEMBLY BILL 75**SECTION 1947**

1 1. The farmland preservation zoning ordinance clearly identifies the overlay
2 district as such.

3 2. The overlay district is shown on the maps under par. (d) in a way that allows
4 a reader to easily identify the underlying farmland preservation zoning district and
5 its boundaries.

6 3. The overlay district does not remove land use restrictions from the
7 underlying farmland preservation zoning district.

8 (i) The farmland preservation zoning ordinance complies with any other
9 requirements that the department specifies by rule.

10 **(2)** An amendment to a farmland preservation zoning ordinance qualifies for
11 certification under s. 91.36 if it complies with all of the requirements in sub. (1) that
12 are relevant to the amendment and it does not cause the farmland preservation
13 zoning ordinance to violate any of the requirements in sub. (1).

14 **91.40 Applying for certification of ordinance.** A political subdivision
15 seeking certification of a farmland preservation zoning ordinance or amendment to
16 a farmland preservation zoning ordinance shall submit all of the following to the
17 department in writing, along with any other relevant information that the political
18 subdivision chooses to provide:

19 **(1)** The complete farmland preservation zoning ordinance or amendment
20 proposed for certification.

21 **(2)** All of the following background information:

22 (a) A concise summary of the farmland preservation zoning ordinance or
23 amendment, including key changes from any previously certified farmland
24 preservation zoning ordinance.

ASSEMBLY BILL 75**SECTION 1947**

1 (b) A concise summary of the process by which the farmland preservation
2 zoning ordinance or amendment was developed, including public hearings, notice to
3 and involvement of other governmental units, approval by the political subdivision,
4 and identification of any key unresolved issues with other governmental units
5 related to the farmland preservation zoning ordinance or amendment.

6 (c) A description of the relationship of the farmland preservation zoning
7 ordinance or amendment to the county certified farmland preservation plan,
8 including any material inconsistencies between the farmland preservation zoning
9 ordinance or amendment and the county certified farmland preservation plan.

10 (3) A statement, signed by the county planning director or the chief elected
11 official, certifying that the farmland preservation zoning ordinance or amendment
12 complies with s. 91.38 (1) (g) and (h).

13 (4) A statement, signed by the applicant's attorney or chief elected official,
14 certifying that the farmland preservation zoning ordinance or amendment complies
15 with all applicable requirements in s. 91.38.

16 (5) Other relevant information that the department requires by rule.

17 **91.42 Land use in farmland preservation zoning districts; general.** A
18 farmland preservation zoning ordinance does not qualify for certification under s.
19 91.36, if the farmland preservation zoning ordinance allows a land use in a farmland
20 preservation zoning district other than the following land uses:

21 (1) Uses identified as permitted uses in s. 91.44.

22 (2) Uses identified as conditional uses in s. 91.46.

23 (3) Prior nonconforming uses, subject to the following:

ASSEMBLY BILL 75**SECTION 1947**

1 (a) A prior nonconforming use that is a residence may be expanded or
2 remodeled, as long as there is no increase in the number of dwelling units in the
3 residence.

4 (b) A prior nonconforming use that is not a residence may continue without
5 further approval unless it is materially altered.

6 (c) The proposed farmland preservation zoning districts under the farmland
7 preservation zoning ordinance contain only isolated prior nonconforming uses.

8 (4) Other uses allowed by the department by rule.

9 **91.44 Permitted uses. (1)** A farmland preservation zoning ordinance does
10 not comply with s. 91.42 if the farmland preservation zoning ordinance allows as a
11 permitted use in a farmland preservation zoning district a land use other than the
12 following land uses:

13 (a) Agricultural uses.

14 (b) Accessory uses.

15 (c) Agriculture-related uses.

16 (d) Nonfarm residences constructed in a rural residential cluster in accordance
17 with an approval of the cluster as a conditional use under s. 91.46 (1) (e).

18 (e) Undeveloped natural resource and open space areas.

19 (f) A transportation, utility, communication, or other use that is required under
20 state or federal law to be located in a specific place or that is authorized to be located
21 in a specific place under a state or federal law that preempts the requirement of a
22 conditional use permit for that use.

23 (g) Other uses identified by the department by rule.

ASSEMBLY BILL 75**SECTION 1947**

1 **(2)** The department may promulgate rules imposing additional limits on the
2 permitted uses that may be allowed in a farmland preservation zoning district in
3 order for a farmland preservation zoning ordinance to comply with s. 91.42.

4 **91.46 Conditional uses. (1) GENERAL.** A farmland preservation zoning
5 ordinance does not comply with s. 91.42 if the farmland preservation zoning
6 ordinance allows as a conditional use in a farmland preservation zoning district a
7 land use other than the following land uses:

8 (a) Agricultural uses.

9 (b) Accessory uses.

10 (c) Agriculture–related uses.

11 (d) Nonfarm residences that qualify under sub. (2) or that meet more restrictive
12 standards in the farmland preservation zoning ordinance.

13 (e) Nonfarm residential clusters that qualify under sub. (3) or that meet more
14 restrictive standards in the farmland preservation zoning ordinance.

15 (f) Transportation, communications, pipeline, electric transmission, utility, or
16 drainage uses that qualify under sub. (4).

17 (g) Governmental, institutional, religious, or nonprofit community uses, other
18 than uses covered by par. (f), that qualify under sub. (5).

19 (h) Nonmetallic mineral extraction that qualifies under sub. (6).

20 (i) Oil and gas exploration or production that is licensed by the department of
21 natural resources under subch. II of ch. 295.

22 (j) Other uses allowed by the department by rule.

23 **(1m) ADDITIONAL LIMITATIONS.** The department may promulgate rules imposing
24 additional limits on the conditional uses that may be allowed in a farmland

ASSEMBLY BILL 75**SECTION 1947**

1 preservation zoning district in order for a farmland preservation zoning ordinance
2 to comply with s. 91.42.

3 **(2) NONFARM RESIDENCES.** A nonfarm residence qualifies for the purposes of sub.
4 (1) (d) if the political subdivision determines that all of the following apply:

5 (a) The ratio of nonfarm residential acreage to farm acreage on the base farm
6 tract on which the nonfarm residence will be located will not be greater than 1 to 20
7 after the nonfarm residence is constructed.

8 (b) There will not be more than 4 dwelling units in nonfarm residences, nor
9 more than 5 dwelling units in residences of any kind, on the base farm tract after the
10 nonfarm residence is constructed.

11 (c) The location of the proposed nonfarm residential parcel, and the location of
12 the nonfarm residence on that nonfarm residential parcel, will not do any of the
13 following:

14 1. Convert prime farmland from agricultural use or convert land previously
15 used as cropland, other than a woodlot, from agricultural use if on the farm there are
16 reasonable alternative locations for a nonfarm residential parcel or nonfarm
17 residence.

18 2. Significantly impair or limit the current or future agricultural use of other
19 protected farmland.

20 **(3) NONFARM RESIDENTIAL CLUSTER.** A political subdivision may issue one
21 conditional use permit that covers more than one nonfarm residence in a qualifying
22 nonfarm residential cluster. A nonfarm residential cluster qualifies for the purposes
23 of sub. (1) (e) if all of the following apply:

24 (a) The parcels on which the nonfarm residences would be located are
25 contiguous.

ASSEMBLY BILL 75**SECTION 1947**

1 (b) The political subdivision imposes legal restrictions on the construction of
2 the nonfarm residences so that if all of the nonfarm residences were constructed,
3 each would satisfy the requirements under sub. (2).

4 (4) TRANSPORTATION, COMMUNICATIONS, PIPELINE, ELECTRIC TRANSMISSION, UTILITY,
5 OR DRAINAGE USE. A transportation, communications, pipeline, electric transmission,
6 utility, or drainage use qualifies for the purposes of sub. (1) (f) if the political
7 subdivision determines that all of the following apply:

8 (a) The use and its location in the farmland preservation zoning district are
9 consistent with the purposes of the farmland preservation zoning district.

10 (b) The use and its location in the farmland preservation zoning district are
11 reasonable and appropriate, considering alternative locations, or are specifically
12 approved under state or federal law.

13 (c) The use is reasonably designed to minimize conversion of land, at and
14 around the site of the use, from agricultural use or open space use.

15 (d) The use does not substantially impair or limit the current or future
16 agricultural use of surrounding parcels of land that are zoned for or legally restricted
17 to agricultural use.

18 (e) Construction damage to land remaining in agricultural use is minimized
19 and repaired, to the extent feasible.

20 (5) GOVERNMENTAL, INSTITUTIONAL, RELIGIOUS, OR NONPROFIT COMMUNITY USE. A
21 governmental, institutional, religious, or nonprofit community use qualifies for the
22 purposes of sub. (1) (g) if the political subdivision determines that all of the following
23 apply:

24 (a) The use and its location in the farmland preservation zoning district are
25 consistent with the purposes of the farmland preservation zoning district.

ASSEMBLY BILL 75**SECTION 1947**

1 (b) The use and its location in the farmland preservation zoning district are
2 reasonable and appropriate, considering alternative locations, or are specifically
3 approved under state or federal law.

4 (c) The use is reasonably designed to minimize the conversion of land, at and
5 around the site of the use, from agricultural use or open space use.

6 (d) The use does not substantially impair or limit the current or future
7 agricultural use of surrounding parcels of land that are zoned for or legally restricted
8 to agricultural use.

9 (e) Construction damage to land remaining in agricultural use is minimized
10 and repaired, to the extent feasible.

11 **(6) NONMETALLIC MINERAL EXTRACTION.** Nonmetallic mineral extraction
12 qualifies for the purposes of sub. (1) (h) if the political subdivision determines that
13 all of the following apply:

14 (a) The operation complies with subch. I of ch. 295 and rules promulgated under
15 that subchapter, with applicable provisions of the local ordinance under s. 295.13 or
16 295.14, and with any applicable requirements of the department of transportation
17 concerning the restoration of nonmetallic mining sites.

18 (b) The operation and its location in the farmland preservation zoning district
19 are consistent with the purposes of the farmland preservation zoning district.

20 (c) The operation and its location in the farmland preservation zoning district
21 are reasonable and appropriate, considering alternative locations outside the
22 farmland preservation zoning district, or are specifically approved under state or
23 federal law.

24 (d) The operation is reasonably designed to minimize the conversion of land
25 around the extraction site from agricultural use or open space use.

ASSEMBLY BILL 75**SECTION 1947**

1 (e) The operation does not substantially impair or limit the current or future
2 agricultural use of surrounding parcels of land that are zoned for or legally restricted
3 to agricultural use.

4 (f) The farmland preservation zoning ordinance requires the owner to restore
5 the land to agricultural use, consistent with any required locally approved
6 reclamation plan, when extraction is completed.

7 **91.48 Rezoning of land out of a farmland preservation zoning district.**

8 (1) A political subdivision with a certified farmland preservation zoning ordinance
9 may rezone land out of a farmland preservation zoning district without having the
10 rezoning certified under s. 91.36, if all of the following apply:

11 (a) The political subdivision finds all of the following, after public hearing:

12 1. The land is better suited for a use not allowed in the farmland preservation
13 zoning district.

14 2. The rezoning is consistent with any applicable comprehensive plan.

15 3. The rezoning is substantially consistent with the county certified farmland
16 preservation plan.

17 4. The rezoning will not substantially impair or limit current or future
18 agricultural use of surrounding parcels of land that are zoned for or legally restricted
19 to agricultural use.

20 (b) The owner of the land pays to the political subdivision, for each rezoned acre
21 or portion thereof, a conversion fee equal to the greater of the following:

22 1. Three times the per acre value, for the year in which the land is rezoned, of
23 the highest value category of tillable cropland in the city, village, or town in which
24 the rezoned land is located, as specified by the department of revenue under s. 73.03

25 (2a).

ASSEMBLY BILL 75**SECTION 1947**

1 2. An amount specified in the certified farmland preservation zoning
2 ordinance.

3 **(2)** A political subdivision shall by March of 1 each year provide all of the
4 following to the department:

5 (a) A report of the number of acres that the political subdivision has rezoned
6 out of a farmland preservation zoning district under sub. (1) during the previous year
7 and a map that clearly shows the location of those acres.

8 (b) A report of the total amount of conversion fees that the political subdivision
9 received as conversion fees under sub. (1) (b) for the rezoned acres under par. (a).

10 (c) A conversion fee equal to the amount under sub. (1) (b) 1. for each rezoned
11 acre reported under par. (a).

12 **(3)** A political subdivision that is not a county shall by March 1 of each year
13 submit a copy of the information that it reports to the department under sub. (2) (a)
14 and (b) to the county in which the political subdivision is located.

15 **(4)** If a political subdivision fails to comply with sub. (2), the department may
16 withdraw the certification granted under s. 91.06, 2007 stats, or under s. 91.36 for
17 the political subdivision's farmland preservation zoning ordinance.

18 **91.49 Use of conversion fee revenues.** **(1)** All conversion fees received
19 under s. 91.48 (2) (c) shall be deposited in the working lands fund.

20 **(2)** If a political subdivision specifies a conversion fee under s. 91.48 (1) (b) 2.
21 that is higher than the amount that is specified in s. 91.48 (1) (b) 1. and required to
22 be paid to the department under s. 91.48 (2) (c), the political subdivision shall use the
23 difference for its costs related to farmland preservation planning, zoning, or
24 compliance monitoring.

ASSEMBLY BILL 75**SECTION 1947**

1 **(3) PRIOR AGREEMENTS.** (a) Except as provided in par. (c) or s. 91.66, a farmland
2 preservation agreement entered into before the effective date of this paragraph ...
3 [LRB inserts date], remains in effect for the term specified in the agreement and
4 under the terms that were agreed upon when the agreement was last created,
5 extended, or renewed.

6 (b) The department may not extend or renew a farmland preservation
7 agreement entered into before the effective date of this paragraph [LRB inserts
8 date].

9 (c) The department and an owner of land who entered into a farmland
10 preservation agreement before the effective date of this paragraph [LRB inserts
11 date], may agree to modify the farmland preservation agreement in order to allow
12 the owner to claim the tax credit under s. 71.613 rather than the tax credit for which
13 the owner would otherwise be eligible.

14 **91.62 Farmland preservation agreements; requirements. (1) CONTENTS.**
15 The department may not enter into a farmland preservation agreement unless the
16 agreement does all of the following:

17 (a) Specifies a term of at least 15 years.

18 (b) Includes a correct legal description of the tract of land covered by the
19 farmland preservation agreement.

20 (c) Includes provisions that restrict the tract of land to the following uses:

21 1. Agricultural uses and accessory uses.

22 2. Undeveloped natural resource and open space uses.

23 **(2) FORM.** The department shall specify a form for farmland preservation
24 agreements that complies with s. 59.43 (2m).

ASSEMBLY BILL 75**SECTION 1947**

1 **(3) EFFECTIVENESS.** A farmland preservation agreement takes effect when it is
2 signed by all owners of the land covered by the farmland preservation agreement and
3 by the department.

4 **(4) RECORDING.** The department shall provide a copy of a signed farmland
5 preservation agreement to a person designated by the signing owners and shall
6 promptly present the signed agreement to the register of deeds for the county in
7 which the land is located for recording.

8 **(5) CHANGE OF OWNERSHIP.** A farmland preservation agreement is binding on
9 a person who purchases land during the term of a farmland preservation agreement
10 that covers the land.

11 **91.64 Applying for a farmland preservation agreement. (1) SUBMITTING**
12 **AN APPLICATION.** An owner who wishes to enter into a farmland preservation
13 agreement shall submit an application, on a form provided by the department, to the
14 county clerk of the county in which the land is located.

15 **(2) CONTENTS OF APPLICATION.** A person submitting an application under sub.
16 (1) shall include all of the following in the application:

17 (a) The name and address of each person who has an ownership interest in the
18 land proposed for coverage by the agreement.

19 (b) The location of the land proposed for coverage, indicated by street address,
20 global positioning system coordinates, or township, range, and section.

21 (c) The legal description of the land proposed for coverage.

22 (d) A map or aerial photograph of the land proposed for coverage, showing
23 parcel boundaries, residences and other structures, and significant natural features.

24 (e) Information showing that the land proposed for coverage is eligible under
25 s. 91.60 (2).

ASSEMBLY BILL 75**SECTION 1947**

1 (f) A description of every existing mortgage, easement, and lien, other than
2 liens on growing crops, on land proposed for coverage, including the name and
3 address of the person holding the lien, mortgage, or easement.

4 (g) A signed agreement from each person required to be identified under par.
5 (f) subordinating the person's lien, mortgage, or easement to the agreement.

6 (h) Any other information required by the department by rule.

7 (i) Any fee under sub. (2m).

8 **(2m)** COUNTY PROCESSING FEE. A county may charge a reasonable fee for
9 processing an application for a farmland preservation agreement.

10 **(3)** COUNTY REVIEW. (a) A county shall review an application under sub. (2) to
11 determine whether the land proposed for coverage meets the requirements under s.
12 91.60 (2) (b) and (c). The county shall provide its findings to the applicant in writing
13 within 60 days after the day on which the county clerk receives a complete
14 application.

15 (b) If the county finds under par. (a) that the land proposed for coverage meets
16 the requirements under s. 91.60 (2) (b) and (c), the county shall promptly send all of
17 the following to the department, along with any other comments that the county
18 chooses to provide:

19 1. The original application, including all of the information provided with the
20 application.

21 2. A copy of the county's findings.

22 **(4)** DEPARTMENT ACTION ON APPLICATION. (a) The department may prepare a
23 farmland preservation agreement that complies with s. 91.62 and enter into the
24 farmland preservation agreement under s. 91.60 (1) based on a complete application
25 and on county findings under sub. (3) (b).

ASSEMBLY BILL 75**SECTION 1947**

1 (b) The department may decline to enter into a farmland preservation
2 agreement for any of the following reasons:

- 3 1. The application is incomplete.
- 4 2. The land is not eligible land under s. 91.60 (2).

5 **91.66 Terminating a farmland preservation agreement.** (1) The
6 department may terminate a farmland preservation agreement or release land from
7 a farmland preservation agreement at any time if all of the following apply:

8 (a) All of the owners of land covered by the farmland preservation agreement
9 consent to the termination or release, in writing.

10 (b) The department finds that the termination or release will not impair or limit
11 agricultural use of other protected farmland.

12 (c) The owners of the land pay to the department, for each acre or portion
13 thereof released from the farmland preservation agreement, a conversion fee equal
14 to 3 times the per acre value, for the year in which the farmland preservation
15 agreement is terminated or the land is released, of the highest value category of
16 tillable cropland in the city, village, or town in which the land is located, as specified
17 by the department of revenue under s. 73.03 (2a).

18 **(1m)** All conversion fees received under sub. (1) (c) shall be deposited in the
19 working lands fund.

20 **(2)** The department shall provide a copy of its decision to terminate a farmland
21 preservation agreement or release land from a farmland preservation agreement to
22 a person designated by the owners of the land and shall present a copy of the decision
23 to the register of deeds for the county in which the land is located for recording.

24 **91.68 Violations of farmland preservation agreements.** (1) The

ASSEMBLY BILL 75**SECTION 1947**

1 (a) Enforce a farmland preservation agreement.

2 (b) Restrain, by temporary or permanent injunction, a change in land use that
3 violates a farmland preservation agreement.

4 (c) Seek a civil forfeiture for a change in land use that violates a farmland
5 preservation agreement.

6 **(2)** A forfeiture under sub. (1) (c) may not exceed twice the fair market value
7 of the land covered by the agreement at the time of the violation.

8 **91.70 Farmland preservation agreements; exemption from special**
9 **assessments.** (1) Except as provided in sub. (3), no political subdivision, special
10 purpose district, or other local governmental entity may levy a special assessment
11 for sanitary sewers or water against land in agricultural use, if the land is covered
12 by a farmland preservation agreement.

13 **(2)** A political subdivision, special purpose district or other local governmental
14 entity may deny the use of improvements for which the special assessment is levied
15 to land that is exempt from the assessment under sub. (1).

16 **(3)** The exemption under sub. (1) does not apply to an assessment that an owner
17 voluntarily pays, after the assessing authority provides notice of the exemption
18 under sub. (1).

19 SUBCHAPTER V

20 SOIL AND WATER CONSERVATION

21 **91.80 Soil and water conservation by persons claiming tax credits.** An
22 owner claiming farmland preservation tax credits under s. 71.613 shall comply with
23 applicable land and water conservation standards promulgated by the department
24 under ss. 92.05 (3) (c) and (k), 92.14 (8), and 281.16 (3) (b) and (c).

ASSEMBLY BILL 75**SECTION 1947**

1 **91.82 Compliance monitoring. (1) COUNTY RESPONSIBILITY.** (a) A county
2 land conservation committee shall monitor compliance with s. 91.80.

3 (b) For the purpose of par. (a), a county land conservation committee shall
4 inspect each farm for which the owner claims farmland preservation tax credits
5 under subch. IX of ch. 71 at least once every 4 years.

6 (c) For the purpose of par (a), a county land conservation committee may do any
7 of the following:

8 1. Inspect land that is covered by a farmland preservation agreement or
9 farmland preservation zoning and that is in agricultural use.

10 2. Require an owner to certify, not more than annually, that the owner complies
11 with s. 91.80.

12 (d) At least once every 4 years, the department shall review each county land
13 conservation committee's compliance with par. (b).

14 **(2) NOTICE OF NONCOMPLIANCE.** (a) A county land conservation committee shall
15 issue a written notice of noncompliance to an owner if the committee finds that the
16 owner has done any of the following:

17 1. Failed to comply with s. 91.80.

18 2. Failed to permit a reasonable inspection under sub. (1) (c) 1.

19 3. Failed to certify compliance as required under sub. (1) (c) 2.

20 (b) A county land conservation committee shall provide to the department of
21 revenue a copy of each notice of noncompliance issued under par. (a).

22 (c) If a county land conservation committee determines that an owner has
23 corrected the failure described in a notice of noncompliance under par. (a), it shall
24 withdraw the notice of noncompliance and notify the owner and the department of
25 revenue of the withdrawal.

ASSEMBLY BILL 75**SECTION 1947**

1 (f) In designating agricultural areas under this subsection, the department
2 shall give preference to areas that include at least 1,000 acres of land.

3 (2) EMERGENCY RULES. The department may use the procedure under s. 227.24
4 to promulgate a rule designating an agricultural preservation area or modifying or
5 terminating the designation of an agricultural preservation area. Notwithstanding
6 s. 227.24 (1) (c) and (2), a rule promulgated under this subsection remains in effect
7 until the department modifies or repeals the rule. Notwithstanding s. 227.24 (1) (a)
8 and (3), the department is not required to determine that promulgating a rule under
9 this subsection as an emergency rule is necessary for the preservation of the public
10 peace, health, safety, or welfare and is not required to provide a finding of emergency
11 for a rule promulgated under this subsection.

12 (3) EFFECT OF DESIGNATION. The designation of an area under sub. (1) allows
13 owners of eligible land within the area to enter into farmland preservation
14 agreements with the department. If the department modifies or terminates the
15 designation of an area under sub. (1) and that modification or termination results in
16 land covered by a farmland preservation agreement no longer being located in a
17 designated area, the farmland preservation agreement remains in effect for the
18 remainder of its term, but the department may not extend or renew the farmland
19 preservation agreement.

20 (4) MAP. In a rule designating an agricultural enterprise area, the department
21 shall include a map that clearly shows the boundaries of the proposed agricultural
22 enterprise area so that a reader can easily determine whether a parcel of land is
23 located within the agricultural enterprise area.

24 (5) EFFECTIVE DATE OF DESIGNATION. The designation of an agricultural
25 enterprise area takes effect on January 1 of the calendar year following the year in

ASSEMBLY BILL 75**SECTION 1947**

1 which the rule designating the area is published, unless the rule specifies a later
2 effective date.

3 **91.86 Agricultural enterprise area; petition. (1) DEFINITION.** In this
4 section, “eligible farm” means a farm that produced at least \$6,000 in gross farm

17 authorization for a strike by municipal employees or binding interest arbitration,
18 which is acceptable to the parties for resolving an impasse over terms of any
19 collective bargaining agreement under this subchapter. A copy of such agreement
20 shall be filed by the parties with the commission. If the parties agree to any form of
21 binding interest arbitration, the arbitrator shall give weight to the factors
22 enumerated under subsd. 7., and 7g. for a collective bargaining unit consisting of

19 111.70 (4) (cm) 6. am. Upon receipt of a petition to initiate arbitration, the
20 commission shall make an investigation, with or without a formal hearing, to
21 determine whether arbitration should be commenced. If in determining whether an
22 impasse exists the commission finds that the procedures set forth in this paragraph
23 have not been complied with and such compliance would tend to result in a
24 settlement, it may order such compliance before ordering arbitration. The validity
25 of any arbitration award or collective bargaining agreement shall not be affected by

ASSEMBLY BILL 75**SECTION 2229**

1 failure to comply with such procedures. Prior to the close of the investigation each
2 party shall submit in writing to the commission its single final offer containing its
3 final proposals on all issues in dispute that are subject to interest arbitration under
4 this subdivision ~~or under subd. 5s. in collective bargaining units to which subd. 5s.~~
5 ~~applies.~~ If a party fails to submit a single, ultimate final offer, the commission shall

8 ~~of the investigation.~~ Such final offers may include only mandatory subjects of
9 bargaining, except that a permissive subject of bargaining may be included by a
10 party if the other party does not object and shall then be treated as a mandatory
11 subject. No later than such time, the parties shall also submit to the commission a
12 stipulation, in writing, with respect to all matters which are agreed upon for
13 inclusion in the new or amended collective bargaining agreement. The commission,
14 after receiving a report from its investigator and determining that arbitration should
15 be commenced, shall issue an order requiring arbitration and immediately submit
16 to the parties a list of 7 arbitrators. Upon receipt of such list, the parties shall
17 alternately strike names until a single name is left, who shall be appointed as
18 arbitrator. The petitioning party shall notify the commission in writing of the
19 identity of the arbitrator selected. Upon receipt of such notice, the commission shall
20 formally appoint the arbitrator and submit to him or her the final offers of the
21 parties. The final offers shall be considered public documents and shall be available
22 from the commission. In lieu of a single arbitrator and upon request of both parties,
23 the commission shall appoint a tripartite arbitration panel consisting of one member
24 selected by each of the parties and a neutral person designated by the commission
25 who shall serve as a chairperson. An arbitration panel has the same powers and

ASSEMBLY BILL 75**SECTION 2229**

1 duties as provided in this section for any other appointed arbitrator, and all
2 arbitration decisions by such panel shall be determined by majority vote. In lieu of
3 selection of the arbitrator by the parties and upon request of both parties, the
4 commission shall establish a procedure for randomly selecting names of arbitrators.
5 Under the procedure, the commission shall submit a list of 7 arbitrators to the
6 parties. Each party shall strike one name from the list. From the remaining 5
7 names, the commission shall randomly appoint an arbitrator. Unless both parties
8 to an arbitration proceeding otherwise agree in writing, every individual whose
9 name is submitted by the commission for appointment as an arbitrator shall be a
10 resident of this state at the time of submission and every individual who is
11 designated as an arbitration panel chairperson shall be a resident of this state at the

3 (1) The people of the state of Wisconsin have a fundamental interest in
4 developing harmonious and cooperative labor relations within the University of
5 Wisconsin System.

6 (2) It recognizes that there are 3 major interests involved: that of the public,
7 that of the employee, and that of the employer. These 3 interests are to a considerable

9 interests with due regard to the rights of the others.

10 **111.96 Definitions.** In this subchapter:

19 agreement, or to resolve questions arising under such an agreement. The duty to

13 holding an appointment under s. 36.15.

14 **(10)** “Fair–share agreement” means an agreement between the employer and
15 a labor organization representing employees under which all of the employees in a
16 collective bargaining unit are required to pay their proportionate share of the cost
17 of the collective bargaining process and contract administration measured by the
18 amount of dues uniformly required of all members.

19 **(11)** “Institution” has the meaning given in s. 36.05 (9).

20 **(12)** “Labor dispute” means any controversy with respect to the subjects of
21 bargaining provided in this subchapter.

22 **(13)** “Labor organization” means any employee organization whose purpose is
23 to represent employees in collective bargaining with the employer, or its agents, on
24 matters pertaining to terms and conditions of employment, but does not include any
25 organization that does any of the following:

ASSEMBLY BILL 75**SECTION 2255**

1 (a) Advocates the overthrow of the constitutional form of government in the
2 United States.

3 (b) Discriminates with regard to the terms or conditions of membership

20 terminate such an agreement.

21 (18) “Representative” includes any person chosen by an employee to represent
22 the employee.

6 reward, or discipline employees, or to adjust their grievances, or to authoritatively

10 111.991.

11 **111.965 Duties of the state.** (1) In the furtherance of this subchapter, the

13 administer collective bargaining agreements. To coordinate the employer position
14 in the negotiation of agreements, the board shall maintain close liaison with the
15 office relative to the negotiation of agreements and the fiscal ramifications of those
16 agreements. The board shall coordinate its collective bargaining activities with the
17 office. The legislative branch shall act upon those portions of tentative agreements
18 negotiated by the board that require legislative action.

19 (2) The board shall establish a collective bargaining capacity and shall
20 represent the state in its responsibility as an employer under this subchapter. The
21 board shall coordinate its actions with the director of the office.

22 **111.97 Rights of employees.** Employees shall have the right of
23 self-organization and the right to form, join, or assist labor organizations, to bargain
24 collectively through representatives of their own choosing under this subchapter,

 - 3 4. The University of Wisconsin-La Crosse.
 - 4 5. The University of Wisconsin-Oshkosh.
 - 5 6. The University of Wisconsin-Parkside.
 - 6 7. The University of Wisconsin-Platteville.
 - 7 8. The University of Wisconsin-River Falls.
 - 8 9. The University of Wisconsin-Stevens Point.
 - 9 10. The University of Wisconsin-Stout.
 - 10 11. The University of Wisconsin-Superior.
 - 11 12. The University of Wisconsin-Whitewater.
 - 12 13. The University of Wisconsin Colleges.
- 13 **(2)** (a) Notwithstanding sub. (1), 2 or more collective bargaining units described
14 under sub. (1) (a) to (c) may be combined into a single unit and 2 or more collective
15 bargaining units described under sub. (1) (d) to (f) may be combined into a single unit.
16 If 2 or more collective bargaining units seek to combine into a single collective
17 bargaining unit, the commission shall, upon the petition of at least 30 percent of the
18 employees in each unit, hold an election to determine whether a majority of those
19 employees voting in each unit desire to combine into a single unit. A combined
20 collective bargaining unit shall be formed including all employees from each of those
21 units in which a majority of the employees voting in the election approve a combined
22 unit. The combined collective bargaining unit shall be formed immediately if there
23 is no existing collective bargaining agreement in force in any of the units to be
24 combined. If there is a collective bargaining agreement in force at the time of the

ASSEMBLY BILL 75**SECTION 2255**

1 election in any of the collective bargaining units to be combined, the combined unit
2 shall be formed upon expiration of the last agreement for the units concerned.

3 (b) If 2 or more collective bargaining units have combined under par. (a), the
4 commission shall, upon petition of at least 30 percent of the employees in any of the
5 original units, hold an election of the employees in the original unit to determine
6 whether the employees in that unit desire to withdraw from the combined collective
7 bargaining unit. If a majority of the employees voting desire to withdraw from the
8 combined collective bargaining unit, separate units consisting of the unit in which
9 the election was held and a unit composed of the remainder of the combined unit shall
10 be formed. The new collective bargaining units shall be formed immediately if there
11 is no collective bargaining agreement in force for the combined unit. If there is a
12 collective bargaining agreement in force for the combined collective bargaining unit,
13 the new units shall be formed upon the expiration of the agreement. While there is
14 a collective bargaining agreement in force for the combined collective bargaining
15 unit, a petition for an election under this paragraph may be filed only during October
16 in the calendar year prior to the expiration of the agreement.

17 (3) The commission shall assign employees to the appropriate collective
18 bargaining units described under sub. (1) or (2).

19 (4) Any labor organization may petition for recognition as the exclusive
20 representative of a collective bargaining unit described under sub. (1) or (2) in
21 accordance with the election procedures under s. 111.990 if the petition is
22 accompanied by a 30 percent showing of interest in the form of signed authorization
23 cards. Any additional labor organization seeking to appear on the ballot shall file a
24 petition within 60 days of the date of filing of the original petition and prove, through

ASSEMBLY BILL 75**SECTION 2255**

1 signed authorization cards, that at least 10 percent of the employees in the collective
2 bargaining unit want it to be their representative.

3 (5) Although academic staff supervisors are not considered employees for the
4 purpose of this subchapter, the commission may consider a petition for a statewide
5 collective bargaining unit consisting of academic staff supervisors, but the
6 representative of the supervisors may not be affiliated with any labor organization
7 representing employees. For purposes of this subsection, affiliation does not include
8 membership in a national, state, county, or municipal federation of national or
9 international labor organizations. The certified representative of the supervisors
10 may not bargain collectively with respect to any matter other than wages and fringe
11 benefits.

12 **111.990 Representatives and elections.** (1) A representative chosen for the
13 purposes of collective bargaining by a majority of the employees voting in a collective
14 bargaining unit shall be the exclusive representative of all of the employees in such
15 unit for the purposes of collective bargaining. Any individual employee, or any
16 minority group of employees in any collective bargaining unit, may present any
17 grievance to the employer in person, or through representatives of their own
18 choosing, and the employer shall confer with the individual employee or group of
19 employees with respect to the grievance if the majority representative has been
20 afforded the opportunity to be present at the conference. Any adjustment resulting
21 from such a conference may not be inconsistent with the conditions of employment
22 established by the majority representative and the employer.

23 (2) Whenever a question arises concerning the representation of employees in
24 a collective bargaining unit, the commission shall determine the representation by
25 taking a secret ballot of the employees and certifying in writing the results to the

ASSEMBLY BILL 75**SECTION 2255**

1 interested parties and to the board. There shall be included on any ballot for the
2 election of representatives the names of all labor organizations having an interest
3 in representing the employees participating in the election as indicated in petitions
4 filed with the commission. The name of any existing representative shall be included
5 on the ballot without the necessity of filing a petition. The commission may exclude
6 from the ballot one who, at the time of the election, stands deprived of his or her rights
7 under this subchapter by reason of a prior adjudication of his or her having engaged
8 in an unfair labor practice. The ballot shall be so prepared as to permit a vote against
9 representation by anyone named on the ballot. For elections in a collective
10 bargaining unit composed of employees who are members of the faculty or academic
11 staff, whenever more than one representative qualifies to appear on the ballot, the
12 ballot shall be prepared to provide separate votes on 2 questions. The first question
13 shall be: “Shall the employees of the ... (name of collective bargaining unit)
14 participate in collective bargaining?”. The 2nd question shall be: “If the employees
15 of the ... (name of collective bargaining unit) elect to participate in collective
16 bargaining, which labor organization do you favor to act as representative of the
17 employees?”. The 2nd question shall not include a choice for no representative. All
18 employees in the collective bargaining unit may vote on both questions. Unless a
19 majority of those employees voting in the election vote to participate in collective
20 bargaining, no votes for a particular representative may be counted. If a majority
21 of those employees voting in the election vote to participate in collective bargaining,
22 the ballots for representatives shall be counted. The commission’s certification of the
23 results of any election is conclusive as to the findings included therein unless
24 reviewed under s. 111.07 (8).

ASSEMBLY BILL 75**SECTION 2255**

1 **(3)** Whenever an election has been conducted under sub. (2) in which a majority
2 of the employees voting indicate a desire to participate in collective bargaining but
3 in which no named representative is favored by a majority of the employees voting,
4 the commission may, if requested by a party to the proceeding within 30 days from
5 the date of the certification of the results of the election, conduct a runoff election.
6 In that runoff election, the commission shall drop from the ballot the name of the
7 representative who received the least number of votes at the original election.

8 **(4)** While a collective bargaining agreement between a labor organization and
9 an employer is in force under this subchapter, a petition for an election in the
10 collective bargaining unit to which the agreement applies may only be filed during
11 October in the calendar year prior to the expiration of that agreement. An election
12 held under that petition may be held only if the petition is supported by proof that
13 at least 30 percent of the employees in the collective bargaining unit desire a change
14 or discontinuance of existing representation. Within 60 days of the time that an
15 original petition is filed, another petition may be filed supported by proof that at least
16 10 percent of the employees in the same collective bargaining unit desire a different
17 representative. If a majority of the employees in the collective bargaining unit vote
18 for a change or discontinuance of representation by any named representative, the
19 decision takes effect upon expiration of any existing collective bargaining agreement
20 between the employer and the existing representative.

21 **111.991 Unfair labor practices. (1)** It is an unfair labor practice for an
22 employer individually or in concert with others:

23 (a) To interfere with, restrain, or coerce employees in the exercise of their rights
24 guaranteed under s. 111.97.

ASSEMBLY BILL 75**SECTION 2255**

1 (b) Except as otherwise provided in this paragraph, to initiate, create,
2 dominate, or interfere with the formation or administration of any labor or employee
3 organization or contribute financial support to it. Except as provided in ss. 40.02 (22)
4 (e) and 40.23 (1) (f) 4., no change in any law affecting the Wisconsin Retirement
5 System under ch. 40 and no action by the employer that is authorized by such a law
6 is a violation of this paragraph unless an applicable collective bargaining agreement
7 specifically prohibits the change or action. No such change or action affects the
8 continuing duty to bargain collectively regarding the Wisconsin Retirement System
9 under ch. 40 to the extent required by s. 111.998. It is not an unfair labor practice
10 for the employer to reimburse an employee at his or her prevailing wage rate for the
11 time spent during the employee's regularly scheduled hours conferring with the
12 employer's officers or agents and for attendance at commission or court hearings
13 necessary for the administration of this subchapter.

14 (c) To encourage or discourage membership in any labor organization by
15 discrimination in regard to hiring, tenure, or other terms or conditions of
16 employment. This paragraph does not apply to fair-share or maintenance of
17 membership agreements.

18 (d) To refuse to bargain collectively on matters set forth in s. 111.998 with a
19 representative of a majority of its employees in an appropriate collective bargaining
20 unit. Whenever the employer has a good faith doubt as to whether a labor
21 organization claiming the support of a majority of its employees in an appropriate
22 collective bargaining unit does in fact have that support, it may file with the
23 commission a petition requesting an election as to that claim. The employer is not
24 considered to have refused to bargain until an election has been held and the results
25 of the election are certified to the employer by the commission. A violation of this

ASSEMBLY BILL 75**SECTION 2255**

1 paragraph includes the refusal to execute a collective bargaining agreement
2 previously orally agreed upon.

3 (e) To violate any collective bargaining agreement previously agreed upon by
4 the parties with respect to wages, hours, and conditions of employment affecting the
5 employees, including an agreement to arbitrate or to accept the terms of an
6 arbitration award, when previously the parties have agreed to accept such award as
7 final and binding upon them.

8 (f) To deduct labor organization dues from an employee's earnings, unless the
9 employer has been presented with an individual order therefor, signed by the
10 employee personally, and terminable by at least the end of any year of its life or
11 earlier by the employee giving at least 30 but not more than 120 days' written notice
12 of such termination to the employer and to the representative labor organization,
13 except if there is a fair-share or maintenance of membership agreement in effect.
14 The employer shall give notice to the labor organization of receipt of such notice of
15 termination.

16 **(1m)** Notwithstanding sub. (1), it is not an unfair labor practice for the board
17 to implement changes in salaries or conditions of employment for members of the
18 faculty or academic staff at one institution, and not for other members of the faculty
19 or academic staff at another institution, but this may be done only if the differential
20 treatment is based on comparisons with the compensation and working conditions
21 of employees performing similar services for comparable higher education
22 institutions or based upon other competitive factors.

23 **(2)** It is unfair practice for an employee individually or in concert with others:

24 (a) To coerce or intimidate an employee in the enjoyment of the employee's legal
25 rights, including those guaranteed under s. 111.97.

ASSEMBLY BILL 75**SECTION 2255**

1 (b) To coerce, intimidate, or induce any officer or agent of the employer to
2 interfere with any of the employer's employees in the enjoyment of their legal rights
3 including those guaranteed under s. 111.97 or to engage in any practice with regard
4 to its employees which would constitute an unfair labor practice if undertaken by the
5 officer or agent on the officer's or agent's own initiative.

6 (c) To refuse to bargain collectively on matters specified in s. 111.998 with the
7 authorized officer or agent of the employer that is the recognized or certified
8 exclusive collective bargaining representative of employees in an appropriate
9 collective bargaining unit. Such refusal to bargain shall include a refusal to execute
10 a collective bargaining agreement previously orally agreed upon.

11 (d) To violate the provisions of any written agreement with respect to terms and
12 conditions of employment affecting employees, including an agreement to arbitrate
13 or to accept the terms of an arbitration award, when previously the parties have
14 agreed to accept such awards as final and binding upon them.

15 (e) To engage in, induce, or encourage any employees to engage in a strike or
16 a concerted refusal to work or perform their usual duties as employees.

17 (f) To coerce or intimidate a supervisory employee, officer, or agent of the
18 employer, working at the same trade or profession as the employer's employees, to
19 induce the person to become a member of or act in concert with the labor organization
20 of which the employee is a member

21 **(3)** It is an unfair labor practice for any person to do or cause to be done on
22 behalf of or in the interest of employers or employees, or in connection with or to
23 influence the outcome of any controversy as to employment relations, any act
24 prohibited by subs. (1) and (2).

ASSEMBLY BILL 75**SECTION 2255**

1 (4) Any controversy concerning unfair labor practices may be submitted to the
2 commission as provided in s. 111.07, except that the commission shall schedule a
3 hearing on complaints involving alleged violations of sub. (2) (e) within 3 days after
4 filing of a complaint, and notice shall be given to each party interested by service on
5 the party personally, or by telegram, advising the party of the nature of the complaint
6 and of the date, time, and place of hearing. The commission may appoint a substitute
7 tribunal to hear unfair labor practice charges by either appointing a 3-member panel
8 or submitting a 7-member panel to the parties and allowing each to strike 2 names.
9 Any such panel shall report its finding to the commission for appropriate action.

10 **111.992 Fair-share and maintenance of membership agreements. (1)**

11 (a) No fair-share or maintenance of membership agreement may become effective
12 unless authorized by a referendum. The commission shall order a referendum
13 whenever it receives a petition supported by proof that at least 30 percent of the
14 employees or supervisors specified in s. 111.98 (5) in a collective bargaining unit
15 desire that a fair-share or maintenance of membership agreement be entered into
16 between the employer and a labor organization. A petition may specify that a
17 referendum is requested on a maintenance of membership agreement only, in which
18 case the ballot shall be limited to that question.

19 (b) For a fair-share agreement to be authorized, at least two-thirds of the
20 eligible employees or supervisors voting in a referendum shall vote in favor of the
21 agreement. For a maintenance of membership agreement to be authorized, at least
22 a majority of the eligible employees or supervisors voting in a referendum shall vote
23 in favor of the agreement. In a referendum on a fair-share agreement, if less than
24 two-thirds but more than one-half of the eligible employees or supervisors vote in
25 favor of the agreement, a maintenance of membership agreement is authorized.

ASSEMBLY BILL 75**SECTION 2255**

1 (c) If a fair-share or maintenance of membership agreement is authorized in
2 a referendum, the employer shall enter into such an agreement with the labor
3 organization named on the ballot in the referendum. Each fair-share or
4 maintenance of membership agreement shall contain a provision requiring the
5 employer to deduct the amount of dues as certified by the labor organization from the
6 earnings of the employees or supervisors affected by the agreement and to pay the
7 amount so deducted to the labor organization. Unless the parties agree to an earlier
8 date, the agreement shall take effect 60 days after certification by the commission
9 that the referendum vote authorized the agreement. The employer shall be held
10 harmless against any claims, demands, suits, and other forms of liability made by
11 employees or supervisors or local labor organizations which may arise for actions
12 taken by the employer in compliance with this section. All such lawful claims,
13 demands, suits, and other forms of liability are the responsibility of the labor
14 organization entering into the agreement.

15 (d) Under each fair-share or maintenance of membership agreement, an
16 employee or supervisor who has religious convictions against dues payments to a
17 labor organization based on teachings or tenets of a church or religious body of which
18 he or she is a member shall, on request to the labor organization, have his or her dues
19 paid to a charity mutually agreed upon by the employee or supervisor and the labor
20 organization. Any dispute concerning this paragraph may be submitted to the
21 commission for adjudication.

22 **(2)** (a) Once authorized, a fair-share or maintenance of membership
23 agreement shall continue in effect, subject to the right of the employer or labor
24 organization concerned to petition the commission to conduct a new referendum.
25 Such a petition must be supported by proof that at least 30 percent of the employees

ASSEMBLY BILL 75**SECTION 2255**

1 or supervisors in the collective bargaining unit desire that the fair-share or
2 maintenance of membership agreement be discontinued. Upon so finding, the
3 commission shall conduct a new referendum. If the continuance of the fair-share or
4 maintenance of membership agreement is approved in the referendum by at least the
5 percentage of eligible voting employees or supervisors required for its initial
6 authorization, it shall be continued in effect, subject to the right of the employer or
7 labor organization to later initiate a further vote following the procedure prescribed
8 in this subsection. If the continuation of the agreement is not supported in any
9 referendum, it is considered terminated at the termination of the collective
10 bargaining agreement, or one year from the date of the certification of the result of
11 the referendum, whichever is earlier.

12 (b) The commission shall declare any fair-share or maintenance of
13 membership agreement suspended upon such conditions and for such time as the
14 commission decides whenever it finds that the labor organization involved has
15 refused on the basis of race, color, sexual orientation, or creed to receive as a member
16 any employee or supervisor in the collective bargaining unit involved, and the
17 agreement shall be made subject to the findings and orders of the commission. Any
18 of the parties to the agreement, or any employee or supervisor covered under the
19 agreement, may come before the commission, as provided in s. 111.07, and petition
20 the commission to make such a finding.

21 (3) A stipulation for a referendum executed by an employer and a labor
22 organization may not be filed until after the representation election has been held
23 and the results certified.

ASSEMBLY BILL 75**SECTION 2255**

1 (4) The commission may, under rules adopted for that purpose, appoint as its
2 agent an official of a state agency whose employees are entitled to vote in a
3 referendum to conduct a referendum under this section.

4 **111.993 Grievance arbitration.** (1) Parties to the dispute pertaining to the
5 interpretation of a collective bargaining agreement may agree in writing to have the
6 commission or any other appointing state agency serve as arbitrator or may
7 designate any other competent, impartial, and disinterested persons to so serve.
8 Such arbitration proceedings shall be governed by ch. 788.

9 (2) The board shall charge an institution for the employer's share of the cost
10 related to grievance arbitration under sub. (1) for any arbitration that involves one
11 or more employees of the institution. Each institution so charged shall pay the
12 amount that the board charges from the appropriation account or accounts used to
13 pay the salary of the grievant. Funds received under this subsection shall be credited
14 to the appropriation account under s. 20.545 (1) (km).

15 **111.994 Mediation.** The commission may appoint any competent, impartial,
16 disinterested person to act as mediator in any labor dispute either upon its own
17 initiative or upon the joint request of both parties to the dispute. It is the function
18 of a mediator to bring the parties together voluntarily under such favorable auspices
19 as will tend to effectuate settlement of the dispute, but neither the mediator nor the
20 commission shall have any power of compulsion in mediation proceedings.

21 **111.995 Fact-finding.** (1) If a dispute has not been settled after a reasonable
22 period of negotiation and after the settlement procedures, if any, established by the
23 parties have been exhausted, the representative that has been certified by the
24 commission after an election, as the exclusive representative of employees in an
25 appropriate bargaining unit, and the employer, its officers, and agents, after a

ASSEMBLY BILL 75**SECTION 2255**

1 reasonable period of negotiation, are deadlocked with respect to any dispute between
2 them arising in the collective bargaining process, the parties jointly may petition the
3 commission, in writing, to initiate fact-finding under this section, and to make
4 recommendations to resolve the deadlock.

5 (2) Upon receipt of a petition to initiate fact-finding, the commission shall
6 make an investigation with or without a formal hearing, to determine whether a
7 deadlock in fact exists. The commission shall certify the results of the investigation.
8 If the commission decides that fact-finding should be initiated, it shall appoint a
9 qualified, disinterested person or, when jointly requested by the parties, a 3-member
10 panel to function as a fact finder.

11 (3) The fact finder may establish dates and place of hearings and shall conduct
12 the hearings under rules established by the commission. Upon request, the
13 commission shall issue subpoenas for hearings conducted by the fact finder. The fact
14 finder may administer oaths. Upon completion of the hearing, the fact finder shall
15 make written findings of fact and recommendations for solution of the dispute and
16 shall cause the same to be served on the parties and the commission. In making
17 findings and recommendations, the fact finder shall take into consideration among
18 other pertinent factors the principles vital to the public interest in efficient and
19 economical governmental administration. Upon the request of either party, the fact
20 finder may orally present the recommendations in advance of service of the written
21 findings and recommendations. Cost of fact-finding proceedings shall be divided
22 equally between the parties. At the time the fact finder submits a statement of his
23 or her costs to the parties, the fact finder shall submit a copy thereof to the
24 commission at its Madison office.

ASSEMBLY BILL 75**SECTION 2255**

1 (4) A fact finder may mediate a dispute at any time prior to the issuance of the
2 fact finder's recommendations.

3 (5) Within 30 days of the receipt of the fact finder's recommendations or within
4 a time period mutually agreed upon by the parties, each party shall advise the other,
5 in writing, as to the party's acceptance or rejection, in whole or in part, of the fact
6 finder's recommendations and, at the same time, send a copy of the notification to
7 the commission at its Madison office. Failure to comply with this subsection, by the
8 employer or employee representative, is a violation of s. 111.991 (1) (d) or (2) (c).

9 **111.996 Strike prohibited.** (1) Upon establishing that a strike is in progress,
10 the employer may either seek an injunction or file an unfair labor practice charge
11 with the commission under s. 111.991 (2) (e) or both. It is the responsibility of the
12 board to decide whether to seek an injunction or file an unfair labor practice charge.
13 The existence of an administrative remedy does not constitute grounds for denial of
14 injunctive relief.

15 (2) The occurrence of a strike and the participation in the strike by an employee
16 do not affect the rights of the employer, in law or in equity, to deal with the strike,
17 including all of the following:

18 (a) The right to impose discipline, including discharge, or suspension without
19 pay, of any employee participating in the strike.

20 (b) The right to cancel the reinstatement eligibility of any employee engaging
21 in the strike.

22 (c) The right of the employer to request the imposition of fines, either against
23 the labor organization or the employee engaging in the strike, or to sue for damages
24 because of such strike activity.

ASSEMBLY BILL 75**SECTION 2255**

1 **111.997 Management rights.** Nothing in this subchapter shall interfere with
2 the right of the board, in accordance with this subchapter, to do any of the following:

3 **(1)** Carry out the statutory mandate and goals assigned to the board by the
4 most appropriate and efficient methods and means and utilize personnel in the most
5 appropriate and efficient manner possible.

6 **(2)** Suspend, demote, discharge, or take other appropriate disciplinary action
7 against the employee; or to lay off employees in the event of lack of work or funds or
8 under conditions where continuation of such work would be inefficient and
9 nonproductive.

10 **111.998 Subjects of bargaining. (1)** (a) Except as provided in pars. (b) to (f),
11 matters subject to collective bargaining to the point of impasse are salaries; fringe
12 benefits consistent with sub. (2); and hours and conditions of employment.

13 (b) The board is not required to bargain on management rights under s.
14 111.997, except that procedures for the adjustment or settlement of grievances or
15 disputes arising out of any type of disciplinary action in s. 111.997 (2) is a subject of
16 bargaining.

17 (c) The board is prohibited from bargaining on matters contained in sub. (2).

18 (d) Except as provided in sub. (2) (d) and (e) and ss. 40.02 (22) (e) and 40.23 (1)
19 (f) 4., all laws governing the Wisconsin Retirement System under ch. 40 and all
20 actions of the board that are authorized under any such law which apply to
21 nonrepresented individuals employed by the state shall apply to similarly situated
22 employees, unless otherwise specifically provided in a collective bargaining
23 agreement that applies to those employees.

24 (e) Demands relating to retirement and group insurance shall be submitted to
25 the board at least one year prior to commencement of negotiations.

ASSEMBLY BILL 75**SECTION 2255**

1 (f) The board is not required to bargain on matters related to employee
2 occupancy of houses or other lodging provided by the state.

3 (2) The board is prohibited from bargaining on:

4 (a) The mission and goals of the board as set forth in the statutes; the
5 diminution of the right of tenure provided the faculty under s. 36.13, the rights
6 granted faculty under s. 36.09 (4) and academic staff under s. 36.09 (4m), or the
7 rights of appointment provided academic staff under s. 36.15; or academic freedom.

8 (b) Amendments to this subchapter.

9 (c) Family leave and medical leave rights below the minimum afforded under
10 s. 103.10. Nothing in this paragraph prohibits the board from bargaining on rights
11 to family leave or medical leave which are more generous to the employee than the
12 rights provided under s. 103.10.

13 (d) An increase in benefit adjustment contribution rates under s. 40.05 (2n) (a)
14 3.

15 (e) The rights of employees to have retirement benefits computed under s.
16 40.30.

17 (f) Honesty testing requirements that provide fewer rights and remedies to
18 employees than are provided under s. 111.37.

19 (h) Creditable service to which s. 40.285 (2) (b) 4. applies.

20 (i) Compliance with the health benefit plan requirements under ss. 632.746 (1)

22 (j) Compliance with the insurance requirements under s. 631.95.

23 (k) The definition of earnings under s. 40.02 (22).

24 (L) The maximum benefit limitations under s. 40.31

25 (m) The limitations on contributions under s. 40.32.

2 s. 632.895 (11) to (14).

3 (o) The requirements related to coverage of and prior authorization for
4 treatment of an emergency medical condition under s. 632.85.

5 (p) The requirements related to coverage of drugs and devices under s. 632.853.

6 (q) The requirements related to experimental treatment under s. 632.855.

7 (r) The requirements under s. 609.10 related to offering a point-of-service
8 option plan.

9 (s) The requirements related to internal grievance procedures under s. 632.83
10 and independent review of certain health benefit plan determinations under s.
11 632.835.

12 **(3)** Upon request, the chancellor at each institution, or his or her designee,
13 shall meet and confer with the collective bargaining representative, if any, with
14 regard to any issue that is a permissive subject of bargaining, except when the issue
15 is under active consideration by a governance organization under s. 36.09 (4) or (4m).

16 **111.999 Labor proposals.** The board shall notify and consult with the joint
17 committee on employment relations, in such form and detail as the committee
18 requests, regarding substantial changes in wages, employee benefits, personnel
19 management, and program policy contract provisions to be included in any contract
20 proposal to be offered to any labor organization by the state or to be agreed to by the
21 state before such proposal is actually offered or accepted.

1 relations, which shall hold a public hearing before determining its approval or
2 disapproval. If the committee approves the tentative agreement, it shall introduce
3 in a bill or companion bills, to be put on the calendar or referred to the appropriate
4 scheduling committee of each house, that portion of the tentative agreement which
5 requires legislative action for implementation, such as salary and wage adjustments,
6 changes in fringe benefits, and any proposed amendments, deletions, or additions to
7 existing law. Such bill or companion bills are not subject to ss. 13.093 (1), 13.50 (6)
8 (a) and (b), and 16.47 (2). The committee may, however, submit suitable portions of
9 the tentative agreement to appropriate legislative committees for advisory
10 recommendations on the proposed terms. The committee shall accompany the
11 introduction of such proposed legislation with a message that informs the legislature
12 of the committee's concurrence with the matters under consideration and that
13 recommends the passage of such legislation without change. If the joint committee
14 on employment relations does not approve the tentative agreement, it shall be
15 returned to the parties for renegotiation. If the legislature does not adopt without
16 change that portion of the tentative agreement introduced by the joint committee on
17 employment relations, the tentative agreement shall be returned to the parties for
18 renegotiation.

19 (2) No portion of any tentative agreement shall become effective separately.

20 (3) Agreements shall coincide with the fiscal year or biennium.

21 (4) The negotiation of collective bargaining agreements and their approval by
22 the parties should coincide with the overall fiscal planning and processes of the state.

23 (5) All compensation adjustments for employees shall be effective on the
24 beginning date of the pay period nearest the statutory or administrative date.

ASSEMBLY BILL 75**SECTION 2255**

1 **111.9992 Status of existing benefits and rights.** Unless a prohibited
2 subject of bargaining under s. 111.998 (2), and except as provided in ss. 7.33 (4),
3 40.05, 40.80 (3), 111.998 (1) (d), and 230.35 (2d) and (3) (e) 6., all statutes and rules
4 governing the salaries, fringe benefits, hours, and conditions of employment apply
5 to each employee, unless otherwise provided in a collective bargaining agreement.

6 **111.9993 Rules, transcripts, fees. (1)** The commission may adopt
7 reasonable and proper rules relative to the exercise of its powers and authority and
8 proper rules to govern its proceedings and to regulate the conduct of all elections and
9 hearings under this subchapter. The commission shall, upon request, provide a
10 transcript of a proceeding to any party to the proceeding for a fee, established by rule,
11 by the commission at a uniform rate per page. All transcript fees shall be credited
12 to the appropriation account under s. 20.425 (1) (i).

13 **(2)** The commission shall assess and collect a filing fee for filing a complaint
14 alleging that an unfair labor practice has been committed under s. 111.991. The
15 commission shall assess and collect a filing fee for filing a request that the
16 commission act as an arbitrator to resolve a dispute involving the interpretation or
17 application of a collective bargaining agreement under s. 111.993. The commission
18 shall assess and collect a filing fee for filing a request that the commission initiate
19 fact-finding under s. 111.995. The commission shall assess and collect a filing fee
20 for filing a request that the commission act as a mediator under s. 111.994. For the
21 performance of commission actions under ss. 111.993, 111.994, and 111.995, the
22 commission shall require that the parties to the dispute equally share in the payment
23 of the fee and, for the performance of commission actions involving a complaint
24 alleging that an unfair labor practice has been committed under s. 111.991, the
25 commission shall require that the party filing the complaint pay the entire fee. If any

ASSEMBLY BILL 75**SECTION 2255**

1 party has paid a filing fee requesting the commission to act as a mediator for a labor
2 dispute and the parties do not enter into a voluntary settlement of the labor dispute,
3 the commission may not subsequently assess or collect a filing fee to initiate
4 fact-finding to resolve the same labor dispute. If any request concerns issues arising
5 as a result of more than one unrelated event or occurrence, each such separate event
6 or occurrence shall be treated as a separate request. The commission shall
7 promulgate rules establishing a schedule of filing fees to be paid under this
8 subsection. Fees required to be paid under this subsection shall be paid at the time
9 of filing the complaint or the request for fact-finding, mediation, or arbitration. A
10 complaint or request for fact-finding, mediation, or arbitration is not filed until the
11 date such fee or fees are paid. Fees collected under this subsection shall be credited
12 to the appropriation account under s. 20.425 (1) (i).

13 **SECTION 2256.** 115.28 (52) of the statutes is amended to read:

15 (3) (b), award grants to nonprofit organizations, as defined in s. 108.02 (19), to
16 support programs that train community-based adult literacy staff and to establish
17 new volunteer-based programs in areas of this state that have a demonstrated need
18 for adult literacy services. ~~No grant may exceed \$10,000, and no organization may~~
19 receive more than one grant in any fiscal year.

20 **SECTION 2257.** 115.745 of the statutes is created to read:

21 **115.745 Tribal language revitalization grants.** (1) A school board or
22 cooperative educational service agency, in conjunction with a tribal education
23 authority, may apply to the department for a grant for the purpose of supporting
24 innovative, effective instruction in one or more American Indian languages.

ASSEMBLY BILL 75**SECTION 2257**

1 **(2)** The department shall award grants under sub. (1) from the appropriation
2 under s. 20.255 (2) (km).

3 **(3)** The department shall promulgate rules to implement and administer this
4 section.

5 **SECTION 2258.** 117.22 (1) (d) of the statutes is created to read:

6 117.22 **(1)** (d) A person elected under sub. (2) to the school board of a
7 consolidated school district created by an order of school district reorganization
8 issued under s. 117.08 or 117.09, who also served as a member of the joint interim
9 school board by virtue of his or her membership on the school board of one of the
10 consolidating school districts, may continue to serve as a member of the school board
11 of that consolidating school district until the effective date of the consolidation, as
12 specified in the order of school district reorganization, provided he or she is otherwise
13 qualified to serve on the school board of that consolidating school district.

14 **SECTION 2259.** 118.125 (4) of the statutes is amended to read:

15 118.125 **(4)** TRANSFER OF RECORDS. Within 5 working days, a school district and
16 a private school participating in the program under s. 119.23 shall transfer to
17 another school or school district all pupil records relating to a specific pupil if the
18 transferring school district or private school has received written notice from the
19 pupil if he or she is an adult or his or her parent or guardian if the pupil is a minor
20 that the pupil intends to enroll in the other school or school district or written notice
21 from the other school or school district that the pupil has enrolled or from a court that
22 the pupil has been placed in a juvenile correctional facility, as defined in s. 938.02
23 (10p), or a secured residential care center for children and youth, as defined in s.
24 938.02 (15g). In this subsection, “school” and “school district” include any juvenile

20 **SECTION 2440.** 155.30 (3) (form) of the statutes is amended to read:

21 155.30 (3) (form)

22 POWER OF ATTORNEY FOR HEALTH CARE

23 Document made this.... day of.... (month),.... (year).

24 CREATION OF POWER OF ATTORNEY

25 FOR HEALTH CARE

ASSEMBLY BILL 75**SECTION 2440**

1 I,... (print name, address and date of birth), being of sound mind, intend by this
2 document to create a power of attorney for health care. My executing this power of
3 attorney for health care is voluntary. Despite the creation of this power of attorney
4 for health care, I expect to be fully informed about and allowed to participate in any
5 health care decision for me, to the extent that I am able. For the purposes of this
6 document, "health care decision" means an informed decision to accept, maintain,
7 discontinue or refuse any care, treatment, service or procedure to maintain, diagnose
8 or treat my physical or mental condition.

9 In addition, I may, by this document, specify my wishes with respect to making
10 an anatomical gift upon my death.

11 DESIGNATION OF HEALTH CARE AGENT

12 If I am no longer able to make health care decisions for myself, due to my
13 incapacity, I hereby designate.... (print name, address and telephone number) to be
14 my health care agent for the purpose of making health care decisions on my behalf.
15 If he or she is ever unable or unwilling to do so, I hereby designate.... (print name,
16 address and telephone number) to be my alternate health care agent for the purpose
17 of making health care decisions on my behalf. Neither my health care agent nor my
18 alternate health care agent whom I have designated is my health care provider, an
19 employee of my health care provider, an employee of a health care facility in which
20 I am a patient or a spouse of any of those persons, unless he or she is also my relative.
21 For purposes of this document, "incapacity" exists if 2 physicians or a physician and
22 a psychologist who have personally examined me sign a statement that specifically
23 expresses their opinion that I have a condition that means that I am unable to receive
24 and evaluate information effectively or to communicate decisions to such an extent

ASSEMBLY BILL 75**SECTION 2440**

1 that I lack the capacity to manage my health care decisions. A copy of that statement
2 must be attached to this document.

3 **GENERAL STATEMENT OF AUTHORITY GRANTED**

4 Unless I have specified otherwise in this document, if I ever have incapacity I
5 instruct my health care provider to obtain the health care decision of my health care
6 agent, if I need treatment, for all of my health care and treatment. I have discussed
7 my desires thoroughly with my health care agent and believe that he or she
8 understands my philosophy regarding the health care decisions I would make if I
9 were able. I desire that my wishes be carried out through the authority given to my
10 health care agent under this document.

11 If I am unable, due to my incapacity, to make a health care decision, my health
12 care agent is instructed to make the health care decision for me, but my health care
13 agent should try to discuss with me any specific proposed health care if I am able to
14 communicate in any manner, including by blinking my eyes. If this communication
15 cannot be made, my health care agent shall base his or her decision on any health
16 care choices that I have expressed prior to the time of the decision. If I have not
17 expressed a health care choice about the health care in question and communication
18 cannot be made, my health care agent shall base his or her health care decision on
19 what he or she believes to be in my best interest.

20 **LIMITATIONS ON MENTAL HEALTH TREATMENT**

21 My health care agent may not admit or commit me on an inpatient basis to an
22 institution for mental diseases, an intermediate care facility for persons with mental
23 retardation, a state treatment facility or a treatment facility. My health care agent
24 may not consent to experimental mental health research or psychosurgery,
25 electroconvulsive treatment or drastic mental health treatment procedures for me.

ASSEMBLY BILL 75

1 ADMISSION TO NURSING HOMES OR

25 examination under sub. (1), or in addition to it, the commissioner may order an

ASSEMBLY BILL 75**SECTION 3199**

1 independent audit by certified public accountants or an actuarial or other evaluation
2 by actuaries or other experts approved by the commissioner of any permittee. Any

4 of interest promulgated by the commissioner. Any audit or evaluation under this
5 section is subject to s. 648.25, so far as applicable.

6 (3) ALTERNATIVES TO EXAMINATION. In lieu of all or part of an examination under
7 this section, the commissioner may accept the report of an audit already made by

1 **(2) ACCESS TO EXAMINEE.** Any examiner authorized by the commissioner shall,
2 for the purposes of the examination, have access at all reasonable hours to the
3 premises and to any property of the examinee.

4 **(3) COOPERATION.** The officers, employees, and agents of the examinee shall
5 comply with every reasonable request of the examiners for assistance in any matter
6 relating to the examination. No person may obstruct or interfere with the
7 examination in any way other than by legal process.

8 **(4) CORRECTION OF BOOKS.** If the commissioner finds the accounts or records to
9 be inadequate for proper examination of the condition and affairs of the permittee
10 or improperly kept or posted, the commissioner may employ experts to rewrite, post,
11 or balance them at the expense of the permittee.

12 **(5) REPORT ON EXAMINATION.** The examiner in charge of an examination shall
13 make a proposed report of the examination, including information and analysis

6 monitoring of care management organizations by the commissioner and the
7 department, including overhead and fixed costs, by a system of regular annual
8 billings.

9 **(2) DETERMINATION OF COSTS.** Annually, the commissioner shall determine the
10 estimated costs under sub. (1) for the commissioner and the department. The
11 commissioner shall serve a request for payment on each permittee allocating the cost
12 to each permittee in an amount that the commissioner determines reflects the
13 permittee's proportionate share of projected enrollment in the department's annual
14 contracting period.

15 **(3) PAYMENT DEADLINE.** The permittee shall pay the amount determined by the
16 commissioner within 30 days of service of the request for payment under sub. (2).

11 **(2) WAIVER AND APPLICABILITY OF THE PRIVILEGE.** Section 601.465 (2m) (a) to (d)
12 applies to the privilege under sub. (1).

13 **648.35 Enforcement procedure. (1) INJUNCTIONS AND RESTRAINING ORDERS.**
14 The commissioner may commence an action in circuit court in the name of the state
15 to restrain by temporary or permanent injunction or by temporary restraining order
16 any violation of this chapter, any rule promulgated under this chapter, or any order
17 issued under s. 648.10 (2). The commissioner need not show irreparable harm or lack
18 of an adequate remedy at law in an action commenced under this subsection.

19 **(2) ORDERS.** The commissioner shall issue any orders under the procedures
20 described in s. 601.63 and shall hold any hearings under the procedures described
21 in s. 601.62.

22 **(3) COMPULSIVE FORFEITURES.** If a person does not comply with an order issued
23 under s. 648.10 (2) within 2 weeks after the commissioner has given the care
24 management organization notice of the commissioner's intention to proceed under
25 this subsection, the commissioner may commence an action for a forfeiture in such

ASSEMBLY BILL 75**SECTION 3199**

1 sum as the court considers just, but not exceeding \$5,000 for each day that the
2 violation continues after the commencement of the action until judgment is
3 rendered. No forfeiture may be imposed under this subsection if at the time the
4 action was commenced the care management organization was in compliance with
5 the order, nor for any violation of an order occurring while any proceeding for judicial
6 review of the order was pending, unless the court in which the proceeding was
7 pending certifies that the claim of invalidity or nonapplicability of the order was
8 frivolous or a sham. If after judgment is rendered the care management organization
9 does not comply with the order, the commissioner may commence a new action for
10 a forfeiture and may continue commencing actions until the person complies. The
11 proceeds of all actions under this subsection, after deduction of the expenses of
12 collection, shall be paid into the common school fund of the state.

13 (4) FORFEITURES AND CIVIL PENALTIES. (a) *Restitutory forfeiture.* Whoever
14 violates an order issued under s. 648.10 (2) that is effective under s. 601.63, any
15 section of this chapter, or any rule relating to this chapter shall forfeit to the state
16 twice the amount of any profit gained from the violation, in addition to any other
17 forfeiture or penalty imposed.

18 (b) *Forfeiture for violation of order.* Whoever violates an order issued under s.
19 648.10 (2) that is effective under s. 601.63 shall forfeit to the state not more than
20 \$1,000 for each violation. Each day that the violation continues is a separate offense.

21 (c) *Forfeiture for violation of statute or rule.* Whoever violates, intentionally
22 aids in violating, or knowingly permits a person over whom he or she has authority
23 to violate a section of this chapter or a rule promulgated under this chapter shall
24 forfeit to the state not more than \$1,000 for each violation. If the section or rule

ASSEMBLY BILL 75**SECTION 3199**

1 violated imposes a duty to make a report to the commissioner, each week of delay in
2 complying with the duty is a new violation.

3 (d) *Procedure.* The commissioner may order any person to pay a forfeiture
4 imposed under this subsection, which shall be paid into the common school fund. If
5 the order is issued without a hearing, the affected person may demand a hearing
6 through procedures described under s. 601.62 (3) (a). If the person fails to request
7 a hearing, the order is conclusive as to the person's liability. The scope of review for
8 forfeitures ordered is that specified under s. 227.57. The commissioner may cause
9 an action to be commenced to recover the forfeiture. Before an action is commenced,
10 the commissioner may compromise the forfeiture.

11 (5) **CRIMINAL PENALTY.** Whoever intentionally violates or intentionally permits
12 any person over whom he or she has authority to violate or intentionally aids any
13 person in violating any section of this chapter, any rule promulgated to administer
14 this chapter, or any order issued under s. 648.10 (2) that is effective under s. 601.63
15 is guilty of a Class I felony, unless a specific penalty is provided elsewhere in the
16 statutes. Intent has the meaning expressed under s. 939.23.

17 **648.45 Affiliates of permittee. (1) INFORMATION.** A permittee and a person
18 attempting to acquire or having control of a permittee, shall report to the
19 commissioner the information concerning the permittee, its affiliates, and the person
20 attempting to acquire control of the permittee that the commissioner requires by
21 rule. The commissioner may promulgate rules prescribing the timing of reports
22 under this subsection, including requiring periodic reporting and the form and
23 procedure for filing reports.

ASSEMBLY BILL 75**SECTION 3199**

1 **(2) REPORT FOR AFFILIATES.** The permittee may report on behalf of all affiliated
2 entities if it provides all the information that would be required if each affiliate
3 reported separately.

4 **(3) CONSENT TO JURISDICTION.** Every permittee shall promptly submit to the
5 commissioner a statement from each of its affiliates that the affiliate agrees to be
6 subject to the jurisdiction of the commissioner and the courts of this state for the
7 purposes of this chapter. A governmental unit is not subject to this requirement. The
8 commissioner may exempt other affiliates from this subsection.

9 **(4) INFORMATION ORDER.** The commissioner may, by order, require any permittee
10 or any person attempting to acquire or having control of the permittee, to report
11 information under sub. (1) or other information to the commissioner.

12 **(5) TRANSACTIONS WITH AFFILIATES.** Neither a permittee nor an affiliate of the
13 permittee may enter into a transaction between the permittee and affiliate unless
14 all of the following apply:

15 (a) The transaction at the time it is entered into is reasonable and fair to the
16 interests of the permittee.

17 (b) The books, accounts, and records of each party to the transaction are kept
18 in a manner that clearly and accurately discloses the nature and details of the
19 transaction and, in accordance with generally accepted accounting principles,
20 permits ascertainment of charges relating to the transaction.

21 (c) The permittee's financial condition following any dividends or distributions
22 to shareholders or a person having control of the permittee is reasonable in relation
23 to the permittee's outstanding liabilities and is adequate to its financial needs.

24 (d) The transaction complies with any other standard that the commissioner,
25 after consulting with the department, prescribes by rule.

ASSEMBLY BILL 75**SECTION 3199**

1 **(6) TRANSACTIONS SUBJECT TO DISCLOSURE.** (a) *Affiliated transactions to be*
2 *reported.* 1. The commissioner, after consulting with the department, may
3 promulgate rules requiring a permittee, a person attempting to acquire or having
4 control of a permittee, and affiliates of a permittee to report a transaction or a group
5 or series of transactions, if all of the following are satisfied:

6 a. The transaction is between a permittee and a person attempting to acquire
7 or having control of the permittee or an affiliate of the permittee, or the transaction
8 directly or indirectly benefits the person or affiliate.

9 b. The transaction is, or the group or series of transactions are, material to the
10 permittee.

11 2. Transactions that are material to a permittee for the purposes of subd. 1.
12 include management contracts, service contracts, and cost-sharing arrangements.
13 The commissioner, after consulting with the department, may prescribe by rule
14 standards for determining whether a transaction is material under this subsection.

15 3. No permittee, person attempting to acquire or having control of a permittee,
16 or affiliate of the permittee may enter into a transaction required to be reported to
17 the commissioner under this subsection unless the permittee, person, and affiliate
18 report the transaction to the commissioner in the form and by the date before the
19 effective date of the transaction that are prescribed by the commissioner by rule,
20 after consulting with the department. The commissioner may not require the
21 transaction to be reported earlier than 30 days before the effective date of the
22 transaction.

23 (b) *Disapproval.* The commissioner may, within the period prescribed in par.

24 (a) 3., disapprove any transaction reported under par. (a) if the commissioner finds,

ASSEMBLY BILL 75**SECTION 3199**

1 after consulting with the department, that it would violate the law or would be
2 contrary to the interests of enrollees of the permittee, the department, or the public.

3 (c) *Transactions prohibited.* No permittee, person attempting to acquire or
4 having control of the permittee, or affiliate of the permittee may enter into a
5 transaction that is not reported as required under par. (a) or that is disapproved by
6 the commissioner under par. (b).

7 (d) *Voidable transactions.* If a permittee, person attempting to acquire or
8 having control of the permittee, or affiliate enters into a transaction in violation of
9 this section, the permittee may void the transaction, obtain an injunction, and
10 recover from the person or affiliate the amount necessary to restore the permittee to
11 its condition had the transaction not occurred. The commissioner may order a
12 permittee to void the transaction, to commence an action against the person or
13 affiliate, or to take other action.

14 (e) *Required financial conditions.* The commissioner, after consulting with the
15 department, may promulgate rules for determining adequacy of financial condition
16 under this section.

17 (f) *Exemption if permittee reports.* Paragraph (a) does not apply to a person
18 attempting to acquire or having control of, or an affiliate of, a permittee, if the
19 permittee reports on behalf of the person or on behalf of the affiliate, and the
20 transaction is not disapproved by the commissioner under par. (b).

21 **(7) DIVIDENDS AND DISTRIBUTIONS.** (a) A permittee may not pay a dividend or
22 distribution, and an affiliate of a permittee may not accept a dividend or distribution,
23 unless the permittee reports the dividend or distribution to the commissioner at least
24 30 days before payment and the commissioner does not disapprove the dividend or
25 distribution within that period.

ASSEMBLY BILL 75**SECTION 3199**

1 (b) The commissioner, after consulting with the department, may promulgate
2 rules under this section that do any of the following:

3 1. Prescribe the form and content of and procedure for filing reports under this
4 subsection.

5 2. Exempt dividends or distributions from the reporting requirement under
6 par. (a) under conditions that the commissioner determines will not jeopardize the
7 financial condition of the permittee.

8 (c) A permittee may declare a dividend or distribution that is conditioned upon
9 the permittee's compliance with this subsection. A declaration of a dividend or
10 distribution under this subsection does not confer rights to the proposed recipient of
11 the dividend or distribution unless this subsection is complied with and is void if the
12 dividend or distribution is disapproved by the commissioner under par. (a).

13 (d) In addition to any other remedies available, a permittee may recover from
14 the recipient any dividend or distribution paid in violation of this subsection.

15 **(8) DUTIES OF OFFICERS AND DIRECTORS.** (a) No director or officer of a permittee
16 or of an affiliate of a permittee may permit, participate in, or assent to a transaction
17 or payment or acceptance of a dividend or distribution prohibited under this chapter.

18 (b) An officer or director of a permittee or of an affiliate of a permittee who
19 knows, or reasonably should know, that the permittee or affiliate has entered into
20 a transaction or paid a dividend or distribution that violates this chapter shall report
21 the transaction, dividend, or distribution to the commissioner in writing within 30
22 days after attaining that knowledge. Section 648.15 (6) applies to a report under this
23 section, and the report is confidential unless the commissioner finds it necessary to
24 disclose the report for the purpose of enforcing this chapter.

ASSEMBLY BILL 75**SECTION 3199**

1 **648.50 Management changes. (1)** APPROVAL REQUIRED. No proposed plan of
2 merger or other plan for acquisition of control of a permittee may be executed unless
3 the commissioner, after consulting with the department, approves the plan.

4 **(2)** GROUNDS FOR APPROVAL. The commissioner shall approve the plan under this
5 section if the commissioner finds, after a hearing, that it would not violate the law
6 or be contrary to the interests of the public, the department, or the enrollees.

7 **(3)** INFORMATION REQUIRED. A permittee shall report to the commissioner any
8 changes in directors or principal officers after a permit is issued, together with
9 biographical data on the new director or officer that the commissioner requires by
10 rule.

11 **648.55 Commissioner's summary orders. (1)** The commissioner, after
12 consulting with the department, may make and serve an order on a permittee,
13 requiring it to stop providing services under the department contract, or to take
14 corrective measures, without notice and before hearing, if it appears to the
15 commissioner that irreparable harm to the property or business of the permittee or
16 to the interests of its enrollees or the public, will occur unless the commissioner acts
17 with immediate effect and one of the following applies:

18 (a) The permittee is not in compliance with a rule establishing standards for
19 the financial condition of care management organizations.

20 (b) Grounds exist to suspend or revoke the permittee's permit.

21 **(2)** An order issued under this subsection is effective immediately.

22 **(3)** The permittee has the rights provided under s. 601.62. The commissioner
23 may serve upon the permittee notice of hearing under the procedures under s. 601.62
24 simultaneously with service of the order under sub. (1).

6 from, seek compensation from, file or threaten to file with a credit reporting agency

8 enrollee's behalf, for any health care, service, equipment, or supply charges for which
9 the enrollee or person acting on his or her behalf is not liable under sub. (1).

10 **(3) IMMUNITY NOT AFFECTED.** The immunity of an enrollee under subs. (1) and
