Dear Gary:

Thank you for your recent letter requesting that the Joint Legislative Council undertake a study to review the Managed Forest Law (MFL) program to determine how well it is fulfilling its purpose as set out in s. 77.80, Stats., recommend changes that would increase participation in the program, and examine potential changes to the MFL's statutory purposes.

The Joint Legislative Council typically will commence studies following completion of the legislative session. To ensure that your recommendation is made a matter of record, we have forwarded a copy of this letter to Terry C. Anderson, Director of the Legislative Council, who keeps the records. It is our intention to begin, next month, the review of study topics. Thank you for recommending this topic.

Thank you for writing and for your interest in the work of the Joint Legislative Council.

Sincerely,

Senator Fred Risser, Co-Chair
Joint Legislative Council

Representative Marlin Schneider, Co-Chair
Joint Legislative Council
