April 14, 2009

Dear Senate Committee on Health,

I am registering today in opposition to the appointments of Roger Astell, Mike Weiden, and Sheldon Wasserman to the UW Hospital and Clinics Board.

The UW Hospital and Clinics have a history of proudly holding themselves to the highest standards of care and healing. The act of abortion, which all medical science agrees is an act of destruction, is contrary to the UW's stated purpose. It is beyond all reasonable comprehension to the above candidates who are openly in favor of the destruction of life to serve on this Board.

I urge you to please reject Roger Astell, Mike Weiden and Sheldon Wasserman as candidates to the UW Hospital and Clinics Board. Thank you.

Regards,

Greg and Ann Wagner

Middleton, Wi.

PLANNED PARENTHOOD® ADVOCATES OF WISCONSIN

Planned Parenthood's Statement in Support of Appointment of Dr. Sheldon Wasserman

Planned Parenthood Advocates of Wisconsin strongly supports the appointment and confirmation of Dr. Sheldon Wasserman to the Wisconsin Medical Examining Board. There is no greater provider or champion of women's health care than Dr. Wasserman. Dr. Wasserman has been helping women plan their families, providing prenatal care and postnatal care to women and delivering babies for almost 20 years. Dr. Wasserman has seen first hand how critical it is for women to have the ability to plan and space pregnancies, and to make sure they are cared for through all aspects of their pregnancies and post pregnancy.

In addition to providing critical family planning and ob/gyn services to Wisconsin women, Dr. Wasserman was a leader in advocating for greater access to family planning services and prevention-based health care, such as birth control, cervical and breast cancer screening and testing and treatment for Sexually Transmitted Infections, during his tenure here in the Wisconsin legislature.

Dr. Wasserman's experiences as a provider of women's health care as well as his distinguished years of services in the Wisconsin State Assembly make him a uniquely qualified person to sit on the Medical Examining board. His expertise in women's health would be a great addition to the board, as currently, there is no physician who sits on the board with a specialty in women's health. We urge you to vote to confirm him to this position. Thank you.
