Committee Clerks:

It has been a pleasure working with you this past session. We had a great group of committee clerks who were all easy to work with. With the end of the 2009-2010 session upon us, you now need to submit your committee materials to the Legislative Reference Bureau for archiving.

The LRB is interested in any committee materials that you have. Please see the attached memo from LRB outlining the organization of these materials. This includes attendance sheets, roll call sheets, committee records, committee reports, written testimony, correspondence, minutes, and any other miscellaneous materials. Please do not throw anything away. Compile this information and send it directly to the attention of Mike ~~Barman~~, LRB, Suite 200, One East Main.

*Barman*

Boxes are available for you to use in packing up your files and can be obtained by contacting Dennis Nelson in the Chief Clerk's Office at 266-2517.

All Executive Appointments and Clearinghouse Rules pending at the end of session will be carried over to the 2011-12 session and be rereferred. If you know you are not going to be taking up any appointments in committee during the remainder of this session, you may return them to the Chief Clerk's office at any time. However, I need all of them returned to me no later than December 30, 2010.

If you have any questions, please don't hesitate to call me at 266-1803.

Thanks, and good luck.
