Subject: Enterprise Zone Legislation

Mike,

I know that Tracey Kuczenski said that you'll be handling a lot of the economic development legislation that she'd done.

Our office would like to request a bill draft for the coming session to add an additional enterprise zone at the Department of Commerce, allowing for a total of 13. This is real simple draft which is very similar to AB 768/Act 266 that Tracey had drafted which increased the number from 10 to 12.

We would like this as soon as possible.

I've also cc'd the general LRB e-mail in case you'll will be out on vacation and hopefully someone else can take care of this one quickly.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Gen.

1 AN ACT ...; **relating to:** authorizing the Department of Commerce to designate
2 one additional enterprise zone.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Commerce (Commerce) may designate an area as an enterprise zone. Commerce must consider a number of factors related to the area prior to designating the area as an enterprise zone, including indicators of the area's economic need and whether designation as an enterprise zone would promote the retention of jobs in the area. A taxpayer who creates or retains jobs in an enterprise zone, or a taxpayer located in an enterprise zone who makes certain purchases from Wisconsin vendors, may claim certain tax benefits. Commerce may designate no more than 12 enterprise zones.

This bill permits Commerce to designate a total of 13 enterprise zones.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

X

3 SECTION 1. 560.799 (3) (a) of the statutes is amended to read:

1 560.799 **(3)** (a) The department may designate not more than ~~12~~ 13 enterprise
2 zones.

3 History: 2005 a. 361; 2007 a. 20, 97, 100; 2009 a. 11, 28, 266, 267.
