ASSEMBLY BILL 18

October 11, 2011 – Introduced by COMMITTEE ON ASSEMBLY ORGANIZATION, by request of Governor Scott Walker and Representative Radcliffe. Referred to Committee on Education.

1 **AN ACT** *to create* 118.33 (1m) of the statutes; **relating to:** authorizing a school
2 board to grant a vocational high school diploma.

Analysis by the Legislative Reference Bureau

Under current law, a school board may not grant a high school diploma to any pupil unless the pupil has earned at least 4 credits of English, 3 credits of social studies, 2 credits of science, 2 credits of mathematics, 1.5 credits of physical education, and 0.5 credits of health education.

This bill authorizes a school board to grant a vocational high school diploma to a pupil who has not earned the academic credits specified above but has earned a sufficient number of credits in vocational subjects, as determined by the school board, if the Department of Public Instruction has approved the school district's vocational curriculum.
