Hello Pam –

I see that you are the primary author of SB 7 re automobile insurance coverage limits.

Can you please draft the following amendments to Senate Bill 7:

1. The current minimum coverage levels for auto insurance (pre SB 7) must be used for anyone who is convicted of an OWI after the passage of this bill.

~~2. Minimum coverage rates for auto insurance should be consumer price index.~~

If you are not the proper person do these amendments can you please pass the request on as appropriate?

Let me know if you have any questions or comments.

Regards,

G. Stuart Ewy
