Subject: Reference Request: Amendment for SB 7 Tomorrow

To Whom It May Concern:

We are looking to get an amendment drafted for SB 7 related to auto insurance. We are execing on it in the Senate Housing & Insurance committee tomorrow at 9 a.m. Would it be possible for us to get an amendment to require that auto insurance companies offer consumers the option of having or not having a reducing clause in writing? We would like this in time for session tomorrow if possible. If that is not possible and you could let me know, I would appreciate it, as then we would probably still want something for when it reaches the Senate Floor next week. I will be in my office tonight until 9 p.m. or so and in the office tomorrow morning at 8 a.m.

Thank so much for any assistance you can provide.
