BILL

1 (2) (wc) of the statutes; **relating to:** creating a Charter School Authorizing
2 Board, providing additional charter school authorizers, eliminating the limit on
3 the number of pupils who may attend virtual charter schools, modifying teacher
4 licensure requirements, eliminating the limit on the reduction in general school
5 aid used to fund independent charter schools, covering certain charter school
6 employees under the Group Insurance Board health coverage plan for local
7 government employees, allowing a charter school to elect to participate in the
8 Wisconsin Retirement System, granting rule-making authority, and making
9 an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, school boards may enter into contracts with individuals, groups, businesses, or governmental bodies to establish charter schools, which operate with fewer constraints than traditional public schools. Current law also permits the University of Wisconsin (UW)-Milwaukee, UW-Parkside, the Milwaukee Area Technical College, and the city of Milwaukee to operate charter schools (independent charter schools) directly or to contract for the operation of charter schools. In general, only pupils who reside in the school district in which an independent charter school is located may attend the charter school. No entity authorized to establish an independent charter school may establish a virtual charter school.

This bill allows a cooperative educational service agency to establish an independent charter school. The bill also creates an independent state agency, the Charter School Authorizing Board (CSAB), and authorizes it to contract for the establishment of independent charter schools. The CSAB consists of nine members, of whom three are appointed by the governor, three by the senate majority leader, and three by the speaker of the assembly. The bill prohibits the CSAB from promulgating administrative rules.

The bill requires that every charter school be operated by a governing board and that every contract for the establishment of a charter school be with a nonprofit corporation. The bill removes the restrictions that limit who may attend an independent charter school and allows an entity that is authorized to establish an independent charter school to establish a virtual charter school. The bill eliminates the cap on the number of pupils who may attend virtual charter schools through the Open Enrollment Program, currently set at 5,250.

The bill allows a charter school contract to provide for more than one charter school, and allows a charter school governing board to enter into more than one

BILL

contract. The bill provides that a charter school authorizer is immune from civil and criminal liability for the activities of the charter schools with which it has contracted.

The bill requires every charter school under contract with the CSAB to pay an annual fee to the CSAB. The bill allows every charter school under contract with the CSAB to provide health care for its employees under the Group Insurance Board health coverage plan for local government employees. Although a charter school's employees are not state employees and may not be local government employees, the bill provides that a charter school's governing board may elect to become a participating employer under the Wisconsin Retirement System.

~~The bill provides that any person who holds a teaching license issued by the Department of Public Instruction (DPI) may perform any instructional duty at any grade level in a charter school. Under the bill, any person who does not hold a DPI-issued teaching license may be employed as instructional staff in a charter school if he or she obtains a charter school instructional staff permit from DPI. The bill allows DPI to require that an applicant for such a permit hold a bachelor's degree, but prohibits DPI from limiting the subjects the applicant may teach based upon his or her major field of study.~~

Under current law, state aid to independent charter schools is funded by a reduction in general school aid, applied on a prorated basis to all school districts. Current law provides that beginning in the 2011-12 school year, instead of reducing general school aid by the amount of charter school aid paid in the same school year, general school aid will be reduced by the amount of charter school aid paid in the 2010-11 school year. This bill eliminates this cap on the reduction in general school aid described above.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
