**Subject:** ASA 1 to SB22

Hi Sarah and Jim,

I think an amendment to ASA 1 to SB 22 should be prepared to reconcile it with the changes in Act 32, the budget act. I've looked at the conflicts and the only one that may pose a difficulty is the one dealing with the payment to the Racine school district. The sub to SB 22 caps the amount paid to Racine; the budget act eliminates that payment entirely after the

2012-13 school year. I'm assuming that you would like to go with the budget act provision.  
If I'm wrong, please let me know.

Thanks -

Peter

Hey I hope you aren't still here, but I don't want to forget about it Monday—

~~I wasn't sure about sections 8 and 9 in the technical (LRB 1633/1). I think it deletes the section that allows Mike common council to be made party to a lease between the MPS board and a charter school for city owned property. Did they change their minds on that? Or should we maybe just modify the date to January 1, 2012?~~

Also I think we need to insert "service" on line 14, page 11, between "educational" and "agency"... oh by the way apparently this is up on Wednesday in joint finance, finally, huzzah—if only you'd gotten that p-draft done by Christmas...
