

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0680/1dn  
MDK:jld:jf

April 26, 2011

Sen. Lassa:

This amendment delays the increase in the appropriation until after the budget is enacted. The delay is necessary because the budget will repeal and recreate the appropriation schedule. If the appropriation increase were to go into effect before enactment of the budget, the increase would be wiped out when the appropriation schedule is repealed and recreated.

Another way to accomplish your intent is to amend the budget to make sure that the appropriation schedule includes the amounts you want for the grants.
