March 22, 2011 – Introduced by Senators GROTHMAN and RISSER, cosponsored by Representative RIPP. Referred to Committee on Judiciary, Utilities, Commerce, and Government Operations.

1 **AN ACT** *to amend* 16.843 (1) (b) and 16.843 (3) (intro.) of the statutes; **relating**
2 **to:** parking on the streets adjacent to the state capitol park.

Analysis by the Legislative Reference Bureau

Currently, parking on the four streets adjacent to the state capitol park on the park side of the streets is reserved for legislators and certain other state officers and employees who are assigned spaces in accordance with a parking plan approved by the Joint Committee on Legislative Organization. These spaces are reserved at all times except as otherwise provided in emergency police regulations and ordinances of the city of Madison.

This bill provides that parking in these areas is reserved only during the hours of 6 a.m. to 6 p.m., Monday to Friday, and during other hours that may be designated for special purposes by the Department of Administration (DOA). Under the bill, if DOA extends the hours for reserved parking in these areas, it must post notice of the extended hours on the affected streets. The bill permits any person to park a motor vehicle in these areas outside the reserved hours, except as restricted for special purposes in an emergency police regulation or city ordinance of the city of Madison.
