2011 BILL

Regen

1 AN ACT *to create* 814.63 (3m), 814.65 (4m) and 973.06 (1) (j) of the statutes;
2 relating to: costs of administering tests for intoxication.

Analysis by the Legislative Reference Bureau

Under current law, a law enforcement officer may request a person to provide a sample of breath, blood, or urine for analysis if the person is arrested for operating while intoxicated, or with a prohibited alcohol or drug concentration a vehicle, an all-terrain vehicle, a boat, or a snowmobile or for injury or homicide by intoxicated use of a vehicle (OWI-related offense). Upon the request of a law enforcement officer, a test facility must perform an analysis of a person's sample of blood or urine. Current law allows the person to request an alternative test free of charge.

Currently, if a person is ordered to pay a forfeiture or found to have committed an offense in municipal or circuit court, or if the person is found guilty of a crime, the person is required to pay certain costs, fees, and surcharges.

Under this bill, if a person is found to have committed an OWI-related offense, the municipal or circuit court must assess costs associated with acquiring a blood sample and administering a blood test or analysis that were charged to, paid by, or expected to be paid by, the law enforcement agency that requested the test. The bill does not require a person to pay for an alternative test if the person chose to have an alternative test administered.

BILL

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
