Subject: bill draft request from Rep. Strachota

Tamara,

Rep. Strachota would like 2010 LRBs0473/1 drafted as a bill for the 2011-13 session (regarding oral chemotherapy).

Connie Schulze will be submitting the request for the Senate companion and I have cc'd her on this email. You have permission to speak to her, or anyone else in Senator Darling's office regarding this drafting request.

I was given a copy of LRBs0473/1 but do not know if it was ever officially introduced by Rep. Barca. If not, I can send you a copy of the draft so you do not have to be worried about privacy issues with a previous drafting request by another member.

Please let me know if you have any questions.

~~Companion draft

1 AN ACT *to amend* 40.51 (8), 40.51 (8m), 66.0137 (4), 120.13 (2) (g) and 185.983
2 (1) (intro.); and *to create* 609.837 and 632.867 of the statutes; **relating to:**
3 copayments, deductibles, or coinsurance for oral chemotherapy and injected or
4 intravenous chemotherapy.

Analysis by the Legislative Reference Bureau

This bill prohibits health insurance policies, and self-insured governmental and school district health plans, that cover injected or intravenous and oral chemotherapy from requiring the insured to pay a higher copayment, deductible, or coinsurance for oral chemotherapy than is required for injected or intravenous chemotherapy, regardless of the formulation or benefit category determination by the policy or plan. A health insurance policy or self-insured governmental or school district health plan may not comply with that prohibition by increasing the copayment, deductible, or coinsurance for intravenous or injected chemotherapy that is covered under the policy or plan.

The requirements of the bill apply to individual and group health insurance policies, including limited service health organizations, preferred provider plans, defined network plans, and cooperative associations' health care plans; to health care plans, including a self-insured plan, offered by the state to its employees; and to self-insured health plans of a city, town, village, county, or school district.

BILL
