One final thought - In the event Sen. Lasee is interested in introducing a companion bill, if you could make the drafting request (Marc Shovers at LRB did the draft for us) and get me an LRB number by Wednesday, I can just include that information in the memo and save your office the work of sending out a separate message regarding the companion and letting members know they will be signed on to both bills.

John,

Thank you for your call!

You will find attached a copy of the DOA Public Interest Review letter sent to Kaukauna and the Town of Harrison (pg. 1 &2), as well as a brief synopsis on the role of the Department in the review of annexations (pg. 3).

Please do not hesitate to let me know if you have any questions. I will be in the office until about 3:00 this afternoon. I'll be out on Monday and Tuesday, but I will be checking my email during that time. You can also reach me on my cell phone at 608-279-3073. I'll be back in the office on Wednesday morning, and would like to get the draft circulating for co-sponsorship by noon that day. (Given the holiday weekend and work on the budget, I'd anticipate a 2-week circulation.)

Thanks again! Have a good weekend!

- 1 AN ACT *to repeal* 66.0217 (11) (c); and *to amend* 66.0307 (4m) (c) 2. (intro.) of
- 2 the statutes; **relating to:** authorizing towns to challenge certain city or village
- 3 annexation procedures.

Analysis by the Legislative Reference Bureau

Currently, town territory that is contiguous to any city or village may be annexed to that city or village under several methods if, in general, some of the city's or village's territory is in the same county as the territory to be annexed, unless both the town and county boards approve of the proposed annexation, and the city or village agrees to make limited payments to the town based on property taxes that the town levied on the annexed territory.

One of the methods of annexation is direct annexation by unanimous approval. If a petition for direct annexation by unanimous approval signed by all of the electors residing in the territory and the owners of all of the real property in the territory is filed with the city or village clerk and the town clerk of all of the involved towns, along with a scale map and legal description of the property to be annexed, the governing body of the city or village may, generally, annex the property by a two-thirds vote of the body. Such an annexation, however, is subject to Department of Administration advisory review as if the annexation petition were for direct, but not unanimous, annexation or annexation by referendum. In addition, such an annexation is limited under current law to town land that is contiguous to the annexing city or village.

Under current law, a town may not challenge in court, on any grounds, any direct annexation by unanimous approval as well as several other types of
