| referendum. | nuico mado by a technic | ai conege aic | and nom me requ | incincin ioi a | | | | | | |

Assumptions Used in Arriving at Fiscal Estimate

SB 132 would allow technical colleges, when determining whether certain capital expenditures would trigger a statutory referendum requirement, to exclude that portion of capital expenditures for student housing that will be funded with student rent or other payment for that housing.

This provision has already been enacted under 2011 Wisconsin Act 32, the 2011-13 Biennial Budget Act.

Long-Range Fiscal Implications
